Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Alcoholism and Drug Abuse, 1979 **Sober Thoughts on Staple Themes ...** Richard Randolph, 1871 **Becoming a Christian** John Stott, 2016-04-11 Written by John R W Stott a Christian leader known worldwide for addressing the hearts and minds of contemporary men and women this updated booklet describes the fundamental human problem outlines the Christian answer to it and shows readers how to respond to God s truth **Watch on the Right** J. David Hoeveler, 1991 The ascendancy of conservatism in the last twenty years is an unprecedented episode in American intellectual and political history In *Watch on the Right* J David Hoeveler Jr gives us enlightening often immensely entertaining portraits of the key thinkers behind this revolution As Hoeveler writes conservative thinkers hang their hats on many different racks and this book dramatizes for us the breadth of the conservative coalition as exemplified by the eight writers surveyed William F Buckley Jr George Will Robert Nisbet Irving Kristol Hilton Kramer Jeanne Kirkpatrick R Emmett Tyrrell Jr and Michael Novak These eight gurus of the right represent a very wide spectrum of conservative thought but Hoeveler also considers the present day conservative renaissance against the literary background that has given the movement its identity since Edmund Burke Amid the multiple voices unifying themes do emerge American conservatives share a hostility toward the liberal new class the professional media and academic elites and the entrenched government bureaucracies that still believe in the perfectibility of society by enforced social engineering Moreover conservatives of all persuasions are united in struggling to sustain traditional values against the onslaught of revolutionary capitalism and technology and all are profoundly hostile to imperialistic communism on the Soviet model Despite the existence of a generic conservatism however Hoeveler s portraits provide us with a fascinating tour of the shifts and turns in modern social thought from the decline of liberalism in the late 1960s to the current era a path that leads through such diverse areas as the Cold War bourgeois culture art and aesthetics civil rights and the welfare state New Age culture and the gender revolution To a whole generation that has never known

anything but conservative leadership Watch on the Right will explain in clear accessible prose how the movement flourished in the 1970s and 1980s For readers who saw it happen but never thought it would and for liberals who are feverishly trying to recover their mandate this book as no other pulls the ideological threads of the story together Watch on the Right is illustrated with delightful pen and ink caricatures

Collections Ozziel Inzunza,2025-07-23 What happens when your thoughts become your prison When paradise feels like a curse When your reflection no longer looks like you In Collections author Ozziel Inzunza delivers a powerful series of thought provoking short stories that dive deep into the human psyche peeling back the layers of identity memory morality and reality itself From the chilling solitude of solipsism to the quiet despair of eternal bliss each story is a philosophical exploration wrapped in rich emotionally charged storytelling Through the eyes of philosophers angels slaves digital avatars and fractured minds Collections challenges readers to confront uncomfortable truths about what it means to be conscious free and human These are not tales of simple answers but meditations on suffering justice love madness and the divine Perfect for fans of Black Mirror Albert Camus or Ted Chiang this book invites you to explore The fragile line between sanity and belief The cost of salvation in a world of suffering The terrifying beauty of a mind that questions everything Whether you re a lover of speculative fiction philosophy or raw psychological drama Collections offers something rare stories that don t just entertain but linger asking the kinds of questions we re often too afraid to answer

The Third Step Al Lucas,2019-04-16 Paul Undres anti hero and protagonist once again espouses the world s ills In Hi Steppin he is a crackhead who undoes the Veteran s Administration In Lo Steppin he is the sex addict who loses his welfare check to an alluring underage girl Finally herein The Third Step he simply smokes himself to death after a few unusual operations Take a deep breath while he is talked about by the gods above and below in a fierce battle with the thought monster It is a fight to the finish Everybody loses *The Coming Decade* United States. The Republican Right since 1945 David W. Reinhard,2021-10-21 In 1981 a Right Wing Republican at long last resided in the White House presiding over what may prove to be the most fundamental restructuring of American political life since the days of Franklin D Roosevelt Fortunately The Republican Right since 1945 now provides us with the necessary historical understanding of conservative Republicans David Reinhard s dispassionate yet lively book recounts the Republican Right s political struggles from the death of FDR in 1945 to the inauguration of Ronald Reagan Younger readers will discover that Right Wing Republicans are older than Ronald Reagan or Barry Goldwater and that some conservative Republicans once feared the overextension of American power abroad and the rise of the garrison state at home Those old enough to remember

when the Republican Right was called the Old Guard will rediscover the events and personalities of those earlier years thanks to Reinhard's use of more than thirty five manuscript collections and the most recent historical writing Not content to let this history end where traditional manuscript sources run thin Reinhard has brought the story of the Republican Right Wing forward to President Ronald Reagan's inauguration placing Right Wing Republican reaction to the Johnson and the Nixon Ford years within the context of the earlier period and chronicling the electoral triumph of Ronald Reagan and the Republican Right Students of the past and observers of the present will appreciate Reinhard's treatment of the always troubled Nixon Republican Right association challenger Ronald Reagan's battle against President Gerald Ford in 1976 the decline of GOP moderation and the rise of the New Right Moral Majority forces and their relationship to the now ascendant Republican Right Reinhard illuminates the conservative Republican past and thereby makes the current political scene more understandable Thoroughly researched and brilliantly written The Republican Right since 1945 will fascinate scholars and general readers alike

The Hour of Evidence Terri Sedmak, 2015-08-03 All eyes are on the Magic City The shocking evidence no one saw coming A lost family secret Two hearts at destiny's crossroads There will come a time when the truth will rise up through the mire of lies and murky wrong doing to reach the surface and show its sad yet radiant light And I believe that hour is coming Emmaline Roberts Early in the spring of 1885 the murder trial of tycoon Loren Bodecker and the cruel maverick Donnelly commences in Cheyenne With so much at stake all eyes are upon this famed Magic City of the Plains where the scales of frontier justice are poised to weigh the compelling and often bruising evidence Drawn ever deeper into the labyrinth shaping their pursuit of justice challenged in both heart and mind the gallant Alliance its friends are about to discover truth long withheld THE HOUR OF EVIDENCE is the fourth volume in The Liberty Property Legends saga beginning where Volume Three FIRST COUNTRY Tinged with Rose left off As the quest continues as the twists keep coming both inside and outside the courtroom the next installment in the saga begs the question what price a well kept secret
