Turning Points in Baptist History Michael Edward Williams, Walter B. Shurden, 2008 Arranged in chronological order so that the Baptist saga can be understood as a continuous narrative the book has the added advantage of permitting the reader to cherry pick chapters that are of particular interest The Baptist struggles for freedom of conscience for a believer s church for including both genders and all races for fulfilling the Great Commission and for the separation of church and state these are only a few of the denominational shaping turning points one discovers in this book

The Life and Writings of Thomas Helwys Thomas Helwys, 2009 One of the earliest Baptist voices and martyr for his faith Thomas Helwys was the first permanent Baptist and founder of the first Baptist church in England He is best known for his seminal work on religious liberty A Short Declaration of the Mystery of Iniquity Helwys other extant writings include full length theological treatises personal letters and the first known English Baptist Confession of Faith These works demonstrate his theological shift from English Separatism to recognizable Baptist tenets His body of work clearly espouses religious liberty priesthood of all believers soul competency a reverence for the bible and the autonomy of the local church In Thomas Helwys Life and Writings Joe Early has provided the reader with a concise theological biography of Helwys and a compilation of all his extant writings It is the first time that all of Thomas Helwys writings have been available in one volume

Exploring Protestant Traditions W. David Buschart, 2009-09-20 Protestant is shorthand for a spreading family tree of church and theological traditions Each tradition embodies a historically shaped perspective on the beliefs practices and priorities that make up a Christian community Whether you are an insider to one tradition a hybrid of two or three or as many Christians today an outsider to all Exploring Protestant Traditions is a richly informative field guide to eight prominent Protestant theological traditions Lutheran Anabaptist Reformed Anglican Baptist Wesleyan Dispensational and Pentecostal Clearly and evenhandedly W David Buschart traces the histories of each tradition explains their interpretive approaches to Scripture and identifies their salient beliefs As a result you will gain a sense of what it is to believe and worship as a Reformed or Pentecostal Christian who the traditions heroes are and where the theological accents are placed Charts displaying the denominational representatives of each tradition and bibliographies mapping the path for further explorations add to the value of this guide This is a book that seeks to receive rather than evaluate to listen and understand rather than judge or correct His is a model of theological hospitality

that encourages you to open your doors to the varied ways in which Protestantism has taken root in history and human society Some things take time like coming to know a religious tradition But Exploring Protestant Traditions is an excellent place to start

Free Church, Free State Nigel G. Wright, 2011-11-29 A church free from state control and a state free from church control Such is one of the radical insights of a baptist vision of church and society What exactly is a baptist vision of the church What are the biblical historical and theological roots of this approach to Christian community What is the place of such a vision in the context of a global church that includes alternative notions of the body of Christ Free Church Free State is a textbook on baptist ways of being church and a proposal for the future of baptist churches in an ecumenical context Nigel Wright argues that both baptist small b and catholic small c church traditions should seek to enrich and support each other as valid expressions of the body of Christ without sacrificing what they hold dear Written for pastors church planters evangelists and preachers Nigel Wright offers frameworks of thought for baptists and non baptists in their journey together following Christ

Beyond 400 David J. Cohen, Michael Parsons, 2011-01-01 Baptists worldwide recently celebrated 400 years of history and witness This volume is a collection of papers presented at the Beyond 400 conference held in Perth Western Australia as part of these celebrations Contributors have written from a broad range of perspectives reflecting biblically and theologically on the thinking and practice of Baptists in the past and present These reflections form a basis for exploring how Baptists can function more effectively in our contemporary world situation and imagine themselves in the future Chapters range from providing historical perspectives to biblical and theological reflections on issues that have been critical to Baptist belief and ministry They examine the core values that historically have distinguished Baptists within the broader context of the church and explore how these values might both underpin and play out in Baptist churches today Contributions reflect a firm belief among both the presenters and attendees at the Beyond 400 conference that Baptists not only have a future but also offer a necessary voice to our world This voice is

