Mencken, 2000-12-01 Welcome the long overdue re release of Mencken's continual war against conventional thinking

Re-Covering Modernism David Earle, 2016-03-03 In the first half of the twentieth century modernist works appeared not only in obscure little magazines and books published by tiny exclusive presses but also in literary reprint magazines of the 1920s tawdry pulp magazines of the 1930s and lurid paperbacks of the 1940s In his nuanced exploration of the publishing and marketing of modernist works David M Earle questions how and why modernist literature came to be viewed as the exclusive purview of a cultural elite given its availability in such popular forums As he examines sensational and popular manifestations of modernism as well as their reception by critics and readers Earle provides a methodology for reconciling formerly separate or contradictory materialist cultural visual and modernist approaches to avant garde literature Central to Earle's innovative approach is his consideration of the physical aspects of the books and magazines covers dust wrappers illustrations cost which become texts in their own right Richly illustrated and accessibly written Earle's study shows that modernism emerged in a publishing ecosystem that was both richer and more complex than has been previously documented

The Oxford Critical and Cultural History of Modernist Magazines Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism

H.L. Mencken Vincent Fitzpatrick, 2004 Over a career that spanned half of a century Henry Louis Mencken published more than 10 million words More than a million were written about him many of which Mencken liked to remark were highly condemnatory He was called with good reason the most powerful private citizen in America during the 1920s This lively introduction to Mencken's life and work begins with a concise biographical portrait before proceeding to a consideration of the five major periods of the renowned Baltimorean's career his literary apprenticeship the growth of his national reputation his fame and unprecedented popularity during the 1920s when college students would flash the Paris green cover of the *American Mercury* as a badge of sophistication the decline of his reputation during the Depression and his renewed popularity during the 1940s with the publication of his autobiographical trilogy the *Days* books In discussing this varied career Vincent Fitzpatrick touches upon all the roles that Mencken played journalist editor redoubtable critic of literature culture and politics philologist and autobiographer Drawing upon Mencken's extensive correspondence of more than 100 000 letters the book stresses his unflagging belief in the need for free speech up to the limits of common decency Indeed in the end Mencken proved a significant American civil libertarian Iconoclast critic satirist individualist H L Mencken offered unique insights into American life His lifelong celebration of the freedom to dissent marks his most enduring contribution to a nation that gave him such a wealth of material and so much delight

The Short Story Valerie

Shaw,2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story s literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris

A History of American Magazines, Volume V: 1905-1930 Frank Luther Mott,1968-01-02 In 1939 Frank Luther Mott received a Pulitzer Prize for Volumes II and III of his History of American Magazines In 1958 he was awarded the Bancroft Prize for Volume IV He was at work on Volume V of the projected six volume history when he died in October 1964 He had at that time written the sketches of the twenty one magazines that appear in this volume These magazines flourished during the period 1905 1930 but their biographies are continued throughout their entire lifespan in the case of the ten still published to recent years Mott s daughter Mildred Mott Wedel has prepared this volume for publication and provided notes on changes since her father s death No one has attempted to write the general historical chapters the author provided in the earlier volumes but which were not yet written for this last volume A delightful autobiographical essay by the author has been included and there is a detailed cumulative index to the entire set of this monumental work The period 1905 1930 witnessed the most flamboyant and fruitful literary activity that had yet occurred in America In his sketches Mott traces the editorial partnership of H L Mencken and George Jean Nathan first on The Smart Set and then in the pages of The American Mercury He treats The New Republic the liberal magazine founded in 1914 by Herbert Croly and Willard Straight the conservative Freeman and Better Homes and Gardens the first magazine to achieve a circulation of one million without the aid of fiction or fashions Other giants of magazine history are here we see serious shaggy solid pragmatic self contained Henry Luce propel a national magazine called Time toward its remarkable prosperity In addition to those already mentioned the reader will find accounts of The Midland The South Atlantic Quarterly The Little Review Poetry The Fugitive Everybody s Appleton s Booklovers Magazine Current History Editor Publisher The Golden Book Magazine Good Housekeeping Hampton s Broadway Magazine House Beautiful Success and The Yale Review

Encyclopedia of American Literature Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S

