The Publishers Weekly, 1917 *Man in the Blue Moon* Michael Morris, 2012-08-17 He's a gambler at best A con artist at worst her aunt had said of the handlebar mustached man who snatched Ella Wallace away from her dreams of studying art in France Eighteen years later that man has disappeared leaving Ella alone and struggling to support her three sons While the world is embroiled in World War I Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker When a mysterious man arrives at Ella's door in an unconventional way he convinces her he can help her avoid foreclosure and a tenuous trust begins But as the fight for Ella's land intensifies it becomes evident that things are not as they appear Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella's family *The Miracles of Antichrist: A Novel* Selma Lagerlöf, 2020-09-28 It was at the time when Augustus was emperor in Rome and Herod was king in Jerusalem It happened once upon a time that a very great and holy night sank down over the earth It was the darkest night ever seen by man it seemed as if the whole earth had passed under a vault It was impossible to distinguish water from land or to find the way on the most familiar paths And it could not be otherwise for not a ray of light came from the sky All the stars stayed in their houses and the fair moon kept her face turned away And just as intense as the darkness was the silence and the calm The rivers stood still in their course the wind did not stir and even the leaves of the aspen ceased to tremble Any one walking by the sea would have found that the waves no longer broke on the shore and the sand of the desert did not crunch under the wanderer's foot Everything was as if turned to stone and without motion in order not to disturb the holy night The grass did not dare to grow the dew could not

fall and the flowers feared to exhale their perfume During that night the beasts of prey did not hunt the serpents did not sting the dogs did not bay And what was even more wonderful none of the inanimate things would have disturbed the holiness of the night by lending themselves to an evil deed No false key could open a lock and no knife could shed blood In Rome on that very night a little group of people came down from the emperor's palace on the Palatine and made their way over the Forum to the Capitol During the day just completed his councillors had asked the emperor if they might not raise a temple to him on Rome's holy mountain But Augustus had not immediately given his consent He did not know if it would be pleasing to the gods for him to possess a temple next to theirs and he had answered that he wished first to discover by a nocturnal sacrifice to his genius what their wishes were Followed by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring

women haven't spoken in years ever since Bett's fiancé deserted her to marry the younger Carrie. Now Lola is turning eighty and she is determined to reunite the girls for a blowout bash. And no one ever says no to Lola. Bett, who fled to London after the scandal of losing her fiancé, is hesitant to face her sisters and her hometown, especially since she has yet to find another man. Sophisticated Anna, the eldest sister, isn't too keen on the prospect either, though she's secretly grateful for any excuse to leave her crumbling marriage behind in Sydney. And Carrie, who remained in Clare Valley, is perhaps the most apprehensive. Her marriage, the nominal cause of the sisters' estrangement, is also on the rocks. Was she wrong to have followed her heart and run off with Bett's fiancé? When Lola shares her special request that the girls stage a musical she has written, their short visit becomes a much longer commitment. As they are forced to spend more time together, the sisters must confront the pain that lingers between them. Preconceptions and misunderstandings are slowly put aside, and the three find themselves gradually irresistibly enveloping one another once again until an unexpected turn of events changes everything in ways none of them could have ever imagined. Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found, *The Alphabet Sisters* is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another. **BONUS** This edition contains excerpts from Monica McInerney's *Lola's Secret*, *At Home with the Templetons*, *The Faraday Girls*, *Family Baggage*, *Greetings from Somewhere Else*, and *Upside Down Inside Out*.
