Sitting In The Club Car:

Gentlemen, It's Been My Pleasure Senator William Borst, Lawrence Borst, 2003 Senator Lawrence Borst tells the story of political character and characters from the 1960s until today His recollections also include the inside story on some of the most controversial measures that passed into Indiana law including direct primary casino gambling all day kindergarten tobacco settlement and license branch reform This wry and humorous memoir reveals the hard work and devotion of political representatives striving to make a change for the better

Inside the Wright Brothers John Passfield, 2006-11 This novel *Inside the Wright Brothers Flight is Possible* presents the Wright Brothers as idealists who build a dream out of the nuts and bolts of their everyday reality There is a hard core of steel in the Wrights that however compassionate polite accommodating and modest they appear to be to other people is the straight arrow that allows them to see their life's work clearly to make every decision and action move towards the achievement of their goal and to seldom make false judgments or false gestures that would cause them to deviate from their true course The assurance that guides the brothers is that quality in creative people that allows them to work towards their life's goal no matter who or what encourages or discourages them advances them or retards them promotes them or disparages them Familiarity with the Wright Brothers story has made the invention of the world's first airplane seem to have a fairy tale ambiance which is divorced from the sweat and anxiety of everyday life This assumption of an effortless invention process is actually a hold over from the initial response to their accomplishment by the people of the Wright Brothers own time While suitably impressed with the achievement of the Wright Brothers the people of the early 20th Century remained unaware of the complex process that the Wright Brothers had actually gone through in order to produce such amazing results The lack of appreciation of the complexity of the invention process is a result of the pronouncements of aviation experts of the time who failed to appreciate the magnitude of the Wright accomplishment for two reasons an inability to imagine the number and complexity of the challenges that the Wrights had found solutions to and a desire to limit the Wright's legal hold over their inventions in light of what promised to be a great financial future for the new innovation In effect while the public of the early 20th Century marveled at the invention of the airplane and gave full credit to the Wright Brothers many aviation experts assumed that the Wright Brothers contribution to the invention process had involved nothing more complicated than a little tinkering with the ideas of those who were better qualified by education and by academic eminence to invent the airplane True appreciation of the wonder of the Wright Brothers contribution to the invention of controlled human piloted powered flight has been reserved for the detailed historical and aeronautical researches and studies of our own time It is here a century after the Wright Brothers accomplishment that the mythical story of small town bicycle mechanics astonishing the world with a feat as impressive as the boy Arthur pulling the sword from the stone and the modern story of painstaking scientific research and development of problem theory experiment and solution come together The novel explores the tenacity which allows the Wright Brothers to cling with an eagle's talons to the single

Emergency Board No. 116,1957 **State of Mine** M.A. Farrell, **No God in Durango** Jackson Cain,2025-08-26 Outlaw Torn Slater is no stranger to having a price on his head Or being the target of a bloodthirsty vendetta Or finding himself up to his neck in a whole mess of trouble One thing s for certain no matter how ornery of a scrape he might get himself into Slater has a knack for shooting his way out of it But when he rides into the mining town of Durango Colorado Slater is in for one hell of a dust up In the smoky haze of the town s finest bordello he quickly gets wind of a plot to take over one of the world s richest gold mines It s the greedy brainchild of an international cartel made up of some of the world s most powerful men the brutal dictator of Mexico the chancellor of Germany a former Confederate general a legendary bank robber and a brilliant philosopher to mention just a few But once Slater understands what s really up for grabs he decides to take matters into his own hands with some help from a few of his most dangerous friends some of the deadliest gunslingers the Wild West has ever known including Wyatt Earp Doc Holiday Bat Masterson and Belle Starr It s a showdown for the ages that acclaimed author Jackson Cain pulls off with masterful plot twists and wild bursts of relentless action **The Flakes of Winter** Stan Fischler,Stanley I. Fischler,1992 **Left Door, Right Door?** Jess C.,2021-09-28 Sophie 45 an artist recently divorced and persuaded by her son Tom to socialize again found herself sitting in the carpark of the Maple Leaf Club Couples walked past swinging dance shoes and laughing A man dressed in black carrying a guitar followed them He gave Sophie a sideward glance as he strode into the club **And Then The Town Took Off** Richard Wilson,2018-11-12 The town of Superior Ohio certainly was living up to its name In what was undoubtedly the most spectacular feat of the century it simply picked itself up one night and rose two full miles above Earth Radio messages stated simply that Superior had seceded from Earth But Don Cort stranded on that rising town was beginning to suspect that nothing was simple about Superior except its citizens Calmly they accepted their rise in the world as being due to one of their local townspeople a crackpot professor But after a couple of weeks of floating around it began to be obvious that the professor had no idea how to get them down So then it was up to Cort either find a way to anchor Superior or spend the rest of his days on the smallest and the nuttiest planet in the galaxy

When Baseball Was Still King Gene Fehler,2014-01-10 Baseball in the 1950s comes to life through the words of 92 players from the fifties In their conversations with author Gene Fehler they tell in more than a thousand stories and comments of memorable moments their dealings with umpires and managers injuries and trades that affected their careers regrets and joys that still remain with them so many years later Players spoken to include Hall of Famers All Stars journeymen and a few who were in the big leagues for the proverbial cup of coffee Regardless of stature they all have wonderful stories to tell about big league life in the 1950s high and low and moments with other players **Osiris Reborn** William Drake,2002-03-27 This is a story of a young scholar born in Wales who takes a ride on a train from Paris headed for

the Balkans to study under his mentor Professor Aristophanes a professor of paranormal psychology in Cairo Given an assignment of reading the professor s seminal work Paranormal Psychology Being a Treatise on Evolution of the Arcane and Mystical Rites of Kalliste Thera Santorin Society of the Ancients and The Egyptian Book of the Dead Nathan becomes mesmerized and has a difficult time accommodating the vagaries of a train trip and the intellectual and emotional stimulation of the books and some of the people on the train Time and space become meaningless or of extraordinary importance depending on the state of his thought

The Twisting Path of Life M. T. Hill, 2012-04-04 Living is an ongoing learning experience but not all lessons are learned in time Some people and animals just dont learn it seems One never knows where lifes path leads and that may be the greatest challenge of being alive Within M T Hill shares a few of these life adventures both great and small and how we are all products of lifetime decisions made on the fly In Tippys Tale a young dogs adventures on the other side of the fence culminate with a ride in an animal control van to the Pound of No Return But for this spirited runaway what seems like the end may very well be a bright new beginning Its every brides worst nightmare but as one nervous young woman learns in Nuptial Thoughts not everything is as it seems Shes been left not at the altar but at the rehearsal dinner Can a brides heart learn to love again after its been broken For both humans and animals alike life is a series of adventures challenges triumphs and heartbreak Every life is a story and here Hill shares a few of hers Some are inspired by life and others are joyful products of her imagination She explores the dynamic balance behind seemingly small and random decisions and how these moments can change a life forever The many twists and turns of a life may not be as random as they seem and these characters invite you to join them on their journeys