F. Scott Fitzgerald in the Marketplace Matthew Joseph Bruccoli,Judith Baughman,2009 This is an illustrated compendium charting the rise in Fitzgerald appreciation among his readers and collectors As a student in the 1950s Matthew J Bruccoli began collecting books by F Scott Fitzgerald a practice that culminated in the development of the Matthew J and Arlyn Bruccoli Collection of F Scott Fitzgerald at the University of South Carolina an unrivaled research archive of materials by and relating to the now celebrated author In F Scott Fitzgerald in the Marketplace Bruccoli chronicles Fitzgerald s posthumous rise in

literary reputation and the corresponding rise in collectibility of all things Fitzgerald as evidenced by listings from auction house and antiquarian bookseller catalogues Of keen interest to bibliophiles and scholars of American literature this volume serves as a thoughtful examination of the revival of interest in Fitzgerald s life and work over the past seven decades Brucoli approaches the Fitzgerald legacy as a scholar and a bookman charting the mutually reinforcing relationship between the growth of academic interest in the writer following World War II and the onset of serious Fitzgerald collecting With new scholarship and new audiences of academic and general readers came renewed efforts to acquire primary source materials as research documents and as collectible artifacts Galleys manuscripts correspondence business documents screenplays inscribed copies dust jacket variants and multiple editions of every work began to emerge for sale and with escalating prices First edition copies of Fitzgerald novels now sell for significantly more than he earned for writing them In his account of the development and sale of Fitzgerald materials Brucoli offers a chronology of dates and dollars proving his statement in the introduction that literature runs on money The 350 images included here from auction and dealer catalogues illustrate sought after individual items and distinguished collections the catalogue entries also document the increasing prices of Fitzgerald materials in the collector marketplace As many of the items described can no longer be located these listings serve as a historical record of once circulating Fitzgerald items In addition to the insights offered on the history of Fitzgerald collecting and by extension on book collecting in general this volume grants readers a vivid portrait of Brucoli Fitzgerald s staunchest literary advocate his most devoted collector and a man for whom writers matter more than anyone else because books and literature matter more than anything else *The Smart Set* Carl R. Dolmetsch,1966 Kenneth Burke in Greenwich Village Jack Selzer,1996-12-01 Capturing the lively modernist milieu of Kenneth Burke s early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean Toomer Katherine Anne Porter William Carlos Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America s most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke s formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz s 291 gallery and Eugene O Neill s Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T S Eliot s The Wasteland into print for the first time and provided other editorial services for Thomas Mann e e cummings Ezra Pound and many other writers of

note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke s own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke s transformation from aesthete to social critic Catalog of Copyright Entries. American Literary Magazines Edward E. Chielens,1992-08-24 The history of modern American literature is inextricably tied to the history of the literary magazine Conversely in the individual histories of these magazines can be gleaned highlights of literary activity and insights on the writers and editors in the forefront The literary magazines of the twentieth century most of them known as little because of small budgets and circulation and short lives number in the thousands Some like the venerable New Yorker have enjoyed wide circulation for well over half a century others like The Fugitive published in Nashville Tennessee in the early 1920s were regional and or experimental and short lived Of these thousands editor Edward E Chielens has selected seventy six of the most significant for description and analysis in individual historical essays An additional one hundred magazines are briefly profiled in an appendix Forty three scholars and writers contributed to this volume Following the pattern established in Chielens s earlier complementary volume American Literary Magazines The Eighteenth and Nineteenth Centuries the magazine essays also provide appended data on information sources and publishing history The volume introduction discusses the characteristics of different types of literary magazines in the twentieth century and their sponsoring organizations or individuals as well as the influence on their development of leading literary figures such as Ezra Pound and H L Mencken This discussion is bolstered by a chronological appendix to the volume presenting highlights in the history of literary magazines in the perspective of events in literary history An additional appendix provides a directory of major collections of literary magazines in the United States and Canada with descriptions of their holdings

Big Data—A New Medium? Natasha Lushetich,2020-11-26 Drawing on a range of methods from across science and technology studies digital humanities and digital arts this book presents a comprehensive view of the big data phenomenon Big data architectures are increasingly transforming political questions into technical management by determining classificatory systems in the social educational and healthcare realms Data and their multiple arborisations have become new epistemic landscapes They have also become new existential terrains The fundamental question is can big data be seen as a new medium in the way photography or film were when they first appeared No new medium is ever truly new It is always remediation of older media What is new is the medium s re articulation of the difference between here and there before and after yours and mine knowable and unknowable possible and impossible This transdisciplinary volume incorporating cultural and media theory art philosophy history and political philosophy is a key resource for readers interested in digital humanities cultural and media studies

Mencken Marion Elizabeth Rodgers,2007 Here is the

definitive biography of Mencken the most illuminating book ever published about this giant of American letters We see the prominent role he played in the Scopes Monkey Trial his long crusade against Prohibition his fierce battles against press censorship and his constant exposure of pious frauds and empty uplift The champion of our tongue in The American Language Mencken also played a pivotal role in defining the shape of American letters through The Smart Set and The American Mercury magazines that introduced such writers as James Joyce F Scott Fitzgerald and Langston Hughes
