Southern Baptists And American Evangelicals:

Are Southern Baptists "Evangelicals"? James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983 **Southern Baptists & American Evangelicals** David S. Dockery, 1993 Southern Baptists, Evangelicals, and the Future of Denominationalism David S. Dockery, Ray Van Neste, Jerry Tidwell, 2011-04-15 Leading Southern Baptist and Evangelical scholars R Albert Mohler Jr Ed Stetzer Timothy George etc discuss the most significant challenges within denominationalism and evangelicalism **Southern Baptists and American Evangelicals**, 2023 **American Evangelicals** Barry Hankins, 2009-02-16 There may be no group in American society that is more talked about but so little understood as Evangelical Christians Sometimes dismissed as violent fundamentalists and ignorant flat earthers few can doubt the political cultural and religious significance of the Evangelicals Barry Hankins puts the Evangelical movement in historical perspective reaching back to its roots in the Great Awakening of the eighteenth century and leading up to the formative moments of contemporary conservative Protestantism Taking on key topics such as the standing of science the authority of scripture and gender and racial equality Hankins analyzes what is most essential for us to understand today about this potent movement

The Evangelicals Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing *The SBC and the 21st Century* Jason K. Allen, 2019-05-15 This volume not only promotes meaningful dialogue it calls leaders throughout the SBC into action Extensive thought research assessment and wisdom from some of the SBC's brightest minds have been poured into this volume with the intent of rendering a helpful contribution to SBC life that will propel forward the collective work of Southern Baptists well into the 21st century *Southern Baptist Consensus and Renewal* David S. Dockery, 2008 When former United States presidents Jimmy Carter and Bill Clinton announced the establishment of a broadly inclusive New Baptist Covenant that will be launched in early 2008 excluded from the proceedings were leaders from the Southern Baptist Convention SBC Recognizing the need for both conviction and cooperation for

confessional commitments and biblical unity Union University president David Dockery rallies Southern Baptists anew for such a time as this in Southern Baptist Consensus and Renewal a prophetic clarion call to cooperation unity and renewal throughout the SBC Many issues today threaten to sidetrack Southern Baptists from advancing the gospel missions and theological education together Dockery urges them to focus on their confessional heritage and renew their commitment to truth to doctrinal fidelity and to the Christ centered message of the gospel Publisher **Forgotten but Not Gone** James Hoyle Maples, 2018-08-16 All of us are shaped in many ways by unseen markers in our DNA Unknown ancestral traits contribute to determination of such things as eye and hair color height and even a certain propensity or susceptibility to certain diseases To some extent religious bodies are similarly the product of their beliefs and doctrines at times and in certain ways to beliefs and doctrines buried in the inherited make up of that body or denomination Landmarkism is such a genetic like marker in the Southern Baptist Convention yet is largely unknown and its influence is barely recognized today as a contributing factor in much of Baptist practice and belief This book seeks to trace the origin and transmission of landmark beliefs from the time of its greatest influence to the present day when it is largely unknown but certainly present in beliefs and practices that have developed and become part of the Southern Baptist body in many instances The Oxford History of Protestant Dissenting Traditions, Volume IV Jehu J. Hanciles, 2019-03-07 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations Volume IV examines the globalization of dissenting traditions in the twentieth century During this period Protestant Dissent achieved not only its widest geographical reach but also the greatest genealogical distance from its point of origin Covering Africa Asia the Middle East America Europe Latin America and the Pacific this collection provides detailed examination of Protestant Dissent as a globalizing movement Contributors probe the radical shifts and complex reconstruction that took place as dissenting traditions encountered diverse cultures and took root in a multitude of contexts many of which were experiencing major historical change at the same time This authoritative overview unambiguously reveals that Dissent was transformed as it travelled *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two* James Leo Garrett Jr., 2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment

the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garret Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations **Trump, White Evangelical Christians, and American Politics** Anand Edward Sokhey,Paul A. Djupe,2024-03-05 In Trump White Evangelical Christians and American Politics political scientists Anand Edward Sokhey and Paul A Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians They argue that while this relationship which saw evangelicals supporting a famously unfaithful materialistic and irreligious candidate despite self defining in opposition to these characteristics prompted many to wonder if Trump himself transformed American evangelical religion in politics this alliance reflected both change and the outcome of dynamics that were in place or building for decades Contributors contextualize the Trump presidency within the story of religious demographic change the growth of politicized religion nationalistic religious expression and the ways religion and politics in the United States are enmeshed in the politics of race These investigations find that the idea of religious transformation is not accurate Instead the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life but these changes ultimately complemented and advanced an existing white evangelical strategy to increase political and social power as they became a demographic minority in the United States Taken together this collection reveals new insights for readers seeking to understand the religious dimensions of Trump s rise the reasons evangelicals become political activists and the multifaceted alliances between secular politicians and conservative religious subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis **Uneasy in Babylon** Barry Hankins,2002-04-24 As these self professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life BOOK JACKET Southern Baptists Observed Nancy Tatom Ammerman,1993

Convictional Civility C. Ben Mitchell,Carla D. Sanderson,Gregory Alan Thornbury,2015-01-01 Jesus calls his followers to be salt and light in a fallen world Through the ages believers have grappled with what form Christian cultural engagement should take Various Christian thinkers have advocated models of engagement and some recent models have used the discourse of the battlefield to speak of winning the culture war In a post Constantinian post Christian culture how are

believers to live in the world without being of the world Throughout his ministry David S Dockery has persistently advocated convictional civility as a vision for contemporary engagement in which witness is more important than winning and fidelity is more effective than fighting In this volume respected Christian leaders honor him by presenting these essays that explore convictional civility as a lifestyle of bearing witness for Christ and of contributing to the common good From the pulpit to the public square and from the campus to the courtroom followers of Christ are to demonstrate Christian virtues through winsome civility and Christian values through wholehearted conviction

American Evangelicals in Egypt Heather Jane Sharkey, 2008 In 1854 American Presbyterian missionaries arrived in Egypt as part of a larger Anglo American Protestant movement aiming for worldwide evangelization Protected by British imperial power and later by mounting American global influence their enterprise flourished during the next century American Evangelicals in Egypt follows the ongoing and often unexpected transformations initiated by missionary activities between the mid nineteenth century and 1967 when the Six Day Arab Israeli War uprooted the Americans in Egypt Heather Sharkey uses Arabic and English sources to shed light on the many facets of missionary encounters with Egyptians These occurred through institutions such as schools and hospitals and through literacy programs and rural development projects that anticipated later efforts of NGOs To Egyptian Muslims and Coptic Christians missionaries presented new models for civic participation and for women's roles in collective worship and community life At the same time missionary efforts to convert Muslims and reform Copts stimulated new forms of Egyptian social activism and prompted nationalists to enact laws restricting missionary activities Faced by Islamic strictures and customs regarding apostasy and conversion and by expectations regarding the proper structure of Christian Muslim relations missionaries in Egypt set off debates about religious liberty that reverberate even today Ultimately the missionary experience in Egypt led to reconsiderations of mission policy and evangelism in ways that had long term repercussions for the culture of American Protestantism

The American Evangelical Story Douglas A. Sweeney, 2005-08 Surveys the role American evangelicalism has had in shaping global evangelical history

Baptist Political Theology Thomas S. Kidd, Paul D. Miller, Andrew T. Walker, 2023-07-01 Baptist ideals like the separation of church and state have indelibly shaped Western democracies and Baptist thinkers continue to influence public policy and political engagement today Yet the historical contours enduring commitments and current contributions of Baptist political thought are little understood Baptist Political Theology edited by scholars Thomas Kidd Paul Miller and Andrew Walker introduces readers to the full sweep of Baptist engagement with politics Part 1 reviews the life writings and political activity of important figures in Baptist history as well as Baptist involvement in key historical eras and episodes Part 2 presents a collective effort at applied political theology with essays relating Baptist principles to a range of contemporary issues This monumental volume sheds light on the history and contemporary practice of Baptists in the public square offering context and clarity for Baptist political thought in the years to come

Baptists and the Christian Tradition Matthew Y.

Emerson, Christopher W. Morgan, R. Lucas Stamps, 2020-06-15 In *Baptists and the Christian Tradition* editors Matthew Emerson Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other
