Sovereignty And Subjectivity:

Sovereignty and Subjectivity Jenny Edkins, Nalini Persram, Véronique Pin-Fat, 1999 **Georges Bataille** Benjamin Noys, 2000-05-20 Cover Title Page Copyright Contents Acknowledgements Abbreviations Introduction 1 The Subversive Image 2 Inner Experience 3 Sovereignty 4 The Tears of Eros 5 The Accursed Share Conclusion Notes and References Bibliography Index **Constructing Sovereignty between Politics and Law** Tanja Aalberts, 2012-08-06 This book explores the interplay between sovereignty politics and law through different conceptualizations of sovereignty Despite developments such as European integration globalization and state failure sovereignty proves to be a resilient institution in contemporary international politics This book investigates both the continuity and change of sovereignty through an examination of the different ways it is understood sovereignty as an institution as identity as a language game and as subjectivity In this illuminating book Aalberts examines sovereign statehood as a political legal concept an institutional product of modern international society and seeks an interdisciplinary approach that combines international relations and international law This book traces the consequences of this origin for the conceptualization of sovereign statehood in modern academic discourse drawing on key jurisprudence and international treaties and provides a new framework to consider the international significance of sovereignty As an innovative approach to a critical institution *Constructing Sovereignty between Politics and Law* will be of interest to students and scholars of international relations international relations theory and international law *The SAGE Handbook of Political Geography* Kevin R Cox, Murray Low, Jennifer Robinson, 2007-12-18 A thorough and absorbing tour of the sub discipline An essential acquisition for any scholar or teacher interested in geographical perspectives on political process Sallie Marston University of Arizona This unique book is a true encyclopedia of political geography Vladimir Kolossov Institute of Geography of the Russian Academy of Sciences and Vice President of the IGU The SAGE Handbook of Political Geography provides a highly contextualised and systematic overview of the latest thinking and research in the field Edited by key scholars with international contributions from acknowledged authorities on the relevant research the Handbook is divided into six sections Scope and Development of Political Geography the geography of knowledge conceptualisations of power and scale Geographies of the State state theory territory and central local relations legal geographies borders Participation and representation citizenship electoral geography media public space and social movements Political Geographies of Difference class nationalism gender sexuality and culture Geography Policy and Governance regulation welfare urban space and planning Global Political Geographies imperialism post colonialism globalization environmental politics IR war and migration The SAGE Handbook of Political Geography is essential reading for upper level students and scholars with an interest in politics and space The God who Deconstructs Himself Nick Mansfield, 2010 A rich and provocative reading the focus of which contributes a new perspective to the literature on Derrida and deconstruction Veronique Foti Pennsylvania State University *Sovereignty, Knowledge, Law* Panu

Minkinen,2009-05-22 Sovereignty Knowledge Law investigates the notion of sovereignty from three different but related perspectives as a legal question in relation to the sovereign state as a political question in relation to sovereign power and as a metaphysical question in relation to sovereign self knowledge The varied and interchangeable uses of legal sovereignty political sovereignty and metaphysical sovereignty in contemporary debates have resulted in a situation where the word sovereignty itself has become something of a non concept Panu Minkinen shows here how these three perspectives have informed one another by addressing their shared relationship to law and to the autocephalous function of sovereignty that is the attempt to provide a single source and foundation for law power and self knowledge Through an effort to domesticate the intrinsically heterocephalous nature of power the juridical and jurisprudential aim has been to confine power within the closed vertical hierarchy of traditional legal thinking Sovereignty Knowledge Law thus elaborates this heterocephaly proposing new understandings of sovereignty as well as of law and of legal scholarship **The God who Deconstructs**

Himself Nick Mansfield,2010 No topic has caused more discussion in recent philosophy and political theory than sovereignty From late Foucault to Agamben and from Guantanamo Bay to the war on terror the issue of the extent and the nature of the sovereign has given theoretical debates their currency and urgency New thinking on sovereignty has always imagined the styles of human selfhood that each regime involves Each denomination of sovereignty requires a specific mode of subjectivity to explain its meaning and facilitate its operation The aim of this book is to help outline Jacques Derrida s thinking on sovereignt Foucault, Freedom and Sovereignty Sergei Prozorov,2016-04-15 Against the prevailing interpretations which disqualify a Foucauldian approach from the discourse of freedom this study offers a novel concept of political freedom and posits freedom as the primary axiological motif of Foucault s writing Based on a new interpretation of the relation of Foucault s approach to the problematic of sovereignty Sergei Prozorov both reconstructs ontology of freedom in Foucault s textual corpus and outlines the modalities of its practice in the contemporary terrain of global governance The book critically engages with the acclaimed post Foucauldian theories of Giorgio Agamben and Antonio Negri thereby restoring the controversial notion of the sovereign subject to the critical discourse on global politics As a study in political thought this book will be suitable for students and scholars interested in the problematic of political freedom philosophy and global governance *Sovereign Lives* Jenny Edkins,Michael J. Shapiro,Veronique Pin-Fat,2012-10-02 For International Relations scholars discussions of globalization inevitably turn to questions of sovereignty How much control does a country have over its borders people and economy Where does that authority come from Sovereign Lives explores these changes through reading of humanitarian intervention human rights discourses securitization refugees the fragmentation of identities and the practices of development **European Integration and Postcolonial Sovereignty Games** Rebecca Adler-Nissen,Ulrik

