Social Development and the Empowerment of Marginalised Groups Debal K Singharoy, Debal K. SinghaRoy, 2001
Bringing together original contributions from scholars researchers and social activists this volume explores the initiatives strategies and potential obstacles in the way of the social development and empowerment of the marginalised in the current scenario The contributors contend that there is the need for an alternative model for sustainable self reliant and participatory development and formation of a new collective identity through civil society and social movements To illustrate these possibilities the contributors present various success stories including panchayati raj institutions worker s cooperatives women s participation in decision making processes and education through the open learning system *Empowering Society* Usha Jumani, 2006-03-06 Empowerment is an integral element of a democratic system The maturity of a democracy is directly related to the level of empowerment its citizens and institutions experience The term empowerment is used in different contexts and this book addresses this problem through a comparative analysis of three major organisational systems business government and social development The book presents a new conceptual framework for understanding the process of empowerment It combines case studies specially for this volume with secondary data and the author s first hand experience of working with development organisations The differential understanding of empowerment in various organisational contexts helps to promote cross sectoral learning and contributes to a qualitative shift in empowering society as a whole **Sociology and Social Anthropology in India** Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines **Tribal Development in India** Govind Chandra Rath, 2006-04-14 This book is a collection of 13 articles on little known tribal movements in India featuring case studies covering all the major issues concerning tribal populations including political autonomy the struggle for resources minimal social opportunities and basic social responsibilities The specific movements discussed include Dalitism in Jharkhand the Kamatpur separatist movement in North Bengal land struggles in Uttar Pradesh and Kerala overall discrimination in schooling health and poverty alleviation programmes International Social Work David Cox, Manohar Pawar, 2012-12-04 International Social Work Issues Strategies and Programs Second Edition draws together the practice wisdom emerging within the broad scope of international social work practice and its role in contributing to the international community s efforts in combating the major global social problems of poverty conflict and postconflict reconstruction the development of countries and disadvantaged populations migration and displacement and the needs of specific populations such as child soldiers and AIDS orphans Utilizing an integrated perspectives approach incorporating global human rights ecological and social development perspectives the International Social Work 2e is designed to prepare social workers human services professionals development practitioners who desire to play significant roles in responding to

modern global challenges that are critical to the well being of people communities nations and ultimately of us all

Non-discrimination and Equality in India Vidhu Verma, 2011-11-17 Social Justice is a concept familiar to most Indians but one whose meaning is not always understood as it signifies a variety of government strategies designed to enhance opportunities for underprivileged groups By tracing the trajectory of social justice from the colonial period to the present this book examines how it informs ideas practices and debates on discrimination and disadvantage today After outlining the historical context for reservations for scheduled castes and scheduled tribes that began under British colonial rule the book examines the legal and moral strands of demands raised by newer groups since 1990 In addition the book shows how the development of quota policies has been significantly influenced by the nature and operation of democracy in India It describes the recent proliferation of quota demands for reservations in higher education private sector and for women and religious minorities in legislative assemblies The book goes on to argue that while proliferation of demands address unequal incidence of poverty deprivation and inequalities across social groups and communities care has to be taken to ensure that existing justifications for quotas for discriminated groups due to caste hierarchies are not undermined Providing a rich historical background to the subject the book is a useful contribution to the study on the evolution of multiple conceptions of social justice in contemporary India

Social Development and the Empowerment of Marginalised Groups Debal K. SinghaRoy, 2001-01-01 **Marginalisation in China** Bin Wu, Richard Sanders, 2016-05-13 Economic transition in China has witnessed re centralization of resources from the margin to the core in economic social and political senses This book employs a marginalization lens to reveal delineate and better understand the processes patterns trends multiple dimensions and dynamics of the phenomenon and the consequences and implications for development and well being in the country Bringing together a wide range of domestic and international experts and disciplinary perspectives the book combines empirical research and conceptual analysis to provide an insightful overview of China s recent development It contributes to the debate over marginalization and its interactions with globalization and transition in China and has significance for various domestic and international policy arenas in respect of tackling marginalization poverty and social exclusion effectively while striving for the achievement of the UN Millennium Development Goals in China and beyond

