The Eternal Security Of The Believer:

Eternal...the Believer , *The Eternal Security of the Believer* M.L. Moser,2013-12-05 This pamphlet was compiled by Bro Moser who was a Baptist minister for nearly half a century It has proven to be a blessing to countless souls He discusses 100 reasons along with 100 supporting scriptures on proving eternal security **Eternal Security Of The Believer - H.A. Ironside** H.A. Ironside,2015-06-06 The author asks then answers this important question Once we have been justified by faith who is there what power is there that can separate from the love of Christ H A Ironside was an able Bible teacher whose gift was to make God's Word easy to understand In this book he looks at the controversial subject which has divided Christians can believers be lost or are they eternally secure He looks at the difficult Bible verses and also presents the positive teaching that once a person is saved he or she is saved forever **Saved and Sure, Safe and Secure** John David Martin,2020-11-09 Have you ever found yourself involved in a conversation about the idea of once saved always saved one that turned into a religious argument Saved and Sure Safe and Secure seeks to demonstrate from the Scriptures that a born again Christian once saved can have assurance that he or she is saved and safe for eternity Writing in simple terms and plain language in order to communicate Bible doctrine to the average person author John David Martin affirms the doctrine of eternal security of believers in Christ and addresses common objections to the teaching of once saved always saved Whether you believe in eternal security or think you can lose it Pastor Martin hopes to help you strengthen your faith and challenge your thinking on the subject Many religious people who believe in God and profess to know Christ as their personal Savior still struggle with doubts concerning their salvation If you are worried you can put your fears to rest this study can help Aiming to encourage and uplift believers this theological study explores the topic of eternal security analyzing the biblical truths that teach and reinforce the certainty of this concept The Eternal Security of the Believer M. L. Moser,192?

The Eternal Security of the Believer M. L. Sr. Moser,2001 **The Believer's Eternal Security** Ismael Cortez,2014 If you believe in God does that mean you're guaranteed salvation In this study author Ismael Cortez a fervent believer in the Lord defends the doctrine of eternal security by backing it up with truths from the Bible He explores critical issues including how the Scriptures can be used to counter objections Believers are saved by God's grace from the beginning to the end and it is God who initiates the salvation When sinners believe in God and Jesus Christ they are forever preserved from the eternal consequences of sin Even when believers fall into sin and remain in a fallen state God will chasten His children so that they can partake in His holiness and enjoy the fruits of righteousness The Bible is full of passages that prove the doctrine of eternal security and that salvation is by grace alone through faith alone and in Christ alone Whether you're seeking to defend the doctrine of eternal security clarify questions or simply add to your knowledge you can find important truths in *The Believer's Eternal Security* **Believers' Eternal Security** Oppong Kyekyeku,2021-10-20 How do you understand the concept of eternal salvation through Christ Jesus Can a believer lose his or her everlasting salvation given by God due to

circumstance Are you afraid of losing your eternal salvation of grace through faith in Jesus since you believed Is there anything you can do to secure your everlasting salvation without losing it The answers to these questions and beyond are what this book is all about Believers eternal security is only based on eternal salvation through faith in Christ Jesus which guarantees our freedom in Christ because of the grace pertaining to salvation we cannot lose But regrettably many believers are still under oppression of fear for uncertainty of their eternal salvation They believed that they must hire security personnel to protect or hold their eternal salvation like an egg or work hard to secure it otherwise it will fall on the rock and break away for them to lose it which in fact is completely a delusional threat from the deceiver who is the devil that always contradicts the true Word of God Nowhere in the New Testament scriptures can you find such theory or doctrine it is totally and deliberately manmade fearmongering danger and confusing premature believers For if in fact you truly believed in Christ and have received salvation God who can never lie and can never change His mind has given it to you then it s eternal it s everlasting it s forever and it has no end You can never ever lose it irrespective of whatever happens Eternal salvation is and will never be partial to lose it halfway since God who promised believers is impartial Don t believe any garbage more than the true living Word of God Believer s eternal security is confidently never losing the everlasting salvation received from God through Christ Because eternal salvation is not a reward to the righteous but a gift to the guilty Amen *Eternal Security*
Lloyd A. Olson,2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit **The Eternal Security of the Believer** Earl Anderson,1956