Gad,2013-05-02 This book examines how sovereignty works in the context of European integration and postcolonialism Focusing on a group of micro polities associated with the European Union it offers a new understanding of international

relations in the context of modern sovereignty This book offers a systematic and comparative analysis of the Overseas Countries and Territories OCTs the EU and the four affected Member States UK France the Netherlands and Denmark Contributors explore how states and state like entities play sovereignty games to understand how a group of postcolonial entities may strategically use their ambiguous status in relation to sovereignty The book examines why former colonies are seeking greater room to manoeuvre on their own whilst simultaneously developing a close relationship to the supranational EU Methodologically sophisticated this interdisciplinary volume combines interviews participant observation textual legal and institutional analysis for a new theoretical approach to understanding the strategic possibilities and subjectivity of non sovereign entities in international politics Bringing together research on European integration and postcolonial theory European Integration and Postcolonial Sovereignty Games will be of interest to students and scholars of International Relations EU studies Postcolonial studies International Law and Political Theory

Hobbes, Sovereignty, and Early American Literature Paul Downes, 2015-07-28 Hobbes Sovereignty and Early American Literature pursues the question of democratic sovereignty as it was anticipated theorized and resisted in the American colonies and in the early United States It proposes that orthodox American liberal accounts of political community need to be supplemented and challenged by the deeply controversial theory of sovereignty that was articulated in Thomas Hobbes s Leviathan 1651 This book offers a radical re evaluation of Hobbes s political theory and demonstrates how a renewed attention to key Hobbesian ideas might inform inventive re readings of major American literary religious and political texts Ranging from seventeenth and eighteenth century Puritan attempts to theorize God s sovereignty to revolutionary and founding era debates over popular sovereignty this book argues that democratic aspiration still has much to learn from Hobbes s Leviathan and from the powerful liberal resistance it has repeatedly provoked

Infrapolitics Alberto Moreiras, 2021-10-05 The personal is not political even if politics marks it and in many cases determines it Infrapolitics seeks to understand conditions of existence that are not reducible to political life and that exceed any definition of world bound to political determinations It seeks to mobilize an exteriority without which politics could only be business or administration that is oppression It demands a change in seeing and an everyday practice that subtracts from political totalization in the name of a new production of desire of a new emancipation and of a conception of experience that can breach the general captivation of life In this book Alberto Moreiras describes a form of thought aiming to provide content for a form of life and to offer a new theoretical practice for concrete existence The book provides a genealogy of the notion of infrapolitics and places it within contemporary philosophical reflection examining its deployment in the wake of postphenomenology and deconstruction Lacanian analysis the principle of anarchy and an egalitarian symbolization of social life In doing so Moreiras elaborates Infrapolitics as both a general critique of the political apparatus and as an imperative horizon for existential self understanding

The Poetics of Sovereignty Jack W. Chen, 2020-10-26 Emperor Taizong r 626 49 of the Tang is remembered as an exemplary ruler This study addresses

that aura of virtuous sovereignty and Taizong's construction of a reputation for moral rulership through his own literary writings with particular attention to his poetry. The author highlights the relationship between historiography and the literary and rhetorical strategies of sovereignty, contending that for Taizong and for the concept of sovereignty in general, politics is inextricable from cultural production. The work focuses on Taizong's literary writings that speak directly to the relationship between cultural form and sovereign power as well as on the question of how the Tang negotiated dynastic identity through literary stylistics. The author maintains that Taizong's writings may have been self-serving at times, representing strategic attempts to control his self-image in the eyes of his court and empire, but that they also become the ideal image to which his self was normatively bound. This is the paradox at the heart of imperial authorship: Taizong was simultaneously the author of his representation and was authored by his representation; he was both subject and object of his writings.