firmly based on the issues that first precipitated the Baptist movement some 400 years ago and the continuing relevance of these issues as they are reimagined for our contemporary situation *The Churching of America, 1776-1990* Roger Finke, Rodney Stark, 1992 Impressive bound to generate lively discussion and not a little controversy within the nation's church community Baptists and the Christian Tradition Matthew Y. Emerson, Christopher W. Morgan, R. Lucas Stamps, 2020-06-15 In *Baptists and the Christian Tradition* editors Matthew Emerson, Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other Seeds of the Church Teun van der Leer, Henk Bakker, Steven R. Harmon, Elizabeth Newman, 2022-11-30 The landmark World Council of Churches convergence text *The Church Towards a Common Vision* 2012 which has the potential to become this generation's Baptism Eucharist and Ministry 1982 invites the churches to envision how their own distinctive visions of the church might have a place in the global church's imagination of the ecumenical future *Seeds of the Church Towards an Ecumenical Baptist Ecclesiology* is a collaborative effort by members of the Baptist World Alliance Commission on Baptist Doctrine and Christian Unity to respond to this invitation This book contends that the distinctive Baptist ecclesial vision is best embodied in twelve core practices of Baptist churches and their interrelationship: covenanting, discerning, gathering, befriending, proclaiming, equipping, baptizing, discipling, caring, theologizing, scattering, and remembering *Seeds of the Church* opens a window on what is possible when Baptists engage with people of other Christian traditions in the exploration of the common heritage of people belonging to the one household of faith The global Baptist theological voices represented in this volume offer it as a reading of an ecumenical text in a Baptist key that paves the way for ecclesiological renewal among Baptists and in the whole church to which they belong **The Churching of America, 1776-2005** Roger Finke, Rodney Stark, 2005-03-03 Although many Americans assume that religious participation has declined in America, Finke and Stark present a different picture In 1776 fewer than 1 in 5 Americans were active in church affairs Today church membership includes about 6 out of 10 people But as Finke and Stark show, not all denominations benefited They explain how and why the early nineteenth century churches began their descent while two newcomer sects, the Baptists and the Methodists, gained ground They also analyze why the Methodists then began a long downward slide, why the Baptists continued to succeed, how the Catholic Church met the competition of ardent Protestant missionaries, and why the Catholic commitment has declined since Vatican II The authors also explain why ecumenical movements always fail In short, Americans are not abandoning religion; they have been moving away from established denominations A church sect process is always under way Finke and Stark argue as successful churches lose their organizational vigor and are replaced by less worldly groups Some observers assert that the rise in churching rates indicates increased participation, not increased belief Finke and Stark challenge this as well They find that

