South America Central America The Cari:

South America, Central America and the Caribbean 2002 Jacqueline West, 2001 South America Central America and the Caribbean 2002 has been thoroughly revised and updated by Europa's experienced editorial team. The information included is as invaluable to those who know little of the region as it is to the seasoned businessman or academic. It should be in the reference collections of public and academic libraries, international organizations, trade and industrial companies, diplomats, government and the media. Containing a wealth of up-to-date information on the 48 countries and territories of the region, this reference provides a unique perspective on the region with its exhaustive collection of facts, up-to-date statistics, extensive directory details and expert comment. [South America, Central America and the Caribbean 2003](#) Europa Publications, 2002. Introductory surveys cover topics of regional importance; individual country chapters include analysis, statistics and directory information, plus information on regional organizations. **South America, Central America and the Caribbean 2025** Europa Publications, 2024-10-24. A unique combination of the latest data on and detailed analysis of a vast region. Scrupulously revised and updated, this definitive survey of the countries and territories of South America, Central America and the Caribbean combines expert analysis and commentary, up-to-date economic and socio-political data and extensive directory information. General Survey Essays by leading experts on the area cover issues of regional importance, including an examination of the Caribbean Court of Justice on its 20th anniversary, the rise of the so-called pink tide in Latin American politics, the effects of climate change in the Caribbean and Latin America, moves towards republicanism and growing calls for reparations in the Caribbean, protests, democracy and institutional capacity in Latin America and the cultural and political relevance of religion in Latin America. This in-depth analysis is complemented by extensive coverage of the activities of international organizations operating in South America, Central America and the Caribbean, together with background information on the major commodities of the region. Also included are detailed listings of research institutes studying South America, Central America and the Caribbean and comprehensive bibliographies of books and periodicals relevant to the region. Country Surveys: Individual chapters on each country comprising a geographical overview and map, an essay on the history and the economy, an extensive statistical survey of economic and demographic indicators including area and population, health and welfare, agriculture, forestry, fishing, mining, industry, finance, trade, transport, tourism, communications, media and education, a directory of names, addresses and further key information on the constitution, government, election commissions, political organizations, diplomatic representation, judicial system, religion, the media, finance, trade and industry, transport, tourism, defence and education. A bibliography is also provided for further research. Regional Information: full details of the main regional organizations active within Latin America and the Caribbean. A separate section is included on major commodities of the area. Also included is a directory of research institutes specializing in the region and bibliographies of books and periodicals covering the region.
