South With Endurance Shackleton's Antarctic Expeditions 1914 1917:

South with Endurance Frank Hurley, 2001 The definitive collection of Frank Hurley's amazing photos from Shackleton's Antarctic expedition is the first book to reproduce all the surviving expedition photos some of which have never been published Over 450 photos *South with Endurance* Frank Hurley, 2001 **South with Endurance** Tamiko Rex, 2014-12-01 Sir Ernest Shackleton's trans Antarctic expedition of 1914 1917 was one of the great feats of human endurance one vividly captured in the powerful and dramatic pictures taken by Frank Hurley the expedition's official photographer An amazing body of photojournalism these are also images of great artistry that capture the life and death drama that was played out against a frozen landscape of magnificent and terrible beauty In the summer of 1914 Shackleton and his crew set sail from England to claim the last great remaining prize of Antarctic exploration to traverse the continent from one coast to the other crossing the South Pole on the way But the *Endurance* became trapped in pack ice and was finally crushed leaving the crew stranded After camping on ice floes for five months Shackleton's men reached Elephant Island a barren outcrop too remote to allow any hope of rescue From there Shackleton and five volunteers set out for South Georgia Island in an open lifeboat miraculously reaching their destination after crossing 850 miles of the worst seas on earth There they raised help and after two thwarted attempts Shackleton made it back to Elephant Island with a rescue ship Every single one of his men survived Almost as incredible is the fact that so much of this saga was captured on film by Hurley and that so many of these pictures survived *South with Endurance* reproduces the best of Hurley's photographs including many remarkable colour images that were never published before The images are complemented by excerpts from his diary a chapter on the expedition itself a biographical essay and commentary about Hurley's photographic equipment and techniques

South Ernest Shackleton, 2013-10-31 As the first world war broke out across Europe Shackleton's expedition to the South Pole became trapped by ice Their ship the *Endurance* was crushed and the men were forced to survive in and escape from one of the world's most hostile environment Traversing glaciers scaling cliffs and crossing treacherous seas in open boats all the time threatened by brutal cold and hunger the men through their own strength and Shackleton's leadership all made it to safety This story makes the efforts of latterday adventurers pale in comparison **South** Ernest Henry Shackleton Sir, 2016-06-27 Experience the epic survival adventure of Ernest Shackleton's Imperial Trans Antarctic Expedition brought to life with photos from the journey as well as modern color photography of the fauna seascapes and landscapes In 1914 the polar explorer Ernest Shackleton announced an ambitious plan to lead the Imperial Trans Antarctic Expedition the first trek across Antarctica from the Atlantic to the Pacific via the South Pole Shackleton's third expedition would prove fraught with adventure and peril *South* is the remarkable tale of that ill fated expedition as told in Shackleton's own words and illustrated here with the photography of expedition photographer Frank Hurley as well as modern color imagery of the fauna and stunning vistas the men encountered Their story begins on the eve of World War I when the ship *Endurance* departed from

