Souvenirs Und Devotionalien:

Souvenirs und Devotionalien Ernst Künzl, Gerhard Koeppel, 2002 Literaturverz S 81 83 Souvenirs and the Experience of Empire in Ancient Rome Maggie Popkin, 2022-04-21 This book uses ancient souvenirs and memorabilia to reveal the experiences interests imaginations and aspirations of ordinary ancient Romans Souvenir aus dem Paradies Maraike Heymann, 2024-01-17 Souvenirs sind kleine Andenken aus dem Urlaub und an den Urlaub F r manche stammen sie aus einer Art Paradies oder f hren sie in der Erinnerung dahin zur ck Es gibt Souvenirs die manchem peinlich sind andere werden vergessen und tauchen wieder auf und manche werden wie ein Schatz geh tet oder trifft manchmal sogar alles auf einmal zu Souvenirs gelten als kitschig banal und sentimental und bergen f r ihre BesitzerInnen gleichzeitig Tiefendimensionen Wom glich auch f r eine praktisch theologische Erkundung Heymann macht Souvenirs und Urlaubsandenken f r praktisch theologische Arbeit und Theoriebildung fruchtbar Eine empirische Studie deckt souvenirtheoretische Linien auf bei denen die jeweils spezifischen Souvenirkonzepte besondere Modi des Erinnerns und Deutungen der Befragten ineinandergreifen Die Ergebnisse m nden in einen sechsteiligen praktisch theologischen Zugriff mit Zug ngen ber die Erschlie ung von Materialit t und sozialen Praktiken bis hin zu theologischen berlegungen zum Begriff des Lebens Die Studie f hrt nicht nur zu einer praktisch theologischen Perspektive auf Urlaubsandenken sondern auch zu einer Selbstbesinnung darauf was Praktische Theologie ist und wie sie arbeiten kann Destinations in Mind Kimberly Cassibry, 2021 On the road from Gades to Rome on the itinerary cups At the Games charioteers and gladiators on spectacle cups On the border Hadrian s wall on the Fort Pans By the sea Baiae and Puteoli on the Bay Bottles **The Oxford Handbook of the Second Sophistic** Daniel S. Richter, William A. Johnson, 2017-10-24 Focusing on the period known as the Second Sophistic this Handbook offers guidance on the wide range of textual materials that survive many of which are useful or even core to inquiries of particularly current interest while also keeping a sharp focus on how we can best situate these texts within the broader socio cultural milieu **A Map of the Body, a Map of the Mind: Visualising Geographical Knowledge in the Roman World** Iain Ferris, 2024-06-20 This study considers the relationship between geography and power in the Roman world most particularly the visualisation of geographical knowledge in myriad forms of geography products geographical treatises histories poems personifications landscape representations images of barbarian peoples maps itineraries and imported foodstuffs **Religion and Tourism** Michael Stausberg, 2012-11-12 This book explores the dynamic interaction between religion and tourism in the modern world It considers questions such as do travellers leave their religion at home when they are touring and what happens if not what are the relationships between tourism and pilgrimage what happens to religious performances places and festivals that function as tourism attractions Other chapters examine religious theme parks wellness and spa tourism the roles played by tourist guides guidebooks and religious souvenirs and the role of tourism as a major arena of religious encounters in the contemporary world Surveying the growing

body of work in the field Michael Stausberg argues that tourism should be a major focus of research within religious studies

The Hunchback in Hellenistic and Roman Art Lisa Trentin, 2015-06-18 The subject of deformity and disability in the ancient Greco Roman world has experienced a surge in scholarship over the past two decades Recognizing a vast but relatively un der explored corpus of evidence scholars have sought to integrate the deformed and disabled body back into our understanding of ancient society and culture art and representation The Hunchback in Hellenistic and Roman Art works towards this end using the figure of the hunchback to re think and re read images of the Other as well as key issues that lie at the very heart of ancient representation The author takes an art historical approach examining key features of the corpus of hunchbacks as well as representations of the deformed and disabled more generally This provides fertile ground for a re assessment of current and likewise marginalized scholarship on the miniature in ancient art hyperphallicism in ancient art and the emphasis on the male body in ancient art Sculptures from Roman Syria II Mustafa Koçak, Detlev

