The Exceptional Child A Primer:

The Exceptional Child Lita Linzer Schwartz,1979 *The Exceptional Child* Maximilian Paul Eugen Groszmann,1917
Building Blocks for Working With Exceptional Children and Youth Nancy Hunt,Kathleen Marshall,Paul C. Burns,1999-06-01 *Exceptional Child Education Abstracts* ,1976 Curriculum Development for Students with Mild Disabilities Carroll J. Jones,2010 Many teachers of students with mild disabilities experience difficulty writing IEPs and they lack a foundation in the regular education curriculum of academic skills and sequences associated with each grade level This book was designed to provide this foundation Presented in the form of scope and sequence charts that can be used as objectives for the State Frameworks goals and benchmarks this resource assists in preparing IEPs including the new process of identification of children with disabilities through their responses to intervention RTI An additional focus is on the impact of federal laws IDEA and NCLB on the curriculum and assessment in schools today The book has been reorganized into ten chapters including historical perspectives early childhood special education curricula oral expression curricula reading and listening curricula written expression curricula mathematics curricula educational technology curricula K 12 social and self competence curricula science curricula and evaluation reports case studies Appendix The scope and sequence charts were modified to include current national education standards and benchmarks and the skills in each of the academic areas that require annual state assessment These charts will assist teachers in modifying the general education curriculum for students with mild disabilities and to write complete Individual Education Programs using age appropriate and developmentally appropriate teaching and assessment materials Chapter summaries included for review purposes also serve as selective and motivational reading With special education teachers in short supply and the demands on their time so great this book will provide a valuable resource for cutting the clutter and moving to the heart of the teaching process determining what skills students need to move effectively to the next level **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1982 **Exceptional Child Education Resources** ,1995 *Current Catalog* National Library of Medicine (U.S.),1982 First multi year cumulation covers six years 1965 70 **Exceptional Children** ,1984 Including Families of Children with Special Needs Carrie Scott Banks,Sandra Feinberg,Barbara A. Jordan,Kathleen Deerr,Michelle Langa,2014 More than 6 5 million children in the US receive special education services in any given community approximately one child out of every six will get speech therapy go to counseling attend classes exclusively with other children with disabilities or receive some other service that allows him or her to learn This new revised edition is a step by step guide to serving children and youth with disabilities as well as the family members caregivers and other people involved in their lives The authors show how staff can enable full use of the library s resources by integrating the methods of educators medical and psychological therapists social workers librarians parents and other caregivers Widening the scope to address the needs of teens as well as preschool and school age children this edition also discusses the needs of Spanish speaking children with

disabilities and their families looking at cultural competency as well as Spanish language resources Enhanced with checklists stories based on real experiences descriptions of model programs and resources and an overview of appropriate internet sites and services this how to gives thorough consideration to Partnering and collaborating with parents and other professionals Developing special collections and resources Assessing competencies and skills Principles underlying family centered services and resource based practices The interrelationship of early intervention special education and library service This manual will prove valuable not only to children s services librarians outreach librarians and library administrators but also early intervention and family support professionals early childhood and special educators childcare workers daycare and after school program providers and policymakers
