

SOUTHERN CAPITALISM

The Political Economy of North Carolina, 1880–1980

Phillip J. Wood

Southern Capitalism

Susan-Mary Grant, Brian Holden-Reid

Southern Capitalism:

Southern Capitalism Philip J. Wood, 1986-08-13 Southern Capitalism challenges prevailing views of Southern development by arguing that the persisting peculiarities of the Southern economy such as low wages and high poverty rates have not resulted from barriers to capitalist development nor from the lingering influence of planter values Wood argues that these peculiarities can instead be best understood as the consequence of a strategy of capitalist development based on the creation and preservation of social conditions and relations conducive to the above average exploitation of labor by capital focusing on the evolving relationship between capital and labor as the core of this strategy Wood follows the process of capitalist industrialization in North Carolina from its beginnings in the aftermath of the Civil War to the 1980s **Southern Capitalism** Phillip J. Wood, 1986 **Southern Scoundrels** Jeff Forret, Bruce E. Baker, 2021-04-21 The history of capitalist development in the United States is long uneven and overwhelmingly focused on the North Macroeconomic studies of the South have primarily emphasized the role of the cotton economy in global trading networks Until now few in depth scholarly works have attempted to explain how capitalism in the South took root and functioned in all of its diverse and duplicitous forms Southern Scoundrels explores the lesser known aspects of the emergence of capitalism in the region the shady and unscrupulous peddlers preachers slave traders war profiteers thieves and marginal men who seized available opportunities to get ahead and in doing so left their mark on the southern economy Eschewing conventional economic theory this volume features narrative storytelling as engaging and seductive as the cast of shifty characters under examination Contributors cover the chronological sweep of the nineteenth century South from the antebellum era through the tumultuous and chaotic Civil War years and into Reconstruction and beyond The geographic scope is equally broad with essays encompassing the Chesapeake South Carolina the Lower Mississippi Valley Texas Missouri and Appalachia These essays offer a series of social histories on the nineteenth century southern economy and the changes wrought by capitalist transformation Tracing that story through the kinds of oily individuals who made it happen Southern Scoundrels provides fascinating insights into the region s hucksters and its history Contents Introduction Jeff Forret and Bruce E Baker Preachers and Peddlers Credit and Belief in the Flush Times John Lindbeck A Gentleman and a Scoundrel Alexander McDonald Financial Reputation and Slavery s Capitalism Alexandra J Finley How Deeply They Weed into the Pockets Slave Traders Bank Speculators and the Anatomy of a Chesapeake Wildcat 1840 1843 Jeff Forret Bernard Kendig Orchestrating Fraud in the Market and the Courtroom Maria R Montalvo William A Britton v Benjamin F Butler Occupied New Orleans Confiscation and the Disruption of the Cotton Trade in Wartime Natchez Jeff Strickland Devils at the Doorstep Confederate Judges Masters of Sequestration Rodney J Steward Irresistibly Impelled toward Illegal Appropriation The Civil War Schemes of William G Cheeney Jimmy L Bryan Jr Das Kapital on Tchoupitoulas Street The Marketing of Stolen Goods and the Reserve Army of Labor in Reconstruction Era New Orleans Bruce E Baker The Violent Lives of William Faucett Elaine S Frantz Eureka Law and Order for Sale in Gilded Age Appalachia