Kreikenbom, 2022-12-05 For the first time this publication comprehensively documents and analyzes the Greek and Roman statuary discovered to date in the greater area of Syria The text portion describes nearly all monuments in detail and classifies them in the context of the history of ancient sculpture The associated volume of plates documents every item in detail typically with four photographic views *Materializing Memory in Art and Popular Culture* Laszlo Muntean, Liedeke Plate, Anneke Smelik, 2016-12-08 Memory matters It matters because memory brings the past into the present and opens it up to the future But it also matters literally because memory is mediated materially Materiality is the stuff of memory Meaningful objects that we love or hate function not only as aide mmoire but are integral to memory Drawing on previous scholarship on the interrelation of memory and materiality this book applies recent theories of new materialism to explore the material dimension of memory in art and popular culture The book s underlying premise is twofold on the one hand memory is performed mediated and stored through the material world that surrounds us on the other hand inanimate objects and things also have agency on their own which affects practices of memory as well as forgetting Chapters 1 4 and 5 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 3 0 license **Global History, Visual Culture and**

Itinerancies Francisco José Díaz Marcilla, Jorge Tomás García, Yvette Sobral dos Santos, 2020-11-18 National studies have demonstrated their inability to correctly understand global phenomena and the way in which they affect societies This chronologically ambitious book investigates methodological and theoretical issues from Roman times to the present in terms of globalization In this context one of the most relevant parameters of change emerges the itinerancy of culture and knowledge Therefore this volume argues that itinerant agents carry with them cultural baggage transporting and transmitting it to other spaces In this way interconnection begins producing active changes in global history and visual culture Contributions to this book focus on comparative studies the evolution of global phenomena historical processes in

their diachrony regional studies changing economies cultural continuities and methodological questions on globalization among others In addition the book opens with a contribution from Professor Peter Burke **Roman Portable Sundials** Richard J. A. Talbert, 2017 Talbert investigates miniature sundials which can be adjusted for the owner's whereabouts They incorporate a list of locations and latitudes for ready reference data that offers insight into Romans' worldviews To some perhaps these sundials were primarily symbols of scientific awareness as well as imperial mastery of time and space

Greek and Roman Small Size Sculpture Giovanni Colzani, Clemente Marconi, Fabrizio Slavazzi, 2023-10-24 Considerations about size and scale have always played a central role within Greek and Roman visual culture deeply affecting sculptural production Both Greeks and Romans in particular had a clear notion of colossality and were able to fully exploit its implications with sculpture in many different areas of social cultural and religious life Instead despite their ubiquitous presence an equal and contrary categorization for small size statues does not seem to have existed in Greek and Roman culture leading one to wonder what were the ancient ways of conceptualizing sculptural representations in a format markedly smaller than life size Even in the context of modern scholarship on Classical Art few notions appear to be as elusive as that of small sculpture often treated with a certain degree of diffidence well summarized in the formula *Klein aber Kunst* In fact a large and heterogeneous variety of objects corresponds to this definition all kinds of small sculpture from statuettes to miniatures in a variety of materials including stone bronze and terracotta associated with a great array of functions and contexts and with extremely different levels of manufacture and patronage It would be a major misunderstanding to think of these small sculptures in general as nothing more than a cheap and simplified alternative to larger scale statues Compared with those their peculiar format allowed for a wider range of choices in terms for example of use of either cheap or extremely valuable materials not only marble and bronze but also gold and silver ivory hard stones among others methods of production combining seriality and variation modes of fruition such as involving a degree of intimacy with the beholder rather than staging an illusion of presence Furthermore their pervasive presence in both private and public spaces at many levels of Greek and Roman society presents us with a privileged point of view on the visual literacy of a large and varied public Although very different in many respects small sized sculptures entertained often a rather ambivalent relationship with their larger counterparts drawing from them at the same time schemes forms and iconographies By offering a fresh new analysis of archaeological evidence and literary sources through a variety of disciplinary approaches this volume helps to illuminate this rather complex dynamic and aims to contribute to a better understanding of the status of Greek and Roman small size sculpture within the general development of ancient art **Paul the Martyr** David L. Eastman, 2023-02-15 Ancient iconography of Paul is dominated by one image Paul as martyr Whether he is carrying a sword the traditional instrument of his execution or receiving a martyr's crown from Christ the apostle was remembered and honored for his faithfulness to the point of death As a result Christians created a cult of Paul centered on particular holy sites and characterized by practices

such as the telling of stories pilgrimage and the veneration of relics This study integrates literary archaeological artistic and liturgical evidence to describe the development of the Pauline cult within the cultural context of the late antique West

International Congress of Roman Frontier Studies 20 Ángel Morillo Cerdán, Norbert Hanel, Esperanza Martín, 2009 This massive three volume set publishes the proceedings of the 2006 Limes conference which was held in Leon a total of 138 contributions Naturally these cover a vast range of topics related to Roman military archaeology and the Roman frontiers The archaeology of the Roman military in Spain and contributions by Spanish scholars are prominent whilst other themes include the internal frontiers the end of the frontiers and the barbarians in the empire the fortified town in the late Roman period soldiers on the move and the early development of frontiers Further sessions had a regional focus Majority of essays in English some in Spanish German and Italian

