Sounds Nursery Rhyme Concepts:

Soundaround Andrew Burnett, Jackie Wylie, 2013-10-18 This practical and clear book will allow you to introduce and teach phonological awareness skills to children in the early years and up to Key Stages 1 to 2 who are struggling with their literacy levels because of weak basic skills. It provides a developmental and curriculum linked program suitable for all children including those with special educational needs. A straightforward format that does not require specialist training yet enables staff to choose activities and confidently use them from day one. A focus on sounds first leading to secure learning based on normal child development activities which children enjoy and want to play again and ideal preparation for literacy work at school. All staff involved with children in the Foundation Stage and sometimes beyond including teachers, nursery nurses, playgroup staff, SENCOs, teaching assistants, speech and language therapists and parents will be able to improve their children's early literacy skills using this approach.

Sounds for Reading Frances James, Ann Kerr, 1998 Linked to the National Literacy Strategy, this classroom resource is designed to help teachers to develop the essential phonic skills that children need in order to become fluent readers. Practical activities and 86 worksheets focus on basic listening skills, an understanding of the difference between words and letters, the ability to hear separate syllables in words, learning to hear and generate rhymes and alliterations, learning about onsets and rhymes, learning to use analogy to help with reading and learning to hear individual phonemes in words.

Sound Ideas Doug Goodkin, Doug Goodkin offers music teachers a variety of ways to reach all types of students. This extensive book includes more than 35 activities organized by musical, linguistic, logical, mathematical, visual, spatial, bodily, kinesthetic and personal intelligences. A great variety of percussion circle games for all ages is included as well as games for choosing instruments.

Designing Early Literacy Programs Lea M. McGee, Donald J. Richgels, 2014-04-29 This acclaimed teacher resource and course text describes proven ways to accelerate the language and literacy development of young children including those at risk for reading difficulties. The authors draw on extensive research and classroom experience to present a complete framework for differentiated instruction and early intervention. Strategies for creating literacy rich classrooms, conducting effective assessments and implementing targeted learning activities are illustrated with vivid examples and vignettes. Helpful reproducible assessment tools are provided. Purchasers also get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2 x 11 size.

Subject Areas: Keywords, assessments, at risk students, beginning readers, CCSS, classroom environments, classrooms, Common Core, State Standards, differentiated instruction, early childhood reading, early literacy, ELA, emergent English language arts, foundational skills, interventions, kindergarten language literacy development, preschool prevention programs, reading difficulties, response to intervention, RTI, struggling teaching, writing.

Audience: Preschool and kindergarten teachers, reading specialists, school and child care administrators, instructors and students in early childhood education and early literacy.