Exploring Social Movements Biswajit Ghosh, 2024-06-18 This book introduces the readers to the dynamics of various kinds of social movements It examines how social movements have become an instrument of social change including assertion of identity and protest against marginalisation This book describes three major domains conceptual experiential and the impact of globalisation on social movements The volume begins by locating social movements within broad and contemporary social processes and explores the intrinsic and complex patterns of dynamics among state market and social movements from a critical sociological perspective It explains the meaning basic features origins and types leadership and ideology and perspectives of social movements and probes into major experiences of eight social movements in India namely peasant and

farmers tribal Naxalite and Maoist Dalit working class women ethnic and environmental movements This book also analyses the role of information technology media and civil society in the spread and continuation of such movements The experiences of queer new religious anti systemic and anti displacement movements would also help readers understand how globalisation has offered new avenues of protest to diverse sections of the population Lessons of anti globalisation movements across the world provide a futuristic perspective in assessing the strength of social movements in a global society This book will be useful to the students researchers and faculty working in the field of political science sociology gender studies and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies *Sociological Bulletin* Indian Sociological Society,2004 Stone Quarry Workers Robin D. Tribhuwan,Jayshree Patil,2009 Study conducted at Moshi and Yewalewadi villages of Haveli Block of Pune District in Maharashtra India *Identities in South Asia* Vivek Sachdeva,Queeny Pradhan,Anu Venugopalan,2019-04-09 This book examines how identities are formed and expressed in political social and cultural contexts across South Asia It is a comprehensive intervention on how why and what identities have come to be and takes a closer look at the complexities of their interactions Drawing on an interdisciplinary approach combining methodologies from history literary studies politics and sociology this book Explores the multiple ways in which personal and collective identities manifest and engage are challenged and resisted across time and space Highlights how the shared history of colonialism and partition communal violence bloodshed and pogrom are instrumental in understanding present day developments in identity politics Sheds light on a number of current themes such as borders and nations race and ethnicity identity politics and fundamentalism language and regionalism memory and community and resistance and assertion A key volume in South Asian Studies this book will be of great interest to scholars and researchers of modern South Asian history politics sociology literary studies and social exclusion **Unpacking Globalization** Linda E. Lucas,2007-08-02 Unpacking Globalization examines the experiences of people living with the forces that are transforming economic systems culture gender relationships and governance The book offers interdisciplinary analysis of the well being of women and men as they cope with the changes of globalization Through theory case studies and data several themes emerge indicating that from the household to the continental level change is leading to new awareness and new survival strategies for both women and men The contributors to the volume come from Africa Asia Europe and North and South America They present analysis of global changes and historical background from diverse perspectives and offer case studies on social security gender and macroeconomy They employ feminist theory as well as detail the experiences of current and future women entrepreneurs An exciting interdisciplinary text Unpacking Globalization can supplement women s studies anthropology sociology and economic development courses Women Workers in Brick Factory Amal Mandal,2005 The brick factory work is seasonal and the employment is contractual utterly insecure and wage is piece rated Though women workers comprise about one half of the total workforce in every factory they

hail from the families that survive by working as labourer in every conceivable sense they are from lower caste and class illiterate and they are mostly wives of male factory workers While husbands of those women are not necessarily confined to unskilled factory works women really are Women are in plethora those works which are unskilled in nature and where wage earning is comparatively low Workers after hard day s toil receive wage that is barest minimum for subsistence This is why workers are compelled to work along with other family members and as long in a day as they can Women workers and others are deprived of all statutory benefits and amenities like maternity benefits creche fixed working hour etc Even basic minimum welfare provisions like rest shed drinking water and toilet are conspicuously absent in brick factories Though owners are amassing whooping profit they have persistently ignored and evaded the welfare provisions for the workers that are applicable to the factory Given the nature of skill attainment of the workers the employment opportunity available in the unorganised sector and insipid role of trade union there seems no immediate escaping from the bondage and tethering of back bending work subsistence wage insecure job and debasing working conditions

Encountering The Adivasi Question

P. Bandhu,T.G. Jacob,2019-08-01 The main problem facing most Adivasi groups in the country is displacement and loss of their own original habitats and livelihood through development projects like dams tourism and wildlife sanctuaries By generally categorising them as girijan mountain dwellers vanavasis forest dwellers or tribal with its connotations of primitive and backward or even the popular jangli wild in official parlance and in the mass media they are robbed of their identity dignity and rights as among the first peoples of this subcontinent who earlier enjoyed economic and political freedom and autonomy in the form of self rule All over India the process of uprooting indigenous people from their rich culture is on the disruption of a way of life fundamental to which is the belief that it is not the earth which belongs to man but man who belongs to the earth
