- Anyone Interested in Integrating Mindfulness into Recovery

**Passages Through Recovery** Terence T Gorski, 2009-07-30

Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety

Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see

Passages through Recovery One of the most important things we learn in recovery is that there really is a way out of all the misery if we know which way to go But abstinence from alcohol and other drugs is just the beginning of our journey not our destination And that journey can be a rough one if we don t know what lies ahead

Based on the experiences of thousands of recovering men and women Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety

Gorski s pioneering work describes six stages of recovery from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustration and lead to relapse

Passages through Recovery clearly demonstrates that sobriety is more than just healing the damage It s a way of thinking acting and relating to others

Gorski writes that promotes continued physical psychological social and spiritual health The skills necessary for long term sobriety are all directed at finding meaning and purpose in life

Use this book as a compass in your recovery to help you stay on course

Self-disclosure in Psychotherapy and Recovery Gary G. Forrest, 2010

Self Disclosure in Psychotherapy and Recovery includes a unique mosaic of theoretical and practical clinical information rich case studies research findings and a wealth of evidence based practice guidelines related to therapist and client self disclosure in the psychotherapeutic

encounter Experienced clinicians neophyte therapists and counselors in training will find this book provides a wealth of insight and useful information that will significantly benefit their therapeutic work Gary G Forrest elucidates a diversity of self disclosure topics that pertain to a wide range of issues impacting every facet of the process and outcome of psychotherapy relationships Self Disclosure in Psychotherapy and Recovery represents a seminal contribution to the counseling and psychotherapy literature specific to chemical dependency counseling addictions focused therapy and the self help based recovery model This book will be an essential resource for individuals pursuing graduate training and advanced education or supervision in the various behavioral health professions      *Trusting Recovery and Desistance* Lauren Hall,2023-11-30 The social processes which underpin and shape our lives have the power to significantly transform the trajectories of people experiencing recovery from addiction and desistance from crime Recovery from addiction and desistance from crime are processes which are often experienced and supported in the same physical spaces and are also frequently experienced by the same people This book therefore synthesises and presents research on the social influences of recovery and desistance This book presents the social component model of recovery from addiction and desistance from crime a strength based approach presenting case studies to better understand the social factors of both recovery from addiction and desistance from crime and therefore a step towards enhancing evidence based policy and practice The social components that have emerged and will be discussed within this book include relationships and social bonds social identity group membership and social networks and social capital Compiled based on observations interviews and social identity mapping methods this work combines and presents theory and research to enhance and strengthen the evidence available for people who are already teaching about supporting and experiencing both desistance from crime and recovery from addiction in practice      **Substance Use Disorders** Antoine Douaihy,Dennis C. Daley,2013-12 Written by experienced clinicians and researchers this book provides a comprehensive overview of substance use disorders It integrates evidenced based practices with clinical wisdom of practitioners from several disciplines Most importantly this book provides practical strategies to help patients with substance use disorders in a range of treatment settings      **Getting Beyond Sobriety** Michael C. Clemmens,2014-05-22 In this ground breaking book Michael Clemmens offers a new model of treatment for long term recovery which goes beyond the traditional disease paradigm Working from the belief that a fuller life for the recovering addict is grounded on a foundation of abstinence the author explores a self modulation approach which leads to a change in the behavior from within the individual while developing and expanding connection with others      *Medicine Wheel of My Recovery* Mickey M.,2012-12-14 This book is not only for Native American Indians its for all races but in the Native American way Nor is this book directed to any one particular recovering group The disease of addiction is not a prejudice disease neither is recovery Everything we do in recovery should be for self because everything we do effects our opinion of ourselves The results of sobriety should be used to help others in recovery The secret of success is consistency Thats why in recovery

they keep saying Keep coming back To sacrifice is to gain in giving up the past for the future Wisdom is not what you put yourself through but what life puts you through Accepting recovery is accepting responsibility for ones actions This is why we must know where the ripples will go before we cast the stone into the pond To do so one must take a journey within the four directions in order to find the balance of their spiritual inner and outer self The results should be given away to help others in recovery so that we may keep what we have learned and earned so that we will be able to have a deeper yes and a much stronger no and realize that the message is in silence the deepest answer is in patience and a clear mind will precipitate patience Three River Ah ho

