Linton, Dominic Candeloro, Fred Gardaphe, William Yoshino, Emily Soloff, InChul Choi, Jae Choi-Kim, Antanas Van Reenan, Alexander Domanskis, Louise Ano Nuevo Kerr, Myrna Garcia, Abdul Mujahid, David Beck, Sam Enyia, M. Wasiullah Kahn, Salina Kahn, Mary Abowd, Louise Cainkar, Helena Znaniecka, Bozena Nowicka McLees, Isidro Lucas, Carol Olteanu, Vasile Bouleanu, Biljana Slijivic-Simsic, Jasmina Savic, Marina Filipovic, Thomas Ward, Rosemary Wisnosky, Tim Johnson, Myron Kuropas, Ngoan Le, Matthew Holzman, 2012-09-20 The second edition completely updated with six county demographics Cook Lake DuPage McHenry Will and Kane historical backgrounds immigration and migration patterns cultural traditions issues for the communities special health concerns and more Covers 37 of the area s most prominent ethnic communities in individual chapters each written by scholars and community leaders

The Ethnic Handbook Cynthia Linton, 1996 *Chicago*, This book provides a comprehensive portrayal of the growth and development of Chicago from the mudhole of the prairie to today s world class city This completely revised fourth edition skillfully weaves together the geography history economy and culture of the city and its suburbs with a special emphasis on the role of the many ethnic and racial groups that comprise the real Chicago of its neighborhoods

Ethnic Origins Jeremy Hein, 2006-04-13 Immigration studies have increasingly focused on how immigrant adaptation to their new homelands is influenced by the social structures in the sending society particularly its economy Less scholarly research has focused on the ways that the cultural make up of immigrant homelands influences their adaptation to life in a new country In *Ethnic Origins* Jeremy Hein investigates the role of religion family and other cultural factors on immigrant incorporation into American society by comparing the experiences of two little known immigrant groups living in four different American cities not commonly regarded as immigrant gateways *Ethnic Origins* provides an in depth look at Hmong and Khmer refugees people who left Asia as a result of failed U S foreign policy in their countries These groups share low socio economic status but are vastly different in their norms values and histories Hein compares their experience in two small towns Rochester Minnesota and Eau Claire Wisconsin and in two big cities Chicago and Milwaukee and examines how each group adjusted to these different settings The two groups encountered both community hospitality and narrow minded hatred in the small towns contrasting sharply with the cold anonymity of the urban pecking order in the larger cities Hein finds that for each group their ethnic background was more important in shaping adaptation patterns than the place in which they settled Hein shows how in both the cities and towns the Hmong s sharply drawn ethnic boundaries

and minority status in their native land left them with less affinity for U S citizenship or Asian American panethnicity than the Khmer whose ethnic boundary is more porous Their differing ethnic backgrounds also influenced their reactions to prejudice and discrimination The Hmong with a strong group identity perceived greater social inequality and supported collective political action to redress wrongs more than the individualistic Khmer who tended to view personal hardship as a solitary misfortune rather than part of a larger scale injustice Examining two unique immigrant groups in communities where immigrants have not traditionally settled Ethnic Origins vividly illustrates the factors that shape immigrants response to American society and suggests a need to refine prevailing theories of immigration Hein s book is at once a novel look at a little known segment of America s melting pot and a significant contribution to research on Asian immigration to the United States A Volume in the American Sociological Association s Rose Series in Sociology **The Ultimate Multi-ethnic**

members of the American Indian community in Chicago who were doctors nurses business owners teachers and entertainers During the Progressive Era more than at any other time in the city s history they could be found in the company of politicians and society leaders at Chicago s major cultural venues and events and in the press speaking out When Mayor Big Bill Thompson declared that Chicago public schools teach America First American Indian leaders publicly challenged him to include the true story of First Americans As they struggled to reshape nostalgic perceptions of American Indians these men and women developed new associations and organizations to help each other and to ultimately create a new place to call home in a modern American city
