now In Tears Before the Rain a stunning oral history of the fall of South Vietnam Larry Engelmann has gathered together the testimony of seventy eyewitnesses both American and Vietnamese who like Mike Marriott capture the feel of history right here and now We hear the voices of nurses pilots television and print media figures the American Ambassador Graham Martin the CIA station chief Thomas Polgar Vietnamese generals Amerasian children even Vietcong and North Vietnamese soldiers Through this extraordinary range of perspectives we experience first hand the final weeks before Saigon collapsed from President Thieu s cataclysmic withdrawal from Pleiku and Kontum Colonel Le Khac Ly put in command of the withdrawal recalls receiving the order I opened my eyes large large large I thought I wasn t hearing clearly to the last minute airlift of Americans from the embassy courtyard and roof I remember when the bird ascended says Stuart Herrington who left on one of the last helicopters It banked and there was the Embassy the parking lot the street lights And the silence Touching heroic harrowing and utterly unforgettable these dramatic narratives illuminate one of the central events of modern history It was like being at Waterloo concludes Ed Bradley of 60 Minutes It was so important so historical And today it is still very obvious that we Americans have not recovered from Vietnam Nothing else in my lifetime was as important as that as important as Vietnam     *Vietnam on Trial* Bob Brewin, Sydney Shaw, 1987     Vietnam Stories Jack Crouchet, 1997 Complex stories of war time bravery brutality compassion and futility can be found in Vietnam Stories A Fudge s Memoir Jack Crouchet retired U S Army Colonel and former military judge brings to life a controversial picture of Americans and Vietnamese in Vietnam during the war years of 1968 1969 Crouchet s unique position as military judge made him privy to the stories and lives of American soldiers Vietnamese people and the U S non military residents who appeared before his court Though not a book of war stories per se Vietnam Stories provides a unique overview of that historical time and includes the author s reflections on the politics of the Vietnam war A strange culture was created by the war in Vietnam While twelve percent of military personnel were involved in actual combat many civilians and high ranking military persons lived in luxury in Saigon They were furnished with airconditioned villas apartments and hotels ate in exquisite French restaurants and traveled in comfort The Vietnam experience of youthful American combat soldiers was one of constant danger as well as confrontation with situations that many were unprepared to deal with Well armed and often immature the soldiers sometimes made decisions which led to tragedy Finally there were the farmers of Vietnam who wanted nothing more than to remain in their fields near the tombs of their ancestors Those who have served in or have visited Vietnam will find much in their experiences to relate to in the pages of Vietnam Stories Eugene F Murrett U S Court of Appeals for the Tenth Circuit     The Fall of the South Clark Dougan, David Fulghum, 1985 The communist offensive of 1975 Jacket subtitle     Drawn Swords in a Distant Land George J. Veith, 2021-03-23 Drawn Swords in a Distant Land showcases the fascinating untold story of the rise and fall of the Republic of Vietnam Putting aside outdated ideological debates it offers the first in depth review of the South Vietnamese successes and failures in building and defending their state Drawn Swords highlights the career of President

Nguyen Van Thieu who in many ways embodied the hopes dreams and innumerable tragedies of the South Vietnamese people It details the extent to which the Vietnamese Nationalists under his leadership built a viable state after the 1968 Tet Offensive weaves together the policy decisions made in Washington Hanoi and Saigon that significantly determined the course of the war and explains why South Vietnam was defeated in April 1975 Equally important it provides stunning new details about how the coup against Ngo Dinh Diem was almost halted describes the backroom maneuvering that chose Thieu for the presidency over Nguyen Cao Ky and demonstrates that Richard Nixon was not the instigator of a conspiracy with Thieu known as the Chennault Affair to win the 1968 election Even more explosive Drawn Swords reveals the last great secret of the Vietnam War a plot by France during the last days in conjunction with one of Hanoi s allies to prevent North Vietnam from conquering Saigon This previously unknown scheme along with many other intriguing new insights sheds fresh light on the tumultuous struggle called the Vietnam War Drawn Swords is the definitive and much overdue account of Thieu and the Second Republic