Marble Statuettes of the Roman Period Brian Martens, 2025-07-18 The excavations of the Athenian Agora have played a major role in bringing to light the rich sculptural legacy of ancient Athens The project's storerooms boast one of the most important bodies of sculpture from classical antiquity covering the complete range and history of output in a storied center of artistic production This volume presents for the first time the marble statuettes and statuette fragments carved between the 1st century BCE and the 4th century CE that have been excavated from the Agora since 1931 Comprising one in six figural sculptures found at the site these works are testament to a thriving demand for small divine images in Roman period Greece that has been insufficiently recognized until now Among these broken and battered figures are the portraits of polytheistic Athens naked Aphrodite at her bath winged Eros assisting his mother tired Herakles after a labor teenage Artemis aiming her bow attentive Asklepios dispatching cures The author marshals a detailed and heavily illustrated catalogue of 672 objects to offer new data to the study of Greek iconography and sculptural production Taken as a collective whole the statuettes document the vibrant religion society and art of Athens and beyond

Divine Institutions Dan-el Padilla Peralta, 2023-06-06 How religious ritual united a growing and diversifying Roman Republic Many narrative histories of Rome's transformation from an Italian city state to a Mediterranean superpower focus on political and military conflicts as the primary agents of social change Dan el Padilla Peralta places religion at the heart of this transformation showing how religious ritual and observance held the Roman Republic together during the fourth and third centuries BCE a time when the Roman state significantly expanded and diversified Blending the latest advances in archaeology with innovative sociological and anthropological methods this incisive book overcomes many of the evidentiary hurdles that for so long have impeded research into this pivotal period in Rome's history Divine institutions reconstructs the scale and social costs of these religious practices and reveals how religious observance emerged as an indispensable strategy for bringing Romans of many different backgrounds to the center both physically and symbolically Back cover

World and Hour in Roman Minds Richard J. A. Talbert, 2023 The nineteen essays in *World and Hour in Roman Minds* Exploratory Essays encapsulate Talbert's pioneering efforts to penetrate Romans elusive consciousness of space and time

The range spans itineraries maps boundary markers roads sundials and veterans certificates **Future Thinking in Roman Culture** Maggie L. Popkin, Diana Y. Ng, 2021-12-30 Future Thinking in Roman Culture is the first volume dedicated to the exploration of prospective memory and future thinking in the Roman world integrating cutting edge research in cognitive sciences and theory with approaches to historiography epigraphy and material culture This volume opens a new avenue of investigation for Roman memory studies in presenting multiple case studies of memory and commemoration as future thinking phenomena It breaks new ground by bringing classical studies into direct dialogue with recent research on cognitive processes of future thinking The thematically linked but methodologically diverse contributions all by leading scholars who have published significant work in memory studies of antiquity both cultural and cognitive make the volume well suited for classical studies scholars and students seeking to explore cognitive science and philosophy of mind in ancient contexts with special appeal to those sharing the growing interest in investigating Roman conceptions of futurity and time The chapters all deliberately coalesce around the central theme of prospection and future thinking and their impact on our understanding of Roman ritual and religion politics and individual motivation and intention This volume will be an invaluable resource to undergraduate and postgraduate students of classics art history archaeology history and religious studies as well as scholars and students of memory studies historical and cultural cognitive studies psychology and philosophy

Excavating Pilgrimage Troels Myrup Kristensen, Wiebke Friese, 2017-02-03 This volume sheds new light on the significance and meaning of material culture for the study of pilgrimage in the ancient world focusing in particular on Classical and Hellenistic Greece the Roman Empire and Late Antiquity It thus discusses how archaeological evidence can be used to advance our understanding of ancient pilgrimage and ritual experience The volume brings together a group of scholars who explore some of the rich archaeological evidence for sacred travel and movement such as the material footprint of different activities undertaken by pilgrims the spatial organization of sanctuaries and the wider catchment of pilgrimage sites as well as the relationship between architecture art and ritual Contributions also tackle both methodological and theoretical issues related to the study of pilgrimage sacred travel and other types of movement to from and within sanctuaries through case studies stretching from the first millennium BC to the early medieval period

Souvenirs Und Devotionalien Introduction

In today's digital age, the availability of Souvenirs Und Devotionalien books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Souvenirs Und Devotionalien books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Souvenirs Und Devotionalien books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Souvenirs Und Devotionalien versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Souvenirs Und Devotionalien books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Souvenirs Und Devotionalien books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Souvenirs Und Devotionalien books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Souvenirs Und Devotionalien books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Souvenirs Und Devotionalien books and manuals for download and embark on your journey of knowledge?
