A Philosophy of Material Culture Beth Preston, 2013 This book focuses on material culture as a subject of philosophical inquiry and promotes the philosophical study of material culture by articulating some of the central and difficult issues raised by this topic and providing innovative solutions to them most notably an account of improvised action and a non intentionalist account of function in material culture Preston argues that material culture essentially involves activities of production and use she therefore adopts an action theoretic foundation for a philosophy of material culture Part 1 illustrates this foundation through a critique revision and extension of existing philosophical theories of action Part 2 investigates a salient feature of material culture itself its functionality A basic account of function in material culture is constructed by revising and extending existing theories of biological function to fit the cultural case Here the adjustments are for the most part necessitated by special features of function in material culture These two parts of the project are held together by a trio of overarching themes the relationship between individual and society the problem of centralized control and creativity

How to Play Sitar Mamta Chaturvedi,2007 **Cave Lupus** Christian Martin,2012-03-16 Thousands of years before this story begins in a world rife with war savagery and power a prophesy was made one amongst many of that time Then it was forgotten but prophesies

have a tendency to be forgotten do they not Yet prophesies have a better chance of being realised when forgotten than when the two legs try to favour it or to mingle with its natural development This scroll tells the story of how our family became involved with its onset development and conclusion This is my saga I almost started this scroll with the classical once upon a time but this story is on going and you too will be part of it writing your own saga in time Sons Daughters learn that the past may guide but must never stifle your thinking Nothing we hold dear is permanent and this is right for permanence equals stability leading to disappearance Let us begin our trip Uncle Silver Wolf Nearly eight thousand years after the Nuclear Cataclysm threw back civilization to the cave age society is fighting its way up the ladder again The political structure matches the Middle Age with Kingdoms Trade Orders Roads of Initiation and Symbols of Mastery There exists one huge historical difference Each six year old Child is taken from home by the Diviners travels for a year to get hands on work experience before being incorporated into an Order for life Another issue is the effects of the Cataclysm on life numerous mutant life forms have emerged while huge swaths of the world have become inhospitable Thus begins the story of Harold Companion Ironsmith and how he discovers his unexpected heritage *Alouette's Song, Second Edition* ANDREW JONATHAN FINE,2015-02-14 Whoever saves a life saves a world ancient Jewish maxim *Alouette s Song* is a New Adult romantic action adventure featuring two couples one heroic and one support each having a college aged teen plus a teen accelerated into college or beyond Themes from government conspiracy thrillers inspirational fiction and coming of age are presented through a dramatic storytelling style infused with frequent humor and irony There are even a few small paranormal elements a sworn protector of humanity hiding behind someone else s eyes a 6000 year old guardian spirit keeping safe a treasure that if used selflessly could save a people and an inherited gift infused with generation after generation of sacred use from a Jewish village in Eastern Europe Meet Dotty and Rick Dotty is a professional violinist with a GED Rick is a college sophomore having graduated high school early to pursue interests that steer him away from an abusive home While not a typical love at first sight scenario they do get thrown together in a spectacular manner Dotty gets mugged in a subway and falls onto the tracks of a train due to arrive in a minute getting injured in the fall Rick is considering suicide by the very same train but the moment he decides to do so he hears Dotty s screams He places Dotty s need to live above his own need to die Their collision turns into a kiss that lights up the universe for both of them Martin and Margie have been friends from childhood Margie has autism but is brilliant enough to hide her condition at the price of extreme loneliness Martin is the only one who accepts her for exactly who and what she is Margie won t reveal her hopeless love for him because of this as she knows he s gay But Margie stumbles onto an answer for them both having to do with the power of Time Martin takes Margie s discovery and along with his engineering talent utilizes both to build a spacecraft Soon both couples are together and in way over their heads within the sea of stars only ingenuity compassion valor and prayer can get them safely home **Nimita's Place** Akshita Nanda,2019-01-30 It is 1944 in India and Nimita Khosla yearns to attend

Under the shadow of the turbulent 1960s this is my story of a journey through village India as an American Peace Corp Volunteer I graduated college in 1966 with no idea of what I wanted to do in life I asked the Peace Corps to send me to a place that was more different than anything I had ever known I got what I asked for India unfolded into a kaleidoscope of fascinating people and unforgettable scenes in a culture that never failed to amaze me The sights smells and sounds of village India offer the backdrop of what happened some stories quite incredible but all true After two years I was infused with the spiritual and mystical quality that was and still is India something that is almost beyond explaining It cannot be found by touring India or even visiting an ashram but only by living there learning the local language and being with Indians in their homes and work Forty four years after leaving the Peace Corps I returned to village India Surprisingly very little had changed All of the profits from the sale of this book will be donated to the Vishwa Bharati non profit village school in Anavatti India and to the School of Social Work at the University of North Carolina Wilmington to support students and faculty in visiting India **A Group of One** Rachna Gilmore, 2025-09-23
