compact and concise than the earlier ones New Suggested Discussion Topics are added and contemporary issues such as the Global Financial Tsunami Asian economic integration and Michael Spence's World Bank Report are also dealt with Lim Chong Yah: An Autobiography - Life Journey Of A Singaporean Professor Chong Yah Lim, 2017-01-18 Why are some nations rich and others poor Why do the citizens of some countries lead a happy prosperous life while others struggle in terrible want This book takes the reader through the eventful life journey of one of Singapore's best known economists and educators Professor Lim Chong Yah Born in Malacca the author planted tapioca to feed himself and his family caught fish in paddy fields and was thrown in jail as a 10 year old during the war He fought to win a Commonwealth scholarship to get a decent education met the love of his life at a Chinese New Year party became a Professor at two of the best universities in Asia and went on to write one the most widely used economics textbooks of the time *Elements of Economic Theory* At 84 Lim Chong Yah is as feisty indomitable and curious as when he was a small cheeky boy catching fighting fish in those paddy fields And he still asks the fundamental question of how each of us can make a difference **Southeast Asian Development** Andrew McGregor, 2008-03-03 Southeast Asia has long fascinated development practitioners and researchers for being one of the few regions of the world that has resisted global trends to become a successful developing region Divided into accessible thematic chapters this book adopts a unique perspective of equitable development to outline the strengths and weaknesses of the transformations taking place in the Southeast Asian region Focusing on four key themes equality and inequality political freedom and opportunity empowerment and participation and environmental sustainability these concepts are used to explore Southeast Asian development and trace the impacts that the growing popularity of market led and grassroots approaches are having upon economic political and social processes Whilst the diversity of the region is emphasized so are some of the homogenizing trends such as the concentration of wealth and services in urban areas and the subsequent migration of rural people into urban factories and squatter settlements The ongoing commercialization and industrialization of rural agriculture as well as the expansion of non farm income earning opportunities in rural spaces and the alarming rates of environmental degradation which threaten health and livelihoods are also exposed In highlighting how Southeast Asian development is unevenly distributing wealth opportunities and risks throughout the region this book emphasizes the need for creative new approaches to ensure that benefits of development are equitably enjoyed by all Including illustrations case studies and further reading this book provides an accessible up to date introductory text for students and researchers interested in Southeast Asian development development studies Asian studies and geography *Singapore's National Wages Council: An Insider's View* Chong Yah Lim, 2013-12-30 Written by Emeritus Professor LIM Chong Yah Founding Chairman of the tripartite National Wages Council NWC this unique volume offers readers an insider's view of the genesis and the evolution of the wage determination mechanism and system in Singapore under the aegis of the NWC As a tripartite body dealing with wages wage policies and wage related matters and promoting Growth with Equity the NWC played a

critical role in transforming industrial relations in Singapore from the then confrontational approach to that of mutual understanding esprit de corps and social co partnership Drawing from his 30 year experience as NWC Chairman 1972 2001 Singapore s eminent Economics Professor shares with readers the important process and problems of seeking equitable wage increases through tripartite consensus based on a yearly national wage guideline system The book also chronicles the role of the NWC in crisis management in 1974 1985 and 1998 and in Economic Restructuring 1979 1981 The structure and operation of this unique Singapore institution and the interesting problems of securing unanimity of support from the three tripartite partners are revealed in the book Some important NWC personalities and their concerns and unique contributions are interestingly covered anecdotally **Exchange Rate Systems And Policies In Asia** Paul Sau Leung Yip,2008-11-05

This important book comprises insightful papers on lessons learned from some major exchange rate and monetary experiences in Asia exchange rate crisis management in Asia and choice of exchange rate systems in Asia Originally published in the Singapore Economic Review Vol 52 No 3 2007 it deals primarily with the exchange rate systems and policies in the three largest economies in Asia China Japan and India It also contains a paper on Singapore s exchange rate system whose success could make it a role model for other small open economies Notable contributors include Ronald McKinnon and John Williamson among others The editor is the original designer of China s latest exchange rate system reform Learning Diversity in the Chinese Classroom Shane N. Phillipson,2007-10-01 A unique feature of Learning Diversity in the Chinese Classroom is its Chinese context for meeting the educational requirements of children with special needs At a time when many of the currently available texts in the area have a general perspective Asian teachers and students have long felt the need for a text that specifically recognizes the local context Learning Diversity in the Chinese Classroom notes that international trends including those in many Southeast Asian countries are moving toward inclusive education and special needs and includes chapters on giftedness counseling and behavior management Section 1 of the book describes the context of inclusive education in Asia Summaries of the special features of the classroom in the region the conceptions of inclusion and cultural diversity from the perspective of the Asian classroom and how these are different to the Western classroom are provided Section 2 focuses on various approaches to meeting the educational and socio emotional needs of children in the inclusive classroom The first part is concerned with theoretical underpinnings of the type of need and the second part describes examples of how a teacher can cater for this type of diversity according to subject including mathematics Chinese English information technology and arts Section 3 widens the perspective and describes a whole school approach to meeting the educational requirements of children with special needs A systems approach is taken whereby the success of the inclusive school is dependent on the functioning of a number of interrelated parts This section draws from recent case studies which describe the approaches taken by a number of schools that have been successful in implementing inclusive education Learning Diversity in the Chinese Classroom will appeal to teachers parents health professionals who are working

