The Essentials Of An Effective Ministry:

The Essentials of an Effective Ministry bp. Hiram Abiff Boaz, 1937 **The Essentials of an Effective Ministry** H. A. Boaz, 2013-10 This is a new release of the original 1937 edition Management Essentials for Christian Ministries Michael Anthony, James R. Estep, 2005-03 Contributors represent a diverse denominational cross section and include Dennis Williams Gary Bredfelt Gordon Coulter Michael J Anthony James Estep Jr Jane Carr Mark Henze Mark Simpson Michelle Anthony Richard Leyda and Tony Buchanaan God's Ambassadors E. Brooks Holifield, 2007-09-25 In God's Ambassadors E Brooks Holifield masterfully traces the history of America's Christian clergy from the seventeenth to the twenty first century analyzing the changes in practice and authority that have transformed the clerical profession Challenging one sided depictions of decline in clerical authority Holifield locates the complex story of the clergy within the context not only of changing theologies but also of transitions in American culture and society The result is a thorough social history of the profession that also takes seriously the theological presuppositions that have informed clerical activity With alternating chapters on Protestant and Catholic clergy the book permits sustained comparisons between the two dominant Christian traditions in American history At the same time God's Ambassadors depicts a vocation that has remained deeply ambivalent regarding the professional status marking the other traditional learned callings in the American workplace Changing expectations about clerical education as well as enduring theological questions have engendered a debate about the professional ideal that has distinguished the clerical vocation from such fields as law and medicine The American clergy from the past four centuries constitute a colorful diverse cast of characters who have in ways both obvious and obscure helped to shape the tone of American culture For a well rounded narrative of their story told by a master historian God's Ambassadors is the book to read **The Navy Chaplain** , 1990 **The Perils of Protestantism. By an Aged Protestant** , 1853
