Godfather of the Music Business Richard Carlin,2016-03-10 Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Record Labels Best History 2017 This biography tells the story of one of the most notorious figures in the history of popular music Morris Levy 1927 1990 At age nineteen he cofounded the nightclub Birdland in Hell s Kitchen which became the home for a new musical style bebop Levy operated one of the first integrated clubs on Broadway and helped build the careers of Dizzy Gillespie and Bud Powell and most notably aided the reemergence of Count Basie In 1957 he founded a record label Roulette Records Roulette featured many of the significant jazz artists who played Birdland but also scored top pop hits with acts like Buddy Knox Frankie Lymon and the Teenagers Joey Dee and the Starlites and in the mid 1960s Tommy James Stories abound of Levy threatening artists songwriters and producers sometimes just for the sport other times so he could continue to build his empire Along the way Levy attracted investors with ties to the Mafia including Dominic Ciarfano a k a Swats Mulligan Tommy Eboli and the most notorious of them all Vincent Gigante Gigante allegedly owned large pieces of Levy s recording and retail businesses Starting in the late 1950s the FBI and IRS investigated Levy but could not make anything stick until the early 1980s when Levy foolishly got involved in a deal to sell remaindered records to a small time reseller John LaMonte With partners in the mob Levy tried to force LaMonte to pay for four million remaindered records When the FBI secretly wiretapped LaMonte in an unrelated investigation and agents learned about the deal investigators successfully prosecuted Levy in the extortion scheme Convicted in 1988 Levy did not live to serve prison time Stricken with cancer he died just as his last appeals were exhausted However even if he had lived Levy s brand of storied high life was effectively bust Corporate ownership of record labels doomed most independents in the business ending the days when a savvy if ruthless hustler could blaze a path to the top **Books in Print Supplement** ,2002 *Pastrami on Rye* Ted Merwin,2015-10-06 The history of an iconic culinary institution Winner of the 2015 National Jewish Book Award in Education and Jewish Identity from the Jewish Book Council For much of the twentieth century the New York Jewish deli was an iconic establishment in both Jewish and American life As a social space it rivaled and in some ways surpassed the synagogue as the primary gathering place for the Jewish community In popular culture it has been the setting for classics like When Harry Met Sally And today after a long period languishing in the trenches of the hopelessly old fashioned it is

experiencing a nostalgic resurgence Pastrami on Rye is the first full length history of the New York Jewish deli The deli argues Ted Merwin reached its full flowering not in the immigrant period as some might assume but in the interwar era when the children of Jewish immigrants celebrated the first flush of their success in America by downing sandwiches and cheesecake in theater district delis But it was the kosher deli that followed Jews as they settled in the outer boroughs of the city and that became the most tangible symbol of their continuing desire to maintain a connection to their heritage Ultimately upwardly mobile American Jews discarded the deli as they transitioned from outsider to insider status in the middle of the century Now contemporary Jews are returning the deli to cult status as they seek to reclaim their cultural identities Richly researched and compellingly told Pastrami on Rye gives us the surprising story of a quintessential New York institution
