Legends of Florence, collected from the people and re-told, 1st ser Charles Godfrey Leland,1896 Retelling the Story of God Scott Allen Davis,2016-05-25 People in our culture today desperately need explanations for the big questions of life Who am I Where did I come from Why am I here Where am I going People in the twentieth century concluded that God did not exist so the vastness of the universe and the finitude of man came together to create a crisis of existence for them Their skepticism has been passed on to those of us who live in the twenty first century so that crisis is still with us The great questions still demand answers but none will be forthcoming until we begin to see our existence in light of the existence of God and His story

The Mahabharata: A Modern Retelling Erin Bernstein,Kisari Mohan Ganguli,2022-01-31 Please take a moment to enjoy this book a volume the original editors feel is an interpolation since the story pauses for a time to catch its breath The original editor thought the pale men of White Island were Romans Were they really that pasty Author **Retelling the Golden Truth Through Short Stories** J.R. Kokandakar,2013-12-27 Religion spirituality culture science technology etc are for the good of mankind We the human beings misutilise them to fulfilling our selfish petty desires It is our own fault our deteriorating character that makes us blame both religion and science at our whim The present book endeavors with the help of short stories for the search of the golden truth rather the golden means that the human life seeks for its betterment in true sense

Retelling Time Shonaleeka Kaul,2021-09-16 Retelling Time challenges the hegemony of colonial modernity over academic disciplines and over ways in which we think about something as fundamental as time It reclaims a bouquet of alternative practices of time from premodern South Asia which stem from worldviews that have been marginalized These practices relate to a range of classical and vernacular genres including ala k ra therav da yoga r makath tasawwuf y ra ga pur a trik tantra navya ny ya pratyabhij carita k y am and ma gala k vya These represent multiple languages such as Sanskrit Persian Pali Prakrit Awadhi Malayalam Kannada and Bengali as well as diverse streams from Hinduism Jainism Buddhism and Sufi Islam to logic yoga tantra theatre and poetics Retelling Time questions the modern Eurocentric belief in an empty homogenous abbreviated secular and irreversible time It proposes instead that that premodern South Asia invested time with cultural function and value which ranged from the contingent to the transcendent the quotidian to the cosmic the fleeting to the eternal and the social to the spiritual Accordingly time was

reworked stretched melded collapsed recursed rolled over and even extinguished Sacred social aesthetic scientific fictional historical and performative South Asian traditions are seen here in conversation with one other mediated by an ethical paradigm Their collective challenge is to decolonize our ways of knowing and being This book will be of interest to scholars of South Asian history philosophy of history anthropology literature Sanskrit post colonial studies cultural studies studies of temporality and of the Global South

Ben Jonson's "Volpone, or the Fox": A Retelling David Bruce,2017-11-02 Ben Jonson was a master of satire who ranks with Jonathan Swift and Voltaire In Volpone he tackles greed The wealthy Venetian gentleman Volpone is as cunning as a fox and he pretends to be very ill and dying in order to entice legacy hunters to give him valuable gifts in hopes of being named his heir This works well for three years but then This is an easy to read retelling of Ben Jonson s satiric masterpiece Volpone or the Fox

The Retelling of Chronicles in Jewish Tradition and Literature Isaac Kalimi,2009-06-30 Isaac Kalimi reveals the history of the book of Chronicles from Hellenistic times to the beginning of critical biblical scholarship at the dawn of the 17th century This comprehensive examination focuses first and foremost on the use of Chronicles in Jewish societies through the generations and highlights the attitudes and biases of writers translators historians artists exegetes theologians and philosophers toward the book The reader is made aware of what the biblical text has meant and what it has accomplished in the many contexts in which it has been presented Throughout the volume Kalimi strives to describe the journey of Chronicles not only along the route of Jewish history and interpretation but also in relation to the book s non Jewish heritage namely Christianity demonstrating the differences and distinctiveness of the former In contrast the majority of commentaries on Chronicles written from the mid 19th century to the present day have contained little or nothing about the application interpretation and reception history of Chronicles by Jews and Christians for hundreds of years