T R C Hutton **Cavaliers and Economists** Katharine A. Burnett, 2019-05-15 Offering a compelling intervention in studies of antebellum writing Katharine A Burnett's *Cavaliers and Economists* Global Capitalism and the Development of Southern Literature 1820-1860 examines how popular modes of literary production in the South emerged in tandem with the region's economic modernization In a series of deeply historicized readings Burnett positions southern literary form and genre as existing in dialogue with the plantation economy's evolving position in the transatlantic market before the Civil War The antebellum southern economy comprised part of a global network of international commerce driven by a version of laissez faire liberal capitalism that championed unrestricted trade and individual freedom to pursue profit Yet the economy of the U S South consisted of large scale plantations that used slave labor to cultivate staple crops including cotton Each individual plantation functioned as a racially and socially repressive community a space that seemingly stood apart from the international economic networks that fueled southern capitalism For writers from the South fiction became a way to imagine the region as socially and culturally progressive while still retaining hallmarks of traditional southern culture namely plantation slavery in the context of a rapidly changing global economy Burnett excavates an elaborate network of transatlantic literary exchange operating concurrently with the region's economic expansion in which southern writers adopted popular British genres such as the historical romance and the seduction novel as models for their own representations of the U S South Each chapter focuses on a different genre pairing largely understudied southern texts with well known British works Ranging from the humorous sketch to the imperial adventure tale and the social problem novel *Cavaliers and Economists* reveals how southern writers like Augusta Jane Evans Johnson Jones Hooper Maria McIntosh William Gilmore Simms and George Tucker reworked familiar literary forms to reinvent the South through fiction By considering the intersection of economic history and literary genre *Cavaliers and Economists* provides an expansive study of the means by which authors created southern literature in relation to global free market capitalism showing that in the process they renegotiated and rejustified the institution of slavery *Southern Europe* Giulio Sapelli, 2014-09-19 Until relatively recently most of southern Europe was governed by authoritarian dictatorships but within the space of two decades more or less stable democracies have become established throughout the entire region At the same time backward peasant economies have been transformed by the injection of huge amounts of capital and new technology into modern economies which are now approaching the size of the more established economies of Northern Europe *Southern Europe* is a major contribution to our understanding of European politics The product of original research and synthesis on exceptionally wide literature it provides authoritative and systematic coverage of the politics economics and society of this important region of Europe from 1945 up to the 1994 election of Silvio Berlusconi's far right alliance in Italy *Southern Europe?* Martin Baumeister, Roberto Sala, 2015-10-08 Gegenwärtig erlebt der Süden Europas in der öffentlichen Debatte eine neue Konjunktur Mit Vorliebe wird dabei ein europäischer Nord-Süd-Gegensatz heraufbeschworen ohne jedoch auf seine lange Geschichte zu

blicken Wirtschaftlich und politisch unterentwickelt unterschieden sich Italien Spanien Portugal und Griechenland nach dem Zweiten Weltkrieg von den sogenannten westeuropäischen Gesellschaften Zu Beginn des 21. Jahrhunderts schien diese Ungleichheit überwunden Nun droht die Schuldenkrise den Kontinent erneut zu spalten Die Beiträge hinterfragen gängige Annahmen und Bilder von Südeuropa und ergründen inwiefern der Süden einen homogenen Raum mit strukturellen Gemeinsamkeiten darstellt

Southern Slavery and the Law, 1619-1860 Thomas D. Morris, 2004-01-21 This volume is the first comprehensive history of the evolving relationship between American slavery and the law from colonial times to the Civil War As Thomas Morris clearly shows racial slavery came to the English colonies as an institution without strict legal definitions or guidelines Specifically he demonstrates that there was no coherent body of law that dealt solely with slaves Instead more general legal rules concerning inheritance mortgages and transfers of property coexisted with laws pertaining only to slaves According to Morris southern lawmakers and judges struggled to reconcile a social order based on slavery with existing English common law or in Louisiana with continental civil law Because much was left to local interpretation laws varied between and even within states In addition legal doctrine often differed from local practice And as Morris reveals in the decades leading up to the Civil War tensions mounted between the legal culture of racial slavery and the competing demands of capitalism and evangelical Christianity