with children with special educational needs      *Southeast Asian Personalities of Chinese Descent* Leo Suryadinata, 2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore      Singapore and Asia in a Globalized World Wai Mun Chia, Hui Ying Sng, 2009 This book is a spin off from a highly successful seminar series jointly organized by the Division of Economics of the Nanyang Technological University NTU and the Ministry of Education MOE of Singapore The seminars discuss contemporary domestic and regional economic issues and public policies that are relevant to the everyday lives of Singaporeans The wish to introduce these economic issues to a broader audience outside the confinement of a lecture theatre came to fruition with the completion of this book This book contains 13 chapters that are grouped under three sections Under the section OC Public Policies and Economic Issues of Singapore OCO Singapore s public policies in the areas of healthcare Central Provident Fund and monetary policy are explored as well as issues concerning Singapore s economic development such as economic transformation innovation and capital accumulation are discussed The second section OC Singapore and the Region in a Globalized World OCO looks at the challenges and opportunities presented to Singapore and the region in an increasingly globalized world Current issues on the sub prime crisis and Asian monetary integration are also discussed The last section OC Other Economic Issues OCO consists of papers in specific areas such as economics of medical decisions economics of love and the role of exchange rates in foreign direct investment      **Economic Growth Of Singapore In The Twentieth Century: Historical Gdp Estimates And Empirical Investigations** Ichiro Sugimoto, 2011-01-12 Research on Singapore s economic history has been complicated by the absence of economic data on pre independence Singapore This book aims to fill the gap by presenting a time series of historical GDP estimates for the periods 1900 39 and 1950 60 The new data presented in the book sheds light on two key aspects of Singapore s economic history namely the relationship between economic instability and growth as well as the government s fiscal policy towards economic growth As the first comprehensive empirical economic history of twentieth century Singapore this book is a valuable reference source for

academics and graduate students interested in development and empirical economics      **Singapore and Asia** Hui Ying Sng, Sng Hui Ying, Wai Mun Chia, 2010 This book is an annual effort by the economists at the Nanyang Technological University to provide analysis interpretations and insights of contemporary economic issues affecting Singapore and Asia It covers two key themes 1 Global Financial Tsunami and 2 other economic issues affecting Singapore and Asia The Global Financial Tsunami is currently ravaging the world financial systems and the world economy The authors brilliantly tackle pertinent issues such as fiscal and monetary management of the current crisis impacts of the crisis on the Singapore and Asian economies policy measures implemented by Singapore and other countries to combat the crisis and regional efforts to mitigate the adverse impacts of the crisis A wide range of important economic issues affecting Singapore and Asia including inflation exchange rate workfare environmental economics population and worth of human life in Singapore are addressed competently The chapters build on economic and analytical frameworks to help readers better understand the economic and policy issues discussed      **Asian Economies** Jamus Jerome Lim, 2024-03-25 An insightful and thorough exploration of the economies of Asia In Asian Economies History Institutions and Structure seasoned economist and professor Jamus Jerome Lim provides a comprehensive discussion and incisive analysis of the economies of Asia In addition to discussing the sharp contrasts between the region's three major economies China India and Japan Lim also provides an overview of the rise of the Dragon economies of the East to the resource rich economies of the West The book adopts a unique approach to the treatment of these economies weaving in aspects of these countries economic geography and history their idiosyncratic institutions and structures along with providing a comparative and international perspective The book offers Careful emphasis on the geographic preconditions and enduring legacy of economic history on the contemporary and future prospects of each of the countries and regions discussed within Examinations of the importance of the political and economic institutions as well as market and industrial structures in shaping the trajectories of the economies considered in the book Discussions of the dramatic differences and similarities between the Asian economies as well as how these differences shape these economies interactions with the rest of the world Perfect for undergraduate and graduate students of economics Asian Economies will also earn a place on the bookshelves of business and finance professionals seeking to understand the economies of the world's most diverse and dynamic region      Closing Rice Yield Gaps in Asia Melanie Connor, Martin Gummert, Grant Robert Singleton, 2023-10-04 This open access book contributes not only to the scientific literature on sustainable agricultural development and in particular rice agriculture but also is highly valuable to assist practitioners projects and policymakers due to its sections on reducing carbon footprint agricultural innovations and lessons learned from a multi country multi stages development project The scope of the book is conceived as a detailed documentation of the implementation dissemination and impact of the CORIGAP project in Sri Lanka Myanmar Thailand China Vietnam and Indonesia with spill over to Cambodia and the Philippines It pulls together actionable research findings with the experience