those groups that have gained the greatest numbers have demanded that their followers accept traditional doctrines and otherworldliness They argue that religious organizations can thrive only when they comfort souls and demand sacrifice When theology becomes too logical or too secular it loses people Evangelizing the South Monica Najar,2008-01-22 Although many refer to the American South as the Bible Belt the region was not always characterized by a powerful religious culture In the seventeenth century and early eighteenth century religion in terms both of church membership and personal piety was virtually absent from southern culture The late eighteenth century and early nineteenth century however witnessed the astonishingly rapid rise of evangelical religion in the Upper South Within just a few years evangelicals had spread their beliefs and their fervor gaining converts and building churches throughout Virginia and North Carolina and into the western regions But what was it that made evangelicalism so attractive to a region previously uninterested in religion Monica Najar argues that early evangelicals successfully negotiated the various challenges of the eighteenth century landscape by creating churches that functioned as civil as well as religious bodies The evangelical church of the late eighteenth century was the cornerstone of its community regulating marriages monitoring prices arbitrating business and settling disputes As the era experienced substantial rifts in the relationship between church and state the disestablishment of colonial churches paved the way for new formulations of church state relations The evangelical churches were well positioned to provide guidance in uncertain times and their multiple functions allowed them to reshape many of the central elements of authority in southern society They assisted in reformulating the lines between the religious and secular realms with significant consequences for both religion and the emerging nation state Touching on the creation of a distinctive southern culture the position of women in the private and public arenas family life in the Old South the relationship between religion and slavery and the political culture of the early republic Najar reveals the history behind a religious heritage that remains a distinguishing mark of American society Andrew Fuller's Theology of Revival Ryan Rindels,2021-01-21 Revival is the arguable heartbeat of evangelical Christianity Though a theologically diverse and globally diffused phenomenon evangelicalism originated in a distinctly Calvinistic milieu Many Puritans in the seventeenth century evangelicals before the revivals emphasized the work of the Holy Spirit including the importance of personal conversion Unlike theologically Arminian proponents of revival such as Charles G Finney many Puritans and early evangelicals believed and taught that the absolute sovereignty of God was compatible with human responsibility Calvinistic Baptists in the early eighteenth century who rejected this tension declined numerically yet a new generation of pastors led their denomination through this impasse Andrew Fuller 1754 1815 defended Reformed doctrine in the Particular Baptist tradition while emphasizing the importance of human response in his preaching writing and fundraising for the Baptist Missionary Society The fruit of Fuller s ministry included growth of churches in England conversions among people groups in the Global South and the preservation of Reformed theology in a challenging Enlightenment context A Unity of Purpose Tony Wolfe,W. Madison Grace II,2025-05-27 The nations were calling A

theology of cooperation was formalizing Best business practices of the day were refining A denominational conscience was solidifying Baptists acknowledged God s call to a great work that would require a great sacrifice and proposed a new funding model for the new day Over the next one hundred years Southern Baptists would give over 20 billion through their Cooperative Program to fund local national and international missions educate their pastors and church leaders present a unified voice in the public square and more The Cooperative Program became the largest voluntary Great Commission funding mechanism the world has ever known But is the Cooperative Program merely Southern Baptist history Does that heroic spirit of strategic sacrificial cooperation still burn within the Baptist body Will the challenges and opportunities of the coming decades be best met by the same financial program or is something else on the horizon On the centennial anniversary of the Cooperative Program A Unity of Purpose collects the voices of leading Southern Baptists to offer a theological historical and missional celebration of the program s past successes and future opportunities Contributors include Bart Barber Paul Chitwood Melanie Clinton James K Dew Jr Daniel Dickard Jason G Duesing Mike Ebert Leo Endel Kevin Ezell RaShan Frost Taffey Hall Adam Harwood Richard Land Brent Leatherwood Scott McConnell Julie Nall McGowan Pete Ramirez and Chris Schaffer

Expect Great Things, Attempt Great Things Allen Yeh,Chris Chun,2013-09-04 William Carey often dubbed The Father of Modern Missions and Adoniram Judson America s first intercontinental missionary were pioneers whose missions overlapped in chronology geography and purpose However rarely are they both featured in the same volume or compared and contrasted Here we have unique material by some of the world s leading experts on these two giants of missionary history with perspectives on these men in ways never seen before Especially relevant to this current age of World Christianity are the perspectives from India and Burma the lands which received these men for their missionary enterprise

Benjamin Wallin Joshua Cook,2023-04-06 How did the gospel survive in an age fraught with rationalism and High Calvinist theology that frowned upon preaching salvation to all What shifts in preaching were evident that could have signaled that the preaching of the day was straying from the heritage of the past Who was Benjamin Wallin and why should this once famous but now forgotten preacher be studied yet again Benjamin Wallin seeks to answer these questions as it reintroduces the modern reader to this remarkable Particular Baptist preacher who remained steadfast in his insistence that the gospel be preached to all

The SBC and the 21st Century Jason K. Allen,2019-05-15 This volume not only promotes meaningful dialogue it calls leaders throughout the SBC into action Extensive thought research assessment and wisdom from some of the SBC s brightest minds have been poured into this volume with the intent of rendering a helpful contribution to SBC life that will propel forward the collective work of Southern Baptists well into the 21st century