Technology, Innovation, and Southern Industrialization

Susanna Delfino, Michele Gillespie, 2008 Because of its strong agrarian roots the South has typically been viewed as a region not favorably disposed to innovation and technology Yet innovation was never absent from industrialization in this part of the United States From the early nineteenth century onward southerners were as eager as other Americans to embrace technology as a path to modernity This volume features seven essays that range widely across the region and its history from the antebellum era to the present to assess the role of innovations presumed lacking by most historians Offering a challenging interpretation of industrialization in the South these writings show that the benefits of innovations had to be carefully weighed against the costs to both industry and society The essays consider a wide range of innovative technologies Some examine specific industries in subregions steamboats in the lower Mississippi valley textile manufacturing in Georgia and Arkansas coal mining in Virginia and sugar planting and processing in Louisiana Others consider the role of technology in South Carolina textile mills around the turn of the twentieth century the electrification of the Tennessee valley and telemedicine in contemporary Arizona marking the expansion of the region into the southwestern Sunbelt Together these articles show that southerners set significant limitations on what technological innovations they were willing to adopt particularly in a milieu where slaveholding agriculture had shaped the allocation of resources They also reveal how scarcity of capital and continued reliance on agriculture influenced that allocation into the twentieth century relieved eventually by federal spending during the Depression and its aftermath that sparked the Sunbelt South's economic boom Technology Innovation and Southern Industrialization clearly demonstrates that the South's embrace of technological innovation in the

modern era doesn't mark a radical change from the past but rather signals that such pursuits were always part of the region's economy. It deflates the myth of southern agrarianism while expanding the scope of antebellum American industrialization beyond the Northeast and offers new insights into the relationship of southern economic history to the region's society and politics. *The Roots of Southern Populism* Steven Hahn, 2006-05-18 Despite the vast changes in plantation agriculture following the Civil War and Reconstruction, the lot of small farmers was little improved. Examining the nonplantation region of upcountry Georgia as a microcosm of the South, Steven Hahn showed how farmers were buffeted by such forces as the unravelling of antebellum household economy, the development of market forces, the growth of a new class of merchants, landlords, and rising tensions between town and countryside, and how their resentments fuelled the Populist movement at the end of the 19th century. For this updated edition, Hahn will add new material to discuss how the book has stood up since it was published over twenty years ago, how the arguments and questions were received, and what influence they may have had on scholarship. He will also consider what has happened to historical interest in Populism, poor white people, and populist politics, as well as why he thinks it likely that interest may revive and what sort of questions and arguments may drive it.

Confrontation And Liberation In Southern Africa Ibrahim S. R. Msabaha, 2019-03-13 The 1984 Nkomati Accord, a bilateral security agreement between South Africa and Mozambique to eliminate guerrilla threats on both sides of a common border, was a milestone in regional confrontation and cooperation. Yet the real challenge to the white South African regime is not external; it is internal opposition to apartheid. This volume, written by leading African scholars, begins by exploring the origins of racism and nationalism in Southern Africa. The contributors discuss the spread of nationalist movements throughout the region, arguing that South Africa has attempted to resist, divert, or undermine the domino effect by capitalizing on the Nkomati Accord. The authors focus on the legal aspects of the Accord, its impact on the foreign and defense policies of the Front Line States, prospects for regional development and economic integration, and potential outcomes of the national liberation struggles in Southern Africa. **Backcountry Slave Trader** Philip Noel Racine, Frances Melton

Racine, 2019-11-20 *Backcountry Slave Trader* explores the life of William James Smith, a South Carolina backcountry slave trader whose entries in his business ledger and his correspondence were of unusual specificity. The authors analyze these entries and his correspondence, which they argue provides details about the institutional features of the domestic slave trade not found in earlier published works. The authors examine the attitude of Smith and how he conducted his business and reveal that the interior slave trade and the characterization of the slave trader are more nuanced than previously thought.

