Experience the struggle of African warriors defending their village Travel on the slave boat with African enslaved women Feel the tension mounting in Yargas heart as he leads his Afro Mexican troops in confrontation with the Spanish colonial army Live a vivid moment of the Afro Colombian struggle for freedom Sit on the corridor and listen to a conversation between cuban heroes Jose Marti and Mariana Grajales Visit a Jamaican Maroon battle field Be part of Palmares Brazilian warriors Witness the resistance of Afro German women during the Nazi rule Share young Martin Luther Kings dilemma as he walks with his mother on the wrong side of town Imagine yourself sitting in the bus watching Rosa Parks as she refuses to move behind the line     Playing by Ear and the Tip of the Tongue Reuven Tsur, 2012 In our everyday life we are flooded by a pandemonium of information which consciousness organizes into more easily manageable phonetic and semantic categories In poetry reading however the total effect of a poem is not only obtained by some of these categories but also by precatatorial information for which there is a growing body of empirical evidence of its psychological reality In the Tip of the Tongue phenomenon a great amount of diffuse precatatorial information is present but fails to grow together into a compact word generating a feeling of some dense undifferentiated mass Poetic language typically exploits such precatatorial information for its effects By way of theoretical considerations and close readings this book explores the semantic and phonetic strategies by which a text may increase or decrease the impact of such information It investigates the conditions that boost or inhibit overtone fusion in rhyme and alliteration By seeking empirical evidence for the claims he makes in different fields such as music art literature linguistics experiments in the speech laboratory the author provides ample and sound examples ambiguity intended in an almost conversational tone which makes us really anticipate reading each new chapter     Catalog of Copyright Entries. [The Blue Lagoon](#) Henry De Vere Stacpoole, 2022-01-11

*The Blue Lagoon* 1908 is a novel by Henry De Vere Stacpoole. The first in a trilogy of novels including *The Garden of God* 1923 and *The Gates of Morning* 1925. *The Blue Lagoon* is a story of romance and adventure inspired by the author's travels in the South Pacific. A total of five films have been adapted from the novel, including the hit 1980 drama of the same name starring Brooke Shields. The Pacific slept a vast, vague swell flowing from far away down south under the night, lifted the Northumberland on its undulations to the rattling sound of the reef points and the occasional creak of the rudder whilst overhead near the fiery arch of the Milky Way hung the Southern Cross like a broken kite. When a terrible shipwreck leaves them stranded on a deserted island in the South Pacific, Dick and Emmeline LeStrange are merely children. Paddy Button, the ship's cook and the only other survivor, takes it upon himself to train them in the ways of survival, teaching the arts of fishing and pearl diving to ensure the youths know how to take full advantage of a hostile environment. When Paddy dies from alcoholism, Dick and Emmeline are more than prepared to fend for themselves, but as they grow into young adulthood, a strange sense of desire starts to take hold. With a beautifully designed cover and professionally typeset manuscript, this edition of Henry De Vere Stacpoole's *The Blue Lagoon* is a classic of British literature reimagined for modern readers.

[The Blue Lagoon](#) H. De Vere Stacpoole, 2019-11-21

H. De Vere Stacpoole's *The Blue Lagoon* is a captivating tale set against the backdrop of a remote uninhabited island in the South Pacific. Written in a lyrical and evocative style, the narrative follows two shipwrecked children, Emmeline and Dick, as they navigate their newfound existence in a paradise devoid of adult influence. The book artfully explores themes of innocence, nature, and the complexities of human emotions through vivid descriptions and poignant reflections, making it a noteworthy example of early 20th-century adventure literature. Stacpoole's narrative is steeped in a romanticism that aligns with the exploration of the noble savage trope, revealing both the beauty and harsh realities of unspoiled life away from society's conventions. H. De Vere Stacpoole, born in 1863, was deeply inspired by his surroundings and personal experiences that included his travels and a fascination with tropical landscapes. His career as a novelist and poet evidences a commitment to exploring human relationships set against exotic locales. The amalgamation of his maritime exploits and philosophical musings on civilization significantly informed the writing of *The Blue Lagoon*, positioning it deeper within the realm of psychological exploration than mere adventure. Readers

who seek a blend of adventure romance and profound reflections on the human condition will find *The Blue Lagoon* a thought provoking and immersive experience. Stacpoole's ability to evoke the raw beauty of isolation and the innocence of childhood will leave a lasting impression, making this novel an essential read for anyone interested in classic literature and the complexities of human nature.