England with Shackleton and his team of six men The plan was to travel 1 800 miles across the icy continent from the Atlantic side while a second team aboard the ship Aurora would reach the Pacific side from Tasmania and lay out supply depots for the advancing team As the Endurance approached the continent however it faced early ice and the vessel became hopelessly locked in an ice floe beginning a series of travails for the men of the Endurance including ice covered mountainous islands harrowing days in a life raft surrounded by hurricane force winds braving untested overland routes into the vast unknown and much more Today considered an adventure survival classic *South* is the true story of a thrilling polar expedition Never before has Shackleton s lively prose been so extensively illustrated with such stunning images *South!* Ernest Henry Shackleton,2022-11-13 In *South* Ernest Henry Shackleton recounts the harrowing and ambitious journey of the Imperial Trans Antarctic Expedition of 1914 1917 blending adventure narrative with a rich reflection on human fortitude The literary style is evocative and immersive employing vivid imagery and suspenseful storytelling to convey the relentless cold and the psychological strains of survival Shackleton s account is not merely a tale of exploration it serves as a poignant exploration of resilience in the face of adversity all set against the stark and unforgiving backdrop of the Antarctic wilderness Shackleton a distinguished polar explorer was propelled by a deep seated passion for adventure and discovery which was shaped by his early experiences in the Arctic and Antarctic regions His leadership during the expedition marked by unparalleled courage and decision making under extreme pressure culminates in the remarkable story he shares in *South* This account bridges the gap between scientific exploration and the profound human experience illustrating Shackleton s belief in the indomitable strength of the human spirit A must read for adventurers and scholars alike *South* transcends the boundaries of conventional exploration literature offering invaluable insights into leadership and perseverance Shackleton s journey not only chronicles survival but also serves as an enduring testament to hope and camaraderie making it essential reading for anyone captivated by human endeavor against nature s might *South: The Story of Shackleton's Last Expedition, 1914-1917* Sir Ernest Henry Shackleton,2023-09-10 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *STC South* Sir Ernest Shackleton Sir Ernest Henry Shackleton,2016-03-31 Ernest Shackleton sailed to the South Pole as the First World War broke out in Europe intent on making the first ever trans Antarctic crossing i *South* i is Shackleton s first hand account of the epic expedition which he described as the last great journey on earth During the journey their ship the Endurance became trapped by ice and was crushed forcing the men to survive in and escape from one of the world s most hostile environments With no hope of rescue Shackleton and four others set sail in a small open boat on a 600 mile crossing to South Georgia Shipwrecked on the uninhabited side of the island they were forced into making the first ever winter crossing of the island all the time threatened by brutal cold and hunger i *South* i solidified Shackleton s name as an explorer The dramatic story one of the most astonishing feats of Polar escapology remains as enthralling as when it was first

South Ernest Shackleton,2021-09-12 In 1914 the polar voyager Ernest Shackleton reported a goal oriented arrangement to lead the Imperial Trans Antarctic Expedition the primary trip through Antarctica from the Atlantic to the Pacific by means of the South Pole Shackleton s third campaign would demonstrate loaded with experience and danger South is the striking story of that disastrous endeavor as told in the most natural sounding way for Shackleton and delineated here with the photography of campaign picture taker Frank Hurley just as current shading symbolism of the fauna and dazzling vistas the men experienced Their story starts just before World War I when the boat Endurance left from England with Shackleton and his group of six men The arrangement was to traverse the frigid mainland from the Atlantic side while a second group on board the boat Aurora would arrive at the Pacific side from Tasmania and spread out supply warehouses for the propelling group As the Endurance moved toward the landmass notwithstanding it confronted early ice and the vessel turned out to be pitifully secured an ice floe starting a progression of struggles for the men of the Endurance including ice covered uneven islands frightening days in a daily existence pontoon encompassed by typhoon power winds overcoming untested overland courses into the immense obscure and significantly more Today thought to be an undertaking endurance exemplary South is the genuine story of an exhilarating polar campaign At no other time has Shackleton s energetic composition been so widely represented with such dazzling pictures *South* Sir Ernest Shackleton,2009-01 Sir Ernest Henry Shackleton CVO OBE

