Sir Gawain And The Loathly Damsel:

Sir Gawain and the Loathly Damsel, 1972 In order to obtain the answer to a riddle that will save King Arthur's life Sir Gawain must marry the ugliest maiden in the world Distressing Damsels Lauren Chochinov, 2010 At the end of Sir Gawain and the Green Knight when Bertilak de Hautdesert reveals Morgan le Fay's involvement in Gawain's quest the Pearl Poet introduces a difficult problem for scholars and students of the text Morgan appears out of nowhere and it is difficult to understand the poet's intentions for including her so late in his narrative The premise for this thesis is that the loathly lady motif helps explain Morgan's appearance and Gawain's symbolic importance in the poem Through a study of the loathly lady motif I argue it is possible that the Pearl Poet was using certain aspects of the motif to inform his story Chapter one of this thesis will focus on the origins of the loathly lady motif and the literary origins of Morgan le Fay In order to understand the connotations of the loathly lady stories it is important to study both the Irish tales and the later English versions of the motif My study of Morgan will trace her beginnings as a pagan healer goddess to her later variations in French and Middle English literature The second chapter will discuss the influential women in Sir Gawain and the Green Knight and their specific importance to the text It will examine Queen Guinevere Bertilak's lady and Morgan le Fay This chapter will also analyze three contemporary Middle English texts John Gower's *The Tale of Florent* Geoffrey Chaucer's *The Wife of Bath's Tale* and *The Wedding of Syr Gawen to Dame Ragnell* The loathly lady motif was popular at the end of the fourteenth century which lends evidence to the argument that the Pearl Poet was familiar with the motif Finally the third chapter will provide an exploration of Gawain's role as the loathly lady's knight and the symbolism of Gawain's shield and green girdle the setting of Hautdesert and the Green Chapel and the Pearl Poet's emphasis on family relations Ultimately I argue that Sir Gawain and the Green Knight is an untraditional loathly lady story that uses the motif's themes and symbolism to emphasize the poem's feminine landscape and the importance of Morgan le Fay **The Splendor of the Goddess** Alex MacLeod, 2004 This book describes an encounter of the author with the Goddess The author also tells of some of the events that preceded and followed it In particular he tells of his changed perception of the world He could see then and sometimes can still see the divinity of women They are divine because they are like the Goddess He knows with a intuitive certainty that the Goddess is about to make her advent once again and that when that happens the establishment of a universal matriarchy will be the inevitable result This book is about a goddess of sublime beauty and power and not about the God of our fathers It is about the Goddess the human race first knew the Great Goddess who was worshipped so ardently and for so long by our forebears Now at long last is returning to walk among her children again The signs of her coming are manifold clear as the sun to see for all whose eyes have been opened Our ancestors knew Her intimately She was loved and adored by countless millions of people whole nations worshipped Her vast empires trembled in fear and joy at the slightest manifestation of Her unspeakable potency and magnificence Yet few in these darker ages know anything about Her She is thought to have vanished forever leaving nothing

of Her former cult behind save a few references scattered in ancient authors a few statues hidden in museums mere skeletal remains of her former living glory Though what I have to report is immemorially ancient it seems as new to me as it will to many others in this age as if it had been newly born Old does not mean decrepit and what is truly perennial or immortal cannot wither or fade with time Ancient and eternal but forever young and fair the Goddess lives and will never die In all the book possesses great possibilities It s unique and possibly the first to recount a personal experience with the Goddess by a man throughout an entire book The Goddess experience has been alluded to previously by men but not in a whole book and not with the slant provided by Alex MacLeod Rita Robinson Exploring Native American Wisdom New Page Books

Retelling Stories, Framing Culture John Stephens,Robyn McCallum,2013-01-11 What happens to traditional stories
 when they are retold in another time and cultural context and for a different audience This first of its kind study discusses
 Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories

derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings

Eccentric Propositions Jane Miller, 2018-10-03 Originally published in 1984 This book charts important changes brought about by teachers in the way literature is read and written about in schools Rooted in experiences of inner city schools it is extremely practical and especially valuable for the multi ethnic classroom The writers all of whom are experienced teachers of English believe however that all schools need to respond to the cultural racial and linguistic diversity of British society whether their own populations are homogeneous or mixed By concentrating on real classrooms real lessons and real children the book shows how particular ideas can be put into practice It approaches theories of reading and of literature through specific examples of lively and successful practice and argues the case for the centrality of literature and literacy to the curriculum The book includes lists of resources books to read with children and books for teachers to read for themselves to deepen their understanding of the ideas and their confidence in adapting them for their own classrooms Throughout the book continuities are emphasized between life and literature between reading and writing and between learning to read becoming better at it and studying literature

Fallible Authors Alastair Minnis, 2013-02-12 Can an outrageously immoral man or a scandalous woman teach morality or lead people to virtue Does personal fallibility devalue one's words and deeds Is it possible to separate the private from the public to segregate individual failing from official function Chaucer addressed these perennial issues through two problematic authority figures the Pardoner and the Wife of Bath The Pardoner dares to assume official roles to which he has no legal claim and for which he is quite unsuited We are faced with the shocking consequences of the belief standard for the time that immorality is not necessarily a bar to effective ministry Even more subversively the Wife of Bath who represents one of the most despised stereotypes in medieval literature the sexually rapacious widow dispenses wisdom of the highest order This innovative book places these fallible authors within the full intellectual context that gave them meaning Alastair Minnis magisterially examines the impact of Aristotelian thought on preaching theory the controversial practice of granting indulgences religious and medical categorizations of deviant bodies theological attempts to rationalize sex within marriage Wycliffite doctrine that made authority dependent on individual grace and raised the specter of Donatism and heretical speculation concerning the possibility of female teachers

Chaucer's Pardoner and Wife of Bath are revealed as interconnected aspects of a single radical experiment wherein the relationship between objective authority and subjective fallibility is confronted as never before The Persona Book
Katherine Grimes Lallier, Nancy Robinson Marino, 1997-05-15 Immerse your students in history by having them participate in events as a literary or historical figure After describing the concept behind persona based enrichment the authors describe how to use it with the curriculum and include five complete literature based enrichment units with performance recommendations a list of personas and a variety of library classroom activities and projects Grades 4-7 **The Celtic Breeze** Heather McNeil, 2001-10-15 Delve into a world of kelpies mermaids selkies ghosts warlords and fairies This collection gives you Celtic tales previously unrecorded or only found in obscure compilations Mostly collected by the author on her ancestral home of the Isle of Barra in the Hebrides these lesser known tales from Scotland Ireland and Wales are supported by a brief history of the Celts a glossary of the Gaelic integrated in the stories an appendix of superstitions about fairy protection and bibliographies that reflect the author's extensive research Seventeen ballads collected almost one hundred years ago and excerpts from the author's journal of travels in Scotland make this book a unique and valuable resource for anyone who tells stories **Publications** Folklore Society (Great Britain), 1892