**The Bloody Experience's Hell Reeducation Camp** Quang Hong Mac (Raphael M.V. Mac),2020-06-27 Time was meaningless Death was waiting Anything touching ground zero that showed the barbarous revenge of the Vietcong ended in a dried bloodbath for whoever served South Vietnam s government This all happened after North Vietnam s last invasion succeeded on April 30 1975 Humanity absented itself into the hell of a prison that was called re education Vietcong killed the soldiers and public servants of South Vietnam using the cruel methods of the Khmer Rouge in Cambodia Prisoners were executed tortured lacked food endured illness without medicine and were subjected to forced labor which created spiritual intimidation The Vietcong killed about 165 000 among 800 000 prisoners while the leftists in society concealed the human rights violations of the Vietcong Author Quang Hong Mac survived escaping by boat after spending more than five years in a Vietcong re education camp He resettled in the U S and continues to fight for democracy Sharing his untold stories with U S public officials and another former Vietcong prisoner this book was written to debunk paranoid socialists in democratic countries The author believes his book can inform the Western World the truth about communism and socialism

A Gift of Barbed Wire Robert S. McKelvey,2012-03-01 A Gift of Barbed Wire is a penetrating look at the lives of South Vietnamese officials and their families left behind in Vietnam after the fall of Saigon in 1975 A former Marine who served in Vietnam Robert McKelvey went on to practice psychiatry and through his work in refugee camps and U S social service organizations met South Vietnamese men from all walks of life who had been imprisoned in re education camps immediately after the war McKelvey s interviews with these former political prisoners their wives and their children reveal the devastating long term impact of their incarceration From the early years in French colonial Vietnam through the Vietnam War from postwar ordeals of re education camps social ostracism and poverty to eventual emigration to the United States this collection of narratives provides broad and highly personal accounts of individuals and families evolving against the backdrop of war and vast social change Some of the people interviewed for the book eventually reached the United States as

boat people fleeing Vietnam in unsafe vessels others arrived after rigorous screening through U S Government sponsored programs But even in the safety of the United States they had to begin anew devoting all their remaining energies to survival While crediting the courage and resilience of these families McKelvey holds a critical mirror up to our culture exploring the nature of our responsibility to our allies as well as the attitudes that obscured the reality of war as a grinding brutal interplay of complex forces that often develops a sustaining energy and momentum of its own driving us in directions that we neither anticipated nor desired

**America on Trial** Thomas A. Lane, 1971 *The South Vietnamese Society* Maj. Gen. Nguyen Duy Hinh, Brig. Gen. Tran Dinh Tho, 2015-11-06 This monograph forms part of the Indochina Monograph series written by senior military personnel from the former Army of the Republic of Vietnam who served against the northern communist invasion During the Vietnam conflict the long and destructive war Communist subversion an unstable economy several changes in government and the extended presence of Free World Military Forces combined to accentuate the basic weaknesses of South Vietnamese society divisiveness and infighting To evaluate the effect that South Vietnamese society had on the conduct of the war this monograph seeks to present the Vietnamese point of view on the joint U S RVN efforts to build a strong and viable South Vietnam the impact of U S aid and the American presence on the South Vietnamese society the most significant social problems that South Vietnam faced during and as a result of the war and finally the viability of the U S supported regime and its leadership To provide this in depth analysis we the authors have drawn primarily on our own experience as major witnesses of South Vietnam s politico social tragedy and participants in the war effort Constructed from the combined vantage points of our positions one in the field and exposed to the rural scene and the other in the very heart of the urban mainstream this work thoroughly reflects the insider s viewpoint and intimate knowledge of South Vietnamese political and social life

