The Event Of The QuRran Islam In Its Scripture

Kenneth Cragg

The Event Of The Qur'an Islam In Its Scripture:

The Event of the Quran Kenneth Cragg, 1994-09 Renowned author Kenneth Cragg examines the questions What happens in the Qur'an in this uniquely comprehensive scholarly and historical study Modern Muslim Intellectuals and the Qur'an Suha Taji-Farouki, Institute of Ismaili Studies, 2006-01-26 This volume examines the writings of ten Muslim intellectuals working in the Muslim world and the West who employ contemporary critical methods to understand the Qur'an. Their work points to a new trend in Muslim interpretation characterised by a direct engagement with the Word of God while embracing intellectual modernity in a global context. The volume situates and evaluates their work and responses to it among Muslim and non-Muslim audiences.

The Event of the Qu'rān Kenneth Cragg, 1971-01-01 *The Event of the Qur'an* Kenneth Cragg, 1994

The Qur'an Oliver Leaman, 2006-05-02 A RUSA 2007 Outstanding Reference Title The Qur'an is the source of inspiration for one of the world's major religions followed today by over a billion people. It plays a central role in Islam and ever since it appeared fourteen hundred years ago has been the subject of intense debate. Some of this has been carried out by Muslims and some by those hostile or indifferent to Islam producing a very wide range of views. Authored by forty-three international experts, the objective of *The Qur'an: An Encyclopedia* is to present this diversity of thought approach and school without priority in order to give a strong appreciation of the range of response that the text has provoked throughout its history and providing students and researchers with a powerful one-volume resource covering all aspects of the text and its reception. Islam and the Qur'an are much in the news today and there is a public debate going on in which things are said about the Qur'an without much knowledge or understanding of the book. Every effort has been made to help the reader use the Encyclopedia as an investigative tool in Quranic studies. The volume assumes no previous knowledge of the Qur'an, Islam or Arabic. Technical terms are explained in the text itself and the style of each entry is designed to be as self-contained as possible. Entries are cross-referenced and many include a brief bibliography. At the end of the work there is a substantial annotated bibliography providing a detailed guide to the most significant books, journals and articles in Quranic Studies. There is a full index. The readership will include those seeking basic information on the Qur'an; however, the substantial number of longer entries means that it will also be used by specialists.

Qur'an Nicolai Sinai, 2018-09-30

Overturms orthodox thinking about morality in Shakespeare's plays by updating our understanding of the human mind.

Believing Women in Islam Asma Barlas, 2019-01-16 Does Islam call for the oppression of women? Non-Muslims point to the subjugation of women that occurs in many Muslim countries, especially those that claim to be Islamic, while many Muslims read the Qur'an in ways that seem to justify sexual oppression, inequality and patriarchy. Taking a wholly different view, Asma Barlas develops a believer's reading of the Qur'an that demonstrates the radically egalitarian and antipatriarchal nature of its teachings. Beginning with a historical analysis of religious authority and knowledge, Barlas shows how Muslims came to read inequality and patriarchy into the Qur'an to justify existing religious and social structures and demonstrates that the

patriarchal meanings ascribed to the Qur'an are a function of who has read it how and in what contexts. She goes on to reread the Qur'an's position on a variety of issues in order to argue that its teachings do not support patriarchy. To the contrary, Barlas convincingly asserts that the Qur'an affirms the complete equality of the sexes, thereby offering an opportunity to theorize radical sexual equality from within the framework of its teachings. This new view takes readers into the heart of Islamic teachings on women, gender, and patriarchy, allowing them to understand Islam through its most sacred scripture rather than through Muslim cultural practices or Western media stereotypes. For this revised edition of *Believing Women in Islam*, Asma Barlas has written two new chapters: Abraham's Sacrifice in the Qur'an and Secular Feminism and the Qur'an, as well as a new preface, an extended discussion of the Qur'an's wife-beating verse and of men's presumed role as women's guardians, and other updates throughout the book.

Sufism and the Scriptures Fitzroy Morrissey, 2020-12-10 The Sufi thinker Abd al Karim al Jili d. 1408 is best known for his treatment of the idea of the Perfect Human, yet his masterpiece *al Insan al kamil* The Perfect Human is in fact a wide-ranging compendium of Sufi metaphysical thought in the Ibn Arabian tradition. One of the major topics treated in that work is sacred history, the story of God's revelation of the truth to humanity through His prophets and scriptures. Fitzroy Morrissey provides here the first in-depth study of this important section of al Jili's major work and the key ideas contained within it. Through a translation and analysis of the key passages on the Qur'an, Torah, Psalms, and Gospel, it shows how al Jili's view of sacred history is conditioned by his Ibn Arabian Sufi metaphysics, whereby the phenomenal world is viewed as a manifestation of God, and the prophets and scriptures as special places where the divine attributes appear more completely. It also looks at how this idea influences al Jili's understanding of the hierarchy of prophets, scriptures, and religions. The book argues that, contrary to common assumptions, al Jili's Sufi metaphysical view of sacred history is in keeping with the common medieval Muslim view of sacred history, whereby the Qur'an is viewed as the best of scriptures, Muhammad as the best of prophets, and Islam as the best religion. The book therefore not only gives an insight into a key text within medieval Sufi thought but also has ramifications for our understanding of medieval Sufi views on the relationship between Islam and other religions.

The Qur'an Massimo Campanini, 2016-06-17 This second edition of a popular introduction to the Qur'an includes an essential updated reference guide, including a chronology of the revelation, links to internet resources, and suggestions for further reading. Exploring the Qur'an's reception through history, its key teachings, and its place in contemporary thought and belief, this volume analyzes the Qur'an as the word of God, its reception and communication by the Prophet Muhammad, the structure and language of the text, conceptions of God, the holy law, and jihad, and Islamic commentaries on Qur'anic teachings through the ages. *The Qur'an: The Basics* Second Edition is a concise and accessible introduction.

Power: Divine and Human Lucinda Mosher, David Marshall, 2020-01-01 This volume of the Building Bridges Seminar, *Power: Divine and Human*, Christian and Muslim Perspectives, comprises pairs of essays by Christians and Muslims which introduce texts for dialogical study, plus the actual text excerpts themselves. This new book

goes far beyond mere reporting on a dialogical seminar rather it provides guidance and materials for constructing a similar dialogical experience on a particular topic As a resource for comparative theology Power Divine and Human is unique in that it takes up a topic not usually explored in depth in Christian Muslim conversations It is written by scholars for scholars However in tone and structure it is suitable for the non specialist as well Students undergraduate and graduate religious leaders and motivated non specialists will find it readable and useful While it falls solidly in the domain of comparative theology it can also be used in courses on dialogical reading of scripture interreligious relations and political philosophy

This is likewise one of the factors by obtaining the soft documents of this **The Event Of The QuRran Islam In Its Scripture** by online.
