Southern Baptist Convention And The Judgment Of History

Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson

Southern Baptist Convention And The Judgment Of History:

The Southern Baptist Convention and the Judgment of History E. Copeland, 1995-05-16 Never before has a book sought to relate the various aberrations of Southern Baptist history to the defense of slavery Copeland maintains that the inception of the Southern Baptist Convention is tainted by its origins in the defense of slavery The Southern Baptist Convention and the Judgment of History also emphasizes the relation to American Baptists the response to the ecumenical movement the position of women the enforcement of theological orthodoxy and foreign missions

The Southern Baptist Convention and the Judgement of History Luther E. Copeland, 2002-07-03 Without revealing when the original was published Copeland says he has incorporated subsequent events and has clarified his argument that taking the wrong side of the slavery issue was not the Convention's only error but merely its most pernicious He continues to assert that the position not only contributes to ongoing racism but also has possible effects on foreign missions relations with American Baptists responses to the ecumenical movement the treatment of women and attempts to enforce orthodoxy of belief He was a Baptist missionary Annotation copyrighted by Book News Inc Portland OR *Not an Easy Journey* Walter B. Shurden, 2005 Shurden on Baptists Assessments Appreciations Apologies contains articles essays and speeches given by Walter Shurden on Baptists Walter Shurden is a longtime champion of the role of freedom in the Baptist tradition Recognizing that freedom alone does not tell the whole story Shurden also speaks to and from other cardinal Baptist convictions Some of the materials in this volume appear for the first time and consist of speeches and addresses that Shurden has made at crucial points in recent Baptist life in America in the latter part of the twentieth century Especially concerned with the fundamentalist takeover of the Southern Baptist Convention and the resulting lack of emphasis on historic Baptist principles Shurden addresses directly and indirectly the SBC controversy in several of the chapters of this book More Shurden emphasizes what makes Baptists distinctive in American religious life

The Southern Baptist Convention & Civil Rights, 1954-1995 David Roach, 2021-12-17 According to conventional wisdom theological liberals led the Southern Baptist Convention to reject segregation and racism in the twentieth century That's only half the story Liberals criticized segregation before mainstream Southern Baptists They created racially integrated ministry opportunities They pressed the Southern Baptist Convention to reject segregation Yet historians have discounted the role of conservative theology in the convention's shift away from racial segregation and prejudice This book chronicles how conservative theology proved remarkably compatible with efforts toward racial justice in America's largest Protestant denomination between 1954 and 1995 At times conservative theology was even a catalyst for rejecting racial prejudice Efforts to eradicate racism and segregation were in fact least successful when they appealed to the social gospel or appeared to draw from liberal theology

The Making of the 1963 Baptist Faith and Message A. J. Smith, 2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this

document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee s work Of special note are the contributions made by Wayne Ward Leo Garrett the religion faculty of Mercer University and the theology faculty of Southern Seminary Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines 1 Scripture 2 Man 3 Salvation 4 The Church Chapter 8 is the conclusion Four appendices contain early drafts of the Committee s work

Distinctively Baptist Essays on Baptist History Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley s preface D uring some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden s works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework

Encyclopedia of Religion in the South Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been

totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history

Southern Baptists Slayden A. Yarbrough, Michael Kuykendall, 2021-09-09 Southern Baptists have a unique and colorful story Birthed in the time of slavery controversy their theology on this and human rights issues has changed as cultural and societal developments occurred One thing that never changed however was their zeal for evangelism They eventually grew to become the largest Protestant denomination in the United States Later a major controversy in the late twentieth century pitted conservative Baptists against moderates Both sides however wrote histories of the controversy from their own perspectives These histories were significant for understanding how each side interpreted the events These pages attempt to fill a missing gap Readers will hear the Southern Baptist story from both sides Understand from this how Southern Baptists work think grow argue and have changed over time They have weathered the ups and downs of history to reveal an ever growing heritage

History of the Baptist Young People's Union of America John Wesley Conley, 1913

Baptists in America Bill J. Leonard, 2005 From Little Dove Old Regular Baptist Church up a hollow in the Appalachian Mountains with its 25 member congregation to the 18 000 strong Saddleback Valley Church in Lake Forest California where hymns appear on wide screen projectors and from Jerry Falwell Jesse Helms and Tim LaHaye to Martin Luther King Jr Jesse Jackson Bill Clinton and Maya Angelou Baptists are a study in contrasts At first glance Baptist theology seems classically Protestant in its emphasis on the Trinity the incarnation of Jesus Christ the authority of Scripture salvation by faith alone and baptism by immersion Yet interpretation and implementation of these beliefs have made Baptists one of the most fragmented denominations in the United States Indeed they are often characterized as a people who multiply by dividing This book introduces readers to this fascinating and diverse denomination offering a sociological portrait of a group numbering some thirty million members Bill J Leonard explores Baptist history beliefs practices and disputes as well as contributions to American culture and the religious landscape Leonard also discusses the major controversial issues within the denomination including race the interpretation of scripture the role of women in the church the separation of church and state religion and politics ethics and sexuality From publisher description

Into the Pulpit Elizabeth H. Flowers, 2012-04-09 The debate over women's roles in the Southern Baptist Convention's conservative ascendancy is often seen as secondary to theological and biblical concerns Elizabeth Flowers argues however that for both moderate and conservative Baptist women all of whom had much at stake disagreements that touched on their familial roles and ecclesial authority have always been primary And in the turbulent postwar era debate over their roles caused fierce internal controversy While the legacy of race and civil rights lingered well

into the 1990s views on women's submission to male authority provided the most salient test by which moderates were identified and expelled in a process that led to significant splits in the Church. In Flowers's expansive history of Southern Baptist women, the woman question is integral to almost every area of Southern Baptist concern: hermeneutics, ecclesial polity, missionary work, church-state relations, and denominational history. Flowers's analysis, part of the expanding survey of America's religious and cultural landscape after World War II, points to the South's changing identity and connects religious and regional issues to the complicated relationship between race and gender during and after the civil rights movement. She also shows how feminism and shifting women's roles, behaviors, and practices played a significant part in debates that simmer among Baptists and evangelicals throughout the nation today.