*Parents in Recovery* Sarah Allen Benton, 2024-10-15 For parents in recovery PIRs the process of recovery is so much more than just stopping drug and alcohol abuse Parents facing these challenges will feel understood and supported Booklist I am just like other parents except *Parents in Recovery* is not a book about how to parent It is also not a book about how to get sober Instead it is meant to be a guide for parents in recovery PIRs from substance use disorders that provides insights and strategies for coping with the many unique and not so unique challenges they may face It is also intended to give the loved ones and families of PIRs an inside look at this world and explain why certain changes and behaviors are necessary to maintain long term recovery Each chapter is an integration of research the voices of parents in recovery input from addiction treatment experts parent recovery wisdom suggestions and the author s past journal accounts This guidebook can support mothers and fathers in navigating their way through parenting with a sober lifestyle which includes physical emotional social spiritual behavioral environmental and vocational wellness It is written for those who have embraced sobriety before during or after becoming a parent and can serve as a job aid on this journey Key topics include love and marriage family systems work and life balance self care parenting types sober socializing coping with hard times mental health and recovery pride This book also addresses modern day challenges including the use of electronics social media career identity social trends non traditional parental roles and living in a post COVID 19 pandemic world While many parents feel shame associated with aspects of their addiction this book emphasizes the gifts and accomplishments of being in recovery and how they positively impact the entire family system

**Successful Recovery and Relapse Prevention** Bill McCausland Ph.D., 2016-11-11 The workbook addresses several concepts and starts with the prevention of relapse The major part of the workbook is how to develop support systems for maintaining recovery that contribute to successful recovery The text shows many elements that contribute to addiction It goes into detail about the genetic aspects of addiction There is also a segment of how executive functioning of the brain can get impaired with addiction that compromises judgment impulse control and the ability to organize But these impairments can be temporary with practicing having good judgment and impulse control since new neuropathways can develop with exercising these functions The stages of recovery and change are reviewed as well as the twelve steps of Alcoholics Anonymous and Narcotics Anonymous One chapter is dedicated to powerlessness and unmanageability At the end of each chapter there are references for the reader to consult that have been

used for the content of the workbook chapters

**12 Stupid Things That Mess Up Recovery & 12 Smart Things to Do When the Booze an** Allen Berger, 2010-11-17 A bundle of two ebooks by recovery expert Dr Allen Berger to help you avoid pitfalls and be proactive in your recovery journey 12 Stupid Things That Mess Up Recovery contains concise advice on hunting down the personal culprits that sabotage sobriety and personal happiness To grow in recovery we must grow up emotionally This means getting honest with ourselves and facing up to the self defeating thoughts and actions that put our sobriety at risk Although there are as many ways to mess up recovery as there are alcoholics and addicts some general themes exist which include confusing self concern with selfishness not making amends using the program to try to become perfect not getting help for relationship troubles and believing that life should be easy In simple down to earth language Allen Berger explores the twelve most commonly confronted beliefs and attitudes that can sabotage recovery He then provides tools for working through these problems in daily life 12 Smart Things to Do When the Booze and Drugs Are Gone offers a fresh list of smart things to do to attain and sustain emotional sobriety Whether it s called dry drunk or white knuckle sobriety it s that stage in recovery when we realize that putting the plug in the jug isn t enough The next step is taking responsibility for the emotional immaturity that fuels our addictive personality and has a tremendous impact on ourselves and others These smart things include understanding who you are and what s important to you learning not to take others reactions personally trusting your inner compass and taking responsibility for your reactions to problematic situations

**A Place Called Self A Companion Workbook** Stephanie Brown, 2011-04-19 A Place Called Self A Companion Workbook addresses one of the greatest gifts and biggest challenges for women in recovery Discovering their real true self Stephanie Brown explains how the process of becoming addicted requires women to shut down turn off and block out much of their true selves The process of recovery is a process of self discovery of finding and developing the real self the healthy self Stephanie Brown created A Place Called Self A Companion Workbook to be your personal recovery guide with instructive insights and revealing questions to help you think of yourself in new ways
