It also now includes even more pubs and inns in this beautiful and scenic region of England. The Hidden Inns series of regional guides covers hidden pubs and inns throughout the United Kingdom. The series originates from the enthusiastic suggestions of the landladies and landlords of inns reviewed in the Hidden Places series of travel guides and from Hidden Places readers who want to be directed to traditional inns with atmosphere and character which are so much a part of our British heritage. The inns reviewed in the book may have been coaching inns and have definitely been a part of the history of the village or town in which they are located for many many years. A Travel Publishing researcher has visited all of the inns reviewed and all serve food and drink. Many also offer the visitor accommodation. The Hidden Inns of the South East is packed full with a variety of different pubs and inns.
