**for Young Readers** Peter Marshall, David Manuel, Anna Wilson Fishel, 2011-11-01 From the very beginning it would seem that God had a plan for America From its discovery by Europeans to its settlement from the Revolution to Manifest Destiny from the stirrings of civil unrest to civil war America was on a path In our pluralistic world when textbooks are being rewritten in ways that obscure the Judeo-Christian beginnings of our country the books in the *Discovering God's Plan for America* series help ground young readers in a distinctly evangelical way of understanding early American history As young readers look at their nation's development from God's point of view they will begin to have a clearer idea of how much we owe to a very few and how much is still at stake These engaging books bring history alive in a way that will inspire young