1874 1922 was an Irish explorer of Anglo Irish ancestry He was a member of four Antarctic expeditions three of which he led After the Nimrod Expedition 1907 09 he was knighted for his achievement in establishing a record furthest south latitude at 88 23 S 97 nautical miles 180 km from the South Pole He is most noteworthy for leading the unsuccessful Imperial Trans Antarctic Expedition often known as the Endurance Expedition between 1914 and 1916 Although Shackleton failed to achieve his goal of crossing the Antarctic continent on foot he demonstrated the qualities of leadership for which he is best remembered when the expedition ship Endurance became trapped in the ice and was destroyed Shackleton known by his contemporaries as the Boss led his men to refuge on Elephant Island before heading across 800 miles 1 300 km of the Southern Ocean to South Georgia in an open boat with five other men Upon reaching the remote island Shackleton and two others crossed severe mountainous terrain to reach a whaling station from which he was able eventually to rescue his men on Elephant Island **South!** Ernest H. einiger Zeit des Hoffens musste die Mannschaft das Schiff zur cklassen und sich auf die berwinterung auf dem Eis vorbereiten Es folgten Monate in denen sie um ihr berleben k mpfen mussten und in denen Shackleton seine selbstlosen Qualit ten als Kapit n unter Beweis stellte Dieses Buch erz hlt auf packende Art und Weise die Geschichte der tapferen M nner in der Antartis **South** Sir Ernest Henry Shackleton,1920 **South** Ernest Shackleton,Sir Ernest Henry Shackleton,1999 In 1911 Roald Amundsen beat Robert Falcon Scott to the South Pole and Scott and his colleagues all died on the return journey Ernest Shackleton who had served with Scott on a previous expedition decided that crossing Antarctica from sea to sea was the last great unattempted journey on the continent His Imperial Trans Antarctic Expedition of 1914 17 was a failure But perhaps because it failed with Shackleton not only surviving but bringing his crew back alive the expedition became more famous than many of those adventurous voyages that succeeded After reaching the Weddell Sea off the coast of the Antarctic Peninsula Shackleton s ship the Endurance became trapped in pack ice and spent 1915 drifting northwards The Endurance was eventually crushed by the ice and sank leaving 28 men stranded on the ice They spent months sheltering from the subzero temperatures as the pack ice continued to drift Eventually Shackleton accepted they could not rely on rescue and had to help themselves so he led five men on an 800 mile voyage in an open boat to reach South Georgia from where he was able to mount a rescue of all of the men he had left behind on the ice Every one of them survived a remarkable tribute to his leadership courage and determination South is Shackleton s own account of the Imperial Trans Antarctic Expedition It is a true story of courageous endurance survival against the odds and an undeterred sense of adventure This special edition includes detailed maps so that the reader can see just how extraordinary Shackleton s achievement was

extraordinary Shackleton's achievement was **South The Story Of Shackleton's Last Expedition 1914 1917** Ernest Shackleton C V O, 2025-05 South The story of Shackleton's last expedition 1914 1917 presents a vivid reflection on endurance leadership and the human drive to overcome the impossible The book centers on an expedition into one of Earth's harshest regions capturing the tension between aspiration and the uncontrollable force of nature At its heart is a confrontation with isolation physical limits and environmental hostility The text enhances the emotional and psychological struggles of men pushed to extremes where courage must extend beyond survival and into loyalty and shared purpose It elevates the idea of leadership not through hierarchy but through empathy and unwavering commitment to others The account also draws on the complexity of preparation the illusion of control and the unpredictability of nature's raw power What emerges is a portrait of unity under pressure the kind forged not by triumph but by refusal to surrender to despair Scientific curiosity while present is overshadowed by the sheer will to persevere This is a study of fortitude an internal force that reveals itself most fully when external certainty collapses In these moments the human spirit becomes both the journey and the destination **South!** Sir Ernest Shackleton, 2017-10-25 South The Story of Shackleton's Last Expedition 1914 1917 is the factual blow by blow narrative of the ill fated polar expedition of the Endurance from the mouth of the Captain Sir Ernest Shackleton himself Part adventure tale part story of survival the British explorer's detailed journal is one of the most gripping tales of heroism and survival in the face of almost certain death to have ever been told *South* Sir Ernest Henry Shackleton, 2001 This is Ernest Shackleton's account of the doomed Endurance voyage Setting out on the eve of World War I he wanted to be the first to cross the last unknown continent but the exploration was plagued with problems and ended in a desperate struggle for survival *South* Sir Ernest Henry Shackleton, 1998 Literally the epic of the ice South is the narration in rich detail of Shackleton's final Antarctic journey 1914 1917 Philadelphia Evening Public Ledger 70 photos line drawings Copyright Libri GmbH All rights reserved **South: the Story of Shackleton's Last Expedition 1914-1917** Sir Ernest Henry Shackleton, 1920 *South* Sir Ernest Henry Shackleton, 1920
