India and the Occult G. Djurdjevic,2014-05-21 India and the Occult explores the reception of Indian spirituality among Western occultists through case studies Rather than focusing on the activities of Theosophical Society India and the Occult looks at the hard core occultism in particular the British 20th century currents associated with Aleister Crowley Dion Fortune Kenneth Grant etc **Journal for the Academic Study of Magic 2** Dave Evans,Various,2004-05 This volume is a

multidisciplinary peer reviewed print publication covering all areas of magic witchcraft paganism and all geographical regions and all historical periods *Austin Osman Spare* Phil Baker,2014 Austin Osman Spare is the definitive biography of the controversial occultist and artist an enfant terrible of the Edwardian art world whose work was both hailed as genius and decried as immoral decadence As George Bernard Shaw reportedly said Spare s medicine is too strong for the average man Trained as a draughtsman Spare enjoyed early acclaim when at the age of seventeen his work was shown at the Royal Academy in London But his star soon declined Spare went underground falling out of the gallery system to live in poverty and obscurity After a brief association with Aleister Crowley he became absorbed in occultism and sorcery voyaging into inner dimensions while developing his own magical philosophy of pleasure obsession and the subjective nature of reality All the while Spare continued to produce extraordinary art and held his exhibitions outside of the conventional art world in London pubs Today Spare is both forgotten and famous a cult figure whose modest life has been much mythologised since his death the world s largest Spare collection is held by Jimmy Page of Led Zeppelin Biographer Phil Baker separates fact from myth providing wide ranging insights into Spare s art and mind reconnecting him with the art community that ignored him and exploring the rich tapestry of the culture that surrounded him interweaving the birth of psychoanalysis the historiography of the occult and the British class system This richly readable and illuminating biography containing 50 black and white and 8 color photographs of Spare s art takes us deep into the strange inner world of this enigmatic artist **Headpress** ,2002