Precarious Flânerie and the Ethics of the Self in Contemporary Anglophone Fiction Eva Ries, 2022-06-21 Even though the literary trope of the flâneur has been proclaimed dead on several occasions, it still proves particularly lively in contemporary Anglophone fiction. This study investigates how flânerie takes a belated ethical turn in its more recent manifestations by negotiating models of ethical subjectivity. Drawing on Michel Foucault's writings on the aesthetics of existence as well as Judith Butler's notion of precariousness as *conditio humana*, it establishes a link between post-sovereign models of subject formation and a paradoxical constellation of flânerie which surfaces most prominently in the work of Walter Benjamin. By means of detailed readings of Ian McEwan's *Saturday*, Siri Hustvedt's *The Blindfold*, Teju Cole's *Open City*, Dionne Brand's *What We All Long For*, and Robin Robertson's *The Long Take*, or *A Way to Lose More Slowly*, this book traces how the ambivalence of flânerie and its textual representation produces ethical norms while at the same time propagating the value of difference by means of disrupting societal norms of sameness. *Precarious Flânerie and the Ethics of the Self in Contemporary Anglophone Fiction* thus shows that the flâneur text becomes a medium of ethical critique in post-postmodern times.

Continental

Philosophy Andrew Cutrofello, 2004-03 *Continental Philosophy: A Contemporary Introduction* looks at the development of the tradition, tracing it back from Kant to the present day.

Exceptionalism and the Politics of Counter-Terrorism Andrew W. Neal, 2009-10-16 This book is an analysis and critique of the concepts of exception and exceptionalism in the context of the politics of liberty and security in the so-called War on Terror. Since the destruction of the World Trade Centre on September 11th, 2001, a notable transformation has occurred in political discourse and practice. Politicians and commentators have frequently made the argument that the rules of the game have changed; that this is a new kind of war and that exceptional times require exceptional measures. Under this discourse of exceptionalism, an array of measures have been put into practice, such as detention without trial, extraordinary rendition, derogations from human rights law, sanction or connivance in torture, the curtailment of civil liberties, and aggressive war against international law. Situating exceptionalism within the post-9/11 controversy about the relationship between liberty and security, this book argues that the problem of

exceptionalism emerges from the limits and paradoxes of liberal democracy itself It is a commentary and critique of both contemporary practices of exceptionalism and the critical debate that has formed in response Through a detailed assessment of the key theoretical contributions to the debate this book develops exceptionalism as a critical tool It also engages with the problem of exceptionalism as a discursive claim as a strategy as a concept as a theoretical problem and as a practice This is the first book to capture the importance of the exceptionalism debate in a single volume and will be of much interest to students of critical security studies political philosophy IR theory and sociology **Agonistic Mourning** Athena

Athanasίου,2017-06-02 Drawing on a range of philosophical anthropological and political theories Athena Athanasiou offers a new way of thinking about agonistic performativity with its critical connections to national and gender politics and alongside the political intricacies of affectivity courage and justice Through an ethnographic account of the urban feminist and antinationalist movement Women in Black of Belgrade during the Yugoslav wars she shows that we might understand their dissident politics of mourning as a means to refigure political life beyond sovereign accounts of subjectivity and agency

The Theoretical Evolution of International Political Economy George T. Crane,Abla Amawi,1997 This collection of classic and contemporary readings charts the historical and theoretical evolution of the field This is a valuable resource for students and teachers of international relations and international economics **Beyond the Responsibility to Protect in**

International Law Angeliki Samara,2020-09-01 This book offers a critical appraisal of the international legal idea of the Responsibility to Protect The idea that the international community has a responsibility to protect populations at risk has become the prominent mode and structure of address in response to mass human atrocities gross human rights violations and large scale loss of life Although the international community of liberal international law and of legal cosmopolitanism for the most part projects a self assured collective project this book maintains that it transforms global ethical responsibility into a project of governance management and control Pursuing this argument and drawing on critical legal literature critical international relations and on ideas of responsibility and ethical relationality in the work of Jacques Derrida and Judith Butler the book develops a concept of irresponsibility This concept is then juxtaposed to the dominant Responsibility to Protect discourse By exposing and acknowledging the sites of irresponsibility of the Responsibility to Protect the book argues that irresponsibility itself can become the condition of ethical responsibility and the possibility of justice This original approach to an increasingly important topic will prove invaluable to those working in international law international relations politics and legal theory **International Affairs** ,2001

Sovereignty And Subjectivity Introduction

In today's digital age, the availability of Sovereignty And Subjectivity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sovereignty And Subjectivity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sovereignty And Subjectivity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sovereignty And Subjectivity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sovereignty And Subjectivity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sovereignty And Subjectivity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sovereignty And Subjectivity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sovereignty And Subjectivity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sovereignty And Subjectivity books and manuals for download and embark on your journey of knowledge?

FAQs About Sovereignty And Subjectivity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sovereignty And Subjectivity is one of the best book in our library for free trial. We provide copy of Sovereignty And Subjectivity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sovereignty And Subjectivity. Where to download Sovereignty And Subjectivity online for free? Are you looking for Sovereignty And Subjectivity PDF? This is definitely going to save you time and cash in something you should think about.
