Social Policy In A Development Context

Rebecca Surender, Robert Walker

Social Policy In A Development Context:

The Handbook of Social Policy James Midgley, Martin B. Tracy, Michelle Livermore, 2000 Comprises 33 papers grouped under five themes The Nature of social policy The History of social policy Social policy and the social services The Political economy of social policy and International and future perspectives on social policy **Social Policy in a Development**

Context T. Mkandawire, 2004-11-10 Drawing upon both conceptual and empirical evidence this volume argues the case for the centrality of social policy in development focusing particularly on the message that social policy needs to be closely intertwined with economic policy It is argued that social policy can provide the crucial link between economic development poverty eradication and equity This volume is a significant contribution to thinking about social policy in a development context **Social Policy in a Developing World** Rebecca Surender, Robert Walker, 2013-01-01 This volume makes a

valuable contribution to the dynamic and expanding field of scholarship on social policy in developing countries In combining analytical frameworks used in comparative social policy analysis with an examination of key areas of policy and provision in selected countries it will be a key resource for anyone interested in current debates in international social policy and welfare Nicola Yeates Open University UK There is increasing interest in the significance of social policy in the management of welfare and risk in the developing world This volume provides a critical analysis of the challenges and opportunities facing social protection systems in the global south and examines current strategies for addressing poverty and welfare needs in the region In particular the text explores the extent to which the analytic models and concepts for the study of social policy in the industrialised North are relevant in a developing country context The volume analyses the various institutions actors instruments and mechanisms involved in the welfare arrangements of developing countries and provides a study of the contexts development and future trajectory of social policy in the global South The book's comparative and interdisciplinary approach will be of interest to anyone involved in social policy research and analysis and current welfare debates Social

Policy in a Development Context Thandika Mkandawire, 2001 Social Policy in a Development Context Thandika Mkandawire P., 2001 **Democracy and Social Policy** Yusuf Bangura, 2007-10-17 This book examines the complex

relations between democracy and social policy Economic development is a necessary but not sufficient condition for welfare development In industrial democracies differences in the reach and organization of unions presence of Left parties in government and social pacts account for much of the variation in welfare provision among countries Social security is limited in democracies with low levels of industrialization even though some countries with a social democratic orientation seem to have done well Traditions of political rights improvements in electoral competitiveness and a pro active judiciary may empower social movements to pressure governments in low income democracies to introduce progressive social reforms

Social Policy in Sub-saharan African Context Jimi O. Adesina, 2007 **Social Policy for Development** Anthony L Hall, James Midgley, 2004-05-24 This work provides a complete up to date guide and introduction to the increasingly

important role of social policy in the context of development processes and practice **Social Welfare in Global Context**

James Midgley, 1997-03-26 James Midgley provides a broad overview of social welfare outlining key institutions terminology historical research and approaches He also details reasons for the existence of international social welfare and the challenges that arise from it The author includes an important section on applied international social welfare that addresses the concerns of practitioners concerns that have been neglected in much of the literature in the field An entire section of the book is devoted to issues of social work practice social development the activities of international agencies and their collaborative efforts While practical application is an important focus of the book several chapters deal with key theoretical debates in the field The author also includes descriptive chapters that provide comprehensive accounts of world social conditions and social welfare institutions As a textbook on international social welfare *Social Welfare in Global Context* is primarily intended for students and practitioners of social work social administration and social policy But it is also relevant for students of sociology public policy and economics Emerging Trends in Social Policy from the South Ilcheong

Yi, Alexandra Kaasch, Kelly Stetter, 2024-05-21 Drawing on international case studies from emerging economies and developing countries including South Africa India Egypt Morocco Jordan Tunisia Indonesia China and Russia this book examines the rise nature and effectiveness of recent developments in social policy in the Global South By analysing these new emerging trends the book aims to understand how they can contribute to meaningful change and whether they could offer alternative solutions to the social economic and environmental policy challenges facing low income countries within a contemporary global context It pays particular attention to reforms and innovations relating to the objectives of the 2030 Agenda for Sustainable Development including the move away from a welfare state towards a welfare multitude in which new actors such as civil society organisations play an increasingly important role in social policy Learning from the South

Korean Developmental Success Ilcheong Yi, Thandika Mkandawire, 2014-04-13 This analysis of South Korea's development experience can present lessons for development in the 21st century Situating the development experience of South Korea within the framework of the capability enhancing state this volume examines the empowering institutions and policies of South Korea between 1945 and 2000 Inclusive States Anis A. Dani, Arjan de Haan, 2008-04-29 The heterogeneity of social

structures and cultural identities in many developing countries together with traditional hierarchies rivalries and deep seated biases has perpetuated inequities *Inclusive States Social Policy and Structural Inequalities* examines the role of the state and society in addressing structural inequalities and identifies a set of policy recommendations to redress them This book defines structural inequality as a condition arising from unequal status attributed to a category of people in relation to others a relationship perpetuated and reinforced by unequal relations in roles functions decision rights and opportunities Inclusive states are those that direct policies to address the needs of all that respect the rights of citizens to exercise voice and influence on which services are provided and how they are delivered and that have an interest in strengthening the social

