The Ethical Assassin:

The Ethical Assassin David Liss, 2006-02-28 Edgar award winning author of the popular historical novels *A Conspiracy of Paper* and *A Spectacle of Corruption* David Liss showcases his amazing versatility with this brilliant new tale of contemporary suspense a literary thriller set in Florida where killing is a matter of conscience No one is more surprised than Lem Altick when it turns out he is actually good at peddling encyclopedias door to door He hates the predatory world of sales but he needs the money to pay for college Then things go horribly wrong In a sweltering trailer in rural Florida a couple whom Lem has spent hours pitching is shot dead before his eyes and the unassuming young man is suddenly pulled into the dark world of conspiracy and murder Not just murder assassination or so claims the killer the mysterious and strangely charismatic Melford Kean who has struck without remorse and with remarkable good cheer But the self styled ethical assassin hadn't planned on a witness and so he makes Lem a deal Stay quiet and there will be no problems Go to the police and take the fall Before Lem can decide he is drawn against his will into the realm of the assassin a post Marxist intellectual with whom he forms an unlikely and perhaps unwise friendship The ethical assassin could be a charming sociopath eco activist or vigilante for social justice To unravel the mystery and save himself Lem must descend deep into a bizarre world he never knew existed where a group of desperate and genuinely deranged schemers have hatched a plan that will very likely keep Lem from leaving town alive David Liss skillfully interweaves a gallery of eccentric characters with a multilayered plot characterized by its unpredictable twists and turns *The Ethical Assassin* is a brilliant darkly comic novel that will leave readers in suspense until the very last page

The Ethical Assassin's Progress William Ferraiolo,2025-07-10 This is the second installment in The Ethical Assassin trilogy Our nameless vigilante continues killing men who in his words need killing and he keeps a journal detailing his methods his victims their transgressions and the consequences of his actions The Assassin Peng Hsiao-yen,2019-10-23 The Assassin tells the story of a swordswoman who refrains from killing Hou Hsiao hsien astonishes his audience once again by upsetting almost every convention of the wuxia martial arts genre in the film This collection offers eleven readings each as original and thought provoking as the film itself beginning with one given by the director himself Contributors analyze the elliptical way of storytelling Hou s adaptation of the source text a tale from the Tang dynasty also included in this volume the film s appropriation of traditional Chinese visual aesthetics as well as the concept of xia knight errant that is embedded in Confucian Daoist and Buddhist worldviews There are also discussions of the much celebrated sonic design of The Assassin the nearly exclusive use of a diegetic film score is a statement on the director s belief in cinematic reality Underlying all the chapters is a focus on how Hou reinvents Tang dynasty China in contemporary culture The meticulously recreated everyday reality of the Tang world in the film highlights the ethnic and cultural diversity of the dynasty It was a time when Sogdian traders acted as important intermediaries between Central Asia and the Tang court and as a result Sogdian culture permeated the society Taking note of the vibrant hybridity of Tang culture in the film this volume shows that the historical openness to non Chinese elements is in fact an essential part of the Chineseness expressed in Hou s work The Assassin is a gateway to the remote Tang dynasty world but in Hou s hands the concerns of that premodern world turn out to be highly relevant to the world of the audience This book promises to be a useful companion to the film The Assassin Contributors to this collection have convincingly and compellingly elucidated some of the film s most difficult features The result is a rich and wide ranging analysis of one of the most beautiful films of our time Sung Sheng Yvonne Chang The University of Texas at Austin This collection of essays unfolds the many layers of The Assassin by speaking to its aesthetic achievements reinvention
