The Faith We Sing Singers Faith We Sing:

The Faith We Sing Sylvester Paul Schilling, 1983 **The Faith We Sing Simplified Edition** , 2001-03 In recent years new music and worship styles have enriched the worship experience from contemporary worship and praise music to world music New hymn offers modern images and refreshing tunes that tell the old old story Now churches can continue to sing the hymns they treasure and add newer music to their worship life All editions come with Cross Flame emblem on the cover except for the Cross Only version of the Pew Edition **The Worship Architect** Constance M. Cherry, 2021-08-17 Worship professor and practitioner Constance Cherry shows how to create services that are faithful to Scripture historically conscious relevant to God Christ centered and engaging for worshipers of all ages in the twenty first century More than 150 colleges and seminaries have used or currently use the first edition as a required text In this new edition each chapter has been substantially updated and revised including illustrations key terms examples technological references and suggested resources for further reading A new chapter on global worship and a new appendix on live streamed worship are included **Singing the Faith** Georg Retzlaff, 2012-02-29 Sunday gospel readings are normally enforced by hymns selected by the organist according to suggestions made by a choirmaster s handbook Often the choice is rather limited both in number and intellectual or theological content Preaching the gospel can be seriously undermined by a gospel hymn which reflects thinking not exactly suited to the 21st century or for that matter the first century Too much dogmatic baggage is packed into hymns which pretend to explain and express the official version Preachers who wish to look at different angles find themselves at odds with some hymns finding it even necessary to contradict their slant from the pulpit This book attempts to put Jesus and His gospel into song providing an alternative more modern more traditional more to the core of the actual message of Jesus **Performing the Gospel** Deborah Sokolove, 2019-03-12 What is the difference between good worship and good entertainment Too often people disparage some aspect of worship by calling it just entertainment or just a performance Others say that they do not need to go to church because they have profound spiritual or even religious experiences at concerts plays movies or dances How is worship different from these performing arts How is art different from entertainment This book looks at the history of the performing arts both in worship and as worship with particular attention to the attitudes that shape our ideas about both worship and entertainment Working definitions of words like art excellence liturgy and play help to illuminate what different people mean when they use them in conversations about Christian worship Putting theological scriptural and practical writings on worship and the performing arts in conversation with interviews with dancers musicians actors preachers and liturgical scholars this volume is intended to help pastors performers and everyone who plans leads or cares about worship talk with one another in mutually respectful and helpful ways **Joy and Tears SAMPLER** Gerald W Peterman, 2012-11-20 Enjoy these SAMPLE pages from Joys and Tears This book presents a biblical and practical look at the emotions of Christians building on the

concept that most contemporary Christians have misconceptions about why we have emotions and how we should handle them Trusting God doesn't mean being consistently tranquil or subdued Truth is such a view makes life flat and two dimensional We often forget that emotions are a gift to fear them or stow them away would be to deny a huge part of what makes us human This book explores the significance of the gift and the benefits of living a robust life of thought action and feeling Illuminating the emotional life of Christ and his followers Dr Gerald Peterman asks If I'm forgiven why do I feel guilt and shame What about anger What if I'm angry with God What is the place of sadness in the Christian life Is love only an action Emotions don't just happen to us like the virus or the flu they are inherently part of us Readers will find that the discussion extends beyond good and bad as many emotions are neutral and it is up to them to figure out how to glorify God with them Extended chapters on love and anger are included **Prepare!** David L.