contract with their citizens A central focus of policy remains a concern for equity both to level the playing field to encourage social mobility and to ensure equity in the distributional effects of policy reforms and development interventions This book highlights two key challenges for social policy First policy design needs to take into account the weaknesses of basic state functions in many developing countries since these have important ramifications for social policy outcomes Second in most developing countries social structures marked by historically rooted structural inequalities pose significant challenges to the provision of services and require a long term commitment to address underlying questions and problems This book describes some of the challenges found in different contexts and some of the ways in which these challenges can be and are being addressed This book is part of a new series New Frontiers in Social Policy which examines issues and approaches to extend the boundaries of social policy beyond conventional social services toward policies and institutions that improve equality of opportunity and social justice in developing countries Other forthcoming titles in the series include Assets Livelihoods and Social Policy and Institutional Pathways to Equity Addressing Inequality Traps *Reclaiming Social Policy* Arjan de Haan, 2007-07-31 This book re evaluates the importance of social policies in shaping well being and combating exclusion and enhances understanding of how these policies are formed in a globalizing world It emphasises the context and path dependence of patterns and policies of inclusion and exclusion and provides a framework for supporting social policy making

Mineral Rents and the Financing of Social Policy Katja Hujo, 2012-05-30 An exploration of the implications of mineral led wealth and the opportunities that this creates for economic and social development The book includes theoretical and policy analyses as well as micro level country case studies including Norway Chile Indonesia Nigeria and Botswana

Handbook of Social Policy and Development James Midgley, Rebecca Surender, Laura Alfes, 2019 The Handbook of Social Policy and Development makes a groundbreaking coherent case for enhancing collaboration between social policy and development With wide ranging chapters it discusses a myriad of ways in which this can be done exploring both academic and practical activities As the conventional distinction between developed and developing countries becomes increasingly blurred this Handbook explores how collaboration between social policy and development is needed to meet global social needs

Social Security in the Global Village Christina Behrendt, 2017-09-29 There is growing recognition that globalization places major pressures on the development of social security schemes Internationalization of the economy has important consequences for labor markets employment is becoming less secure and inequality and social exclusion more pronounced in many countries At the same time there are some fundamental socio demographic changes new family structures an aging population and migration Increased uncertainty and exclusion intensify the need for social security Both the public and private sectors are redefining their roles reshuffling responsibilities between states markets families and individuals Social Security in the Global Village investigates the new challenges for social security in an increasingly globalized world and analyzes strategies of adjustment A group of internationally renowned experts in this field assess the

variety of effects that globalization has had on national social security schemes A common theme of a first set of chapters is the relationship between common pressures of globalization and the role of national institutional frameworks in shaping the impact of these pressures on social security Countries are dealing in different ways with these challenges and follow diverse pathways of adjustment that quite often contradict widespread assumptions about the effects of globalization A second set of chapters is devoted to challenges in selected policy areas migration labor markets and social cohesion issues Among the topical issues discussed are the social rights of migrants the changing rights and obligations in unemployment insurance lessons to be drawn for the promotion of employment the relationship between family policy and employment policy for mothers the management of social risks and the protection of an adequate income in an active welfare state Research can help to enlighten and inform the policy debate about the legitimacy of social security in the new glob

The Routledge Handbook of the Welfare State Bent Greve, 2013 The welfare state in all its many forms has had a profound role in many countries around the world since at least the Second World War The Routledge Handbook of the Welfare State explores the classical issues around the welfare state but also investigates its key concepts along with how these can be used and analysed This book provides expert analysis of the core issues related to the welfare state including regional depictions of welfare states around the globe The book combines essays on methodologies core concepts and central policy areas to produce a comprehensive picture of what the welfare state means around the world In the midst of the credit crunch this book addresses some of the many questions about the welfare state This book is suitable for students and scholars throughout the social sciences particularly in sociology social policy public policy international relations politics and gender studies

Social Policy Demetrius S. Iatridis, 1994 This text examines key questions facing American society Who is responsible for determining the quality of life or for providing solutions Who should bear the costs and benefits of societal development What justifies government action or inaction

Transformations in Global and Regional Social Policies A. Kaasch, P. Stubbs, 2014-05-02 This book discusses key issues in global and regional social policy exploring Bob Deacon's pioneering approach to regulation rights and redistribution It addresses the role of international actors in shaping social policy and discusses the problems and possibilities of new alliances for global social justice

Reforming Pensions in Developing and Transition Countries K. Hujo, 2014-08-22 This book moves beyond technical studies of pension systems by addressing the political economy of pension reform in different contexts It provides insights into key issues related to pension policy and its developmental implications drawing on selected country studies in Africa Asia Eastern Europe the Middle East and Latin America

Social Policy In A Development Context Book Review: Unveiling the Magic of Language