The New Political Economy of Flexible Integration in Europe Rafał Riedel, 2025-05-12 The main aim of the book is to analyse the United in Diversity paradigm of the European integration project. With its comparative approach, the book brings together a wide range of academic work on flexible integration to explore the diversities between the various European countries. Interdisciplinary in scope, it aims to explain the flexible forms of integration in Europe in the light of the new

political economy In doing so a deep insight into the variety and complexity of differentiation and flexibility in European integration is also of added value for policy makers across Europe working in the field of integration Themes of the American Civil War Susan-Mary Grant,Brian Holden-Reid,2009-09-10 Themes of the American Civil War offers a timely and useful guide to this vast topic for a new generation of students The volume provides a broad ranging assessment of the causes complexities and consequences of America s most destructive conflict to date The essays written by top scholars in the field and reworked for this new edition explore how and in what ways differing interpretations of the war have arisen and explains clearly why the American Civil War remains a subject of enduring interest It includes chapters covering four broad areas including The Political Front The Military Front The Race Front and The Ideological Front Additions to the second edition include a new introduction added to the current introduction by James McPherson a chapter on gender as well as information on the remembrance of the war historical memory The addition of several maps a timeline and an appendix listing further reading battlefield statistics and battle regiment general names focuses the book squarely at undergraduates in both the US and abroad **This Vast Southern Empire** Matthew Karp,2016-09-12 Most leaders of the U S expansion in the years before the Civil War were southern slaveholders As Matthew Karp shows they were nationalists not separatists When Lincoln s election broke their grip on foreign policy these elites formed their own Confederacy not merely to preserve their property but to shape the future of the Atlantic world *The Roots of Southern Populism* Steven Howard Hahn,1979

No Depression in Heaven Alison Collis Greene,2016 A study of the inability of the churches to deal with the crisis of the Great Depression and the shift from church based aid to a federal welfare state Translations from Kommunist ,1965

America's Johannesburg Bobby M. Wilson,2019-12-01 In some ways no American city symbolizes the black struggle for civil rights more than Birmingham Alabama During the 1950s and 1960s Birmingham gained national and international attention as a center of activity and unrest during the civil rights movement Racially motivated bombings of the houses of black families who moved into new neighborhoods or who were politically active during this era were so prevalent that Birmingham earned the nickname Bombingham In this critical analysis of why Birmingham became such a national flashpoint Bobby M Wilson argues that Alabama s path to industrialism differed significantly from that of states in the North and Midwest True to its antebellum roots no other industrial city in the United States depended as much on the exploitation of black labor so early in its urban development as Birmingham A persuasive exploration of the links between Alabama s slaveholding order and the subsequent industrialization of the state America s Johannesburg demonstrates that arguments based on classical economics fail to take into account the ways in which racial issues influenced the rise of industrial capitalism **Southern Insurgency** Immanuel Ness,2015-10-20 The site of industrial struggle is shifting Across the Global South peasant communities are forced off the land to live and work in harsh and impoverished conditions Inevitably new methods of combating the spread of industrial capitalism are evolving in ambitious militant and creative ways This is the first

book to theorise and examine the present and future shape of global class struggles Immanuel Ness looks at three key countries China India and South Africa In each case he considers the broader historical forces at play the effects of imperialism the decline of the trade union movement the class struggle and the effects of the growing reserve army of labour For each case study he narrows his focus to reveal the specifics of each grassroots insurgency export promotion and the rise of worker insurgency in China the new labour organisations in India and the militancy of the miners in South Africa This is a study about the nature of the new industrial worker in the Global South about people living a terrifying precarious existence but also one of experimentation solidarity and struggle

The Political Economy of Slavery Eugene D. Genovese, 2012-01-01

This classic study of antebellum Southern society demonstrates how slavery was the bedrock of the region's social order and cultural identity In The Political Economy of Slavery Eugene Genovese argues that slavery gave the South a distinct class structure political community economy ideology and a set of psychological patterns As a result the South grew away from the rest of the nation and became increasingly unstable during the nineteenth century The difficulties it faced economic political moral and ideological constituted a fundamental antagonism between modern and premodern worlds Southern slavery was the foundation on which rose a powerful social class which in turn dominated Southern society While they constituted only a tiny portion of the white population they were powerful enough to largely succeed at building a new or rather rebuilding an old civilization

Southern Capitalism Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Southern Capitalism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Southern Capitalism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Southern Capitalism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Southern Capitalism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Southern Capitalism Books

What is a Southern Capitalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Southern Capitalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Southern Capitalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Southern Capitalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Southern Capitalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