The Baptist Faith and Message 2000 Douglas K. Blount, Joseph D. Wooddell, 2007-06-07 Southern Baptists are the nation's largest Protestant denomination with over 43,000 churches and millions of members. Since its inception, controversy has surrounded the Baptist Faith and Message 2000, Southern Baptists' most recent confession of faith. The present volume consists of essays by Baptist scholars explaining and defending that document. Each of the 18 articles of the BF M 2000 is addressed with special attention to the most critical issues and changes from the denomination's 1963 confession. Also included is an appendix comprising the full text of all three Baptist Faith and Message statements from the 20th century: 1925, 1963, and 2000, in side-by-side columns for easy reference and comparison. Contributors include Al Mohler, Paige Patterson, Tom Nettles, Dorothy Patterson, E. David Cook, and C. Ben Mitchell, with a foreword by Susie Hawkins. Brief yet comprehensive, detailed yet accessible to the non-specialist, this volume is a must-read for Southern Baptist professors and students, staff and church members, and anyone interested in one of the most powerful religious forces in America.

The Great Commission Martin I. Klauber, Scott M. Manetsch, Erwin Lutzer, 2008 A unique book that focuses exclusively on the history of evangelical cross-cultural missions from the eighteenth century through today, *The Great Commission* will interest anyone who is passionate about the spreading of God's Word.

[A Kingdom Divided](#) April E. Holm, 2017-12-11 *A Kingdom Divided: Evangelicals, Loyalty, and Sectionalism in the Civil War Era* offers a new analysis of religion and the Civil War, exploring how evangelical Christians shaped American faith and ideas about slavery in the mid-nineteenth century. The border states stood at the center of a long struggle over slavery, sin, and politics in American evangelicalism that consumed individual congregations and entire states. This book illuminates border evangelicals' view of their providential role in American history, demonstrates that border churches established the terms of the debate over the relationship between church and state in wartime, and explains how the major Southern evangelical denominations successfully resisted postwar reconciliation.

We Confess! Deborah Brunt, 2011-11 How could a church culture that lifted high the name of Jesus make covenant with the Confederacy? How did the Southern Baptist Convention lead the way? How do divided hearts and unholy covenants still hinder awakening in the conservative US church culture? What dramatic changes will a spirit of grace and supplication bring? *We Confess: The Civil War, the South, and the Church* uncovers

the answers historically and biblically God is revealing what we haven't wanted to see so we can become who we truly are He promises to cleanse us from bloodguilt not yet cleansed as we say what we haven't dared say As we confess healing life oneness witness and true worship flow As we confess our Lord is honored and his kingdom furthered So why don't we who most tend to gravitate to the word celebrate when talking of the Civil War instead throw all caution to the wind and confess Honest compelling courageous redemptive this remarkable look at the conservative church culture rooted in the Deep South explores such topics as king cotton and mighty oaks the fast God has chosen spiritual bulimia spiritual schizophrenia blood covenant cleansing from bloodguilt an undivided heart *All or Nothing* Jessica Warner, 2010-01-26 A completely original exploration of the abstinence movement in America from alcohol to sex to meat America's long love affair with abstinence goes back to the early nineteenth century when thousands of men and women suddenly stopped drinking hard liquor Consistency then demanded that they give up all their other vices beer and cider tobacco coffee meat pickles pies masturbation and more Two centuries later the ideal of abstinence has lost none of its power to influence how Americans live and how they want you to live With her trademark wit and irony acclaimed author Jessica Warner tells the story of one of America's most enduring and powerful ideals There are many surprises along the way starting with the abolitionists feminists and other do-gooders who were the first and most thoroughgoing of America's abstainers And always there are the colourful people who brought the idea to life the visionaries preachers college professors feminists and cranks who practiced what they preached **Racism** Albert J. Wheeler, 2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature **Uneasy in Babylon** Barry Hankins, 2002-04-24 As these self-professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life **BOOK JACKET** **When Texas Prison Scams Religion** Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly

destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars When All God's Children Get Together Emmanuel L. McCall,2007 Baptists in the South were once considered the last bastions of segregation From 1957 to 1995 God was at work changing the attitudes of those opposed to the acceptance of all people The change was so phenomenal that Dr C Peter Wagner at Fuller Theological Seminary called Southern Baptists the most open and diverse denomination in the nation This change did not come by accident College and seminary professors denominational servants women in the Woman s Missionary Union in local churches average laypeople and many other unnamed persons made it happen This book tells how God used people and events to bring about unheard changes The book is written from the author s point of view therefore it is limited in scope However because the author had a national platform the book reflects that perspective as well

Eventually, you will extremely discover a extra experience and expertise by spending more cash. nevertheless when? reach you believe that you require to get those every needs in imitation of having significantly cash?