Journey to South Vietnam John Williams, 2017-02-06 This book provides a different perspective on the Vietnam conflict Journey to South Vietnam is a story of real life events including my career in the military services the United States Marine Corps USMC and the United States Air Force USAF These compelling and life altering experiences seemed to defy the imagination I was also searching for my god I volunteered for South Vietnam when the United States was in turmoil and the military was not respected by the media or the American public I worked behind the lines at Da Nang Air Base and not in the field where the action occurred but still a bounty was placed on my head for 10 000 While serving in the Marine Corps I was transferred to the Caribbean Sea in an operation during the Dominican Republic crisis CARIB 4 65 During that time my friends and fellow marines were being killed on a mountain known as Monkey Mountain or Hill 621 This hill is situated south of the Son Tra Mountain Range It overlooks Da Nang Harbor and China Beach in the Republic of South Vietnam Their base camp was overrun by the North Vietnamese Army NVA and the Vietcong VC After I was discharged from the marines I felt I needed to get more involved in combat I wanted to go back into the military to be placed into the gauntlet of fire It wasn t until much later that I realized I was struggling with PTSD I joined the air force and within a few months

volunteered for Da Nang South Vietnam near where a lot of my friends perished I tried to inject a little humor in the work situation but it was always misinterpreted During this phase of my life I had many close encounters but God's presence was always there As I look back I now realize that God intervenes not just in my life but in all of our lives South Vietnamese Soldiers's Memories Cherri Giard, 2021-06-04 The Vietnam War came to define America in the second half of the 20th century after America became entangled in Vietnam following a disastrous French attempt to prevent Indochina the area of south east Asia that contains Vietnam from gaining its independence So contentious was the conflict that for years afterward the country suffered marches riots and even deaths as a result of the turmoil People who love to read stories that touch on war history culture politics and perhaps foremost survival will appreciate You Must Live Above all it's a story of human resilience from a country so many Americans died trying to protect The story has only been told by the American Media and the Communists Shouldn't the world also have the opportunity to experience the story through the eyes of one member of the South Vietnamese military America's ally This book is a memoir It gives personal insight into Vietnam's history culture education military government and politics and how they affected my life During the war years I sadly lost my father to chronic treatable diseases because we didn't have money for treatment My mother struggling to feed seven small children was wounded by shrapnel entering our home one night in the crossfire I experienced a chilling journey collecting my brother in law's corpse during the Tet Offensive Heartbreakingly I lost my beloved sister as she miscarried due to curfew laws I faced multiple near death experiences during the War I came to America with sixteen cents handed down from an American soldier Overcoming the language barrier I built my home with my own hands and sent my two children to college Returns of War Long T. Bui, 2018 Returns of War critically examines the Vietnam War and its implications for the lives and memories of Vietnamese refugees in the U.S. **South Vietnam: U.S.-Communist Confrontation in Southeast Asia: 1969** Lester A. Sobel, Stanley Millett, Edward W. Knappman, 1966 *Black April* George J. Veith, 2012 The defeat of South Vietnam was arguably America's worst foreign policy disaster of the 20th Century Yet a complete understanding of the endgame from the 27 January 1973 signing of the Paris Peace Accords to South Vietnam's surrender on 30 April 1975 has eluded us Black April addresses that deficit A culmination of exhaustive research in three distinct areas primary source documents from American archives North Vietnamese publications containing primary and secondary source material and dozens of articles and numerous interviews with key South Vietnamese participants this book represents one of the largest Vietnamese translation projects ever accomplished including almost one hundred rarely or never seen before North Vietnamese unit histories battle studies and memoirs Most important to celebrate the 30th Anniversary of South Vietnam's conquest the leaders in Hanoi released several compendiums of formerly highly classified cables and memorandum between the Politburo and its military commanders in the south This treasure trove of primary source materials provides the most complete insight into North Vietnamese decision making ever compiled While South Vietnamese deliberations remain less clear enough material exists to

provide a decent overview Ultimately whatever errors occurred on the American and South Vietnamese side the simple fact remains that the country was conquered by a North Vietnamese military invasion despite written pledges by Hanoi's leadership against such action Hanoi's momentous choice to destroy the Paris Peace Accords and militarily end the war sent a generation of South Vietnamese into exile and exacerbated a societal trauma in America over our long Vietnam involvement that reverberates to this day How that transpired deserves deeper scrutiny *The Only War We've Got* Daniel Ford, 2001
