Soviet Aces Of World War II

John C. Fredriksen

Soviet Aces Of World War II:

Soviet Aces of World War 2 Hugh Morgan, 2013-01-20 No single volume in English has ever appeared in the West dealing with this intriguing subject area but now that restrictions have relaxed in the former Soviet Union records of the deeds of the elite pilots of the various Soviet Air Forces are coming to light Although initially equipped with very poor aircraft and robbed of effective leadership thanks as much to Stalin's purges in the late 1930s as to the efforts of the Luftwaffe Soviet fighter pilots soon turned the tables through the use of both lend lease aircraft like the Hurricane Spitfire P 39 and P 40 and home grown machines like the MiG 3 LaGG 3 5 Lavochkin La 5 7 9 and the Yak 1 3

Soviet Aces of World War 2 Hugh Morgan, 2013-01-20 At the time of publication no single volume in English had ever appeared in the West dealing with this intriguing subject area Once restrictions relaxed in the former Soviet Union the records of their elite pilots' deeds detailed in this book came to light Although initially equipped with very poor aircraft and robbed of effective leadership thanks as much to Stalin's purges in the late 1930s as to the efforts of the Luftwaffe Soviet fighter pilots soon turned the tables through the use of both lend lease aircraft like the Hurricane Spitfire P 39 and P 40 and home grown machines like the MiG 3 LaGG 3 5 Lavochkin La 5 7 9 and the Yak 1 3

Soviet Lend-Lease Fighter Aces of World War 2 George Mellinger, 2012-10-20 The Soviet government tried to minimize the importance of Lend lease fighters well into the 1980s Only in recent years have these pilots felt free to admit what they flew and now the fascinating story of these men can emerge By the end of 1941 the Soviet Union was near collapse and its air force almost annihilated leaving large numbers of surviving pilots with no aircraft to fly To help prevent this collapse the UK eventually supplied a total of 4300 Hurricanes and Spitfires to the USSR After the United States entered the war the Americans extended Lend lease to include direct supply to the Soviets as well as the British and among the aircraft sent were almost 10 000 fighters Although the aircraft were outdated and often unsuitable to Russian conditions they served when they were needed and this book tells how a number of Russian pilots became Heroes of the Soviet Union flying Lend lease aircraft

Soviet Hurricane Aces of World War 2 Yuriy Rybin, 2012-08-20 In 1942 about 80 per cent of the fighters serving with Air Forces of the Karelian and Northern Fronts were Hurricanes This book explores the bitter struggle against well drilled Luftwaffe and Finnish units flying in the polar regions of northern Russia Following the destruction wrought on the Red Army Air Forces during the first days of Operation Barbarossa in June 1941 the Soviet Union found itself desperately short of fighter aircraft Premier Josef Stalin duly appealed directly to Prime Minister Winston Churchill for replacement aircraft and in late 1941 the British delivered the first of 3360 Hurricanes that would be supplied to the Soviet Union under the Lend Lease agreement Specifically requested by the USSR the Hurricanes were quickly thrown into action in early 1942 the Soviet Air Forces' most difficult year in their opposition to the Luftwaffe Virtually all the Hurricanes were issued to Soviet fighter regiments in the northern sector of the front where pilots were initially trained to fly the aircraft by RAF personnel that had accompanied the early Hawker fighters to the USSR The Hurricane proved to be an

easy aircraft to master even for the poorly trained young Soviet pilots allowing the Red Army to form a large number of new fighter regiments quickly in the polar area In spite of a relatively poor top speed and only a modest rate of climb the Hurricane was the mount of at least 17 Soviet aces **Croatian Aces of World War 2** Boris Ciglic, Dragan Savic, 2013-01-20 Initially flying Italian supplied Fiat G 50s the Croat forces suffered heavy losses during 1942 whilst flying alongside JG 52 in the southern sector of the Russian front Despite this a significant number of kills fell to future aces such as Cvitan Galic and Mato Dubovak during this time and when the units re equipped with Bf 109G 10s in 1943 battle seasoned Croat pilots started to rack up impressive scores This book reveals how by 1944 Croat air groups were defending Yugoslavia from British and American air raids and in the final months of the war a handful of surviving pilots fought on until final defeat in May 1945 **Finnish Aces of World War 2** Kari Stenman, Kalevi Keskinen, 2012-10-20 Always outnumbered by their Soviet counterparts the small band of Finnish fighter pilots who defended their Scandinavian homeland from the communist hordes in three separate wars between 1939 and 1945 amassed scores only bettered by the Luftwaffe's Jagdflieger Initially equipped with a motley collection of biplane and monoplane fighters garnered from sources across the globe the Finnish Air Force was thrust into combat in November 1939 Given little chance against the massive Soviet force the Finnish fighter pilots confounded the sceptics and decimated the attacking fighter and bomber formations prompting the Russians to call a halt in March 1940 This scenario was repeated in 1941 and by 1943 the Finns had become uneasy allies with the Germans Complete with first hand accounts and detailed colour illustrations this book profiles aces like Juutilainen and Wind who proved unbeatable in the final months of conflict **Stalin's Eagles** Hans D. Seidl, 1998 Stalin's Eagles is the most complete and detailed book ever published on the Soviet aces All of the great names are here Kozhedub Pokryshkin Rechkalov Koldunov Popkov and numerous others whose thrilling exploits were an inspiration to their comrades and who handily outscored the top American and British aces Hundreds of portraits illuminate the lives of many aces most unknown to western readers and the desperate struggles of these outstanding fighter pilots who in the end were to make the skies above Eastern Europe their fiefdom The history of the Soviet fighter command in World War II began in tragedy with the slaughter of inexperienced squadrons by the triumphant Luftwaffe Read here of their dramatic recovery and the terrible losses of the Luftwaffe at the hands of Russian elite pilots as they were winning complete supremacy in the air In almost four years of continuous action the Soviet air forces were credited with destroying over 43 000 enemy aircraft in aerial combat producing some 800 aces with 15 or more kills Illustrated with over 300 photographs many taken from the personal collections of veteran pilots and supplemented by exhaustive statistical information this unique record represents a major research effort and will prove fascinating to all who have an interest in the history of aerial warfare For the first time the deeds and feats of the Shturmovik aces the tank hunters and assault aircraft of the Soviet Air Force are recorded in detail and an entire chapter presents the history of all Soviet fighter units Little known in the West Soviet pilots flew over Korea and many achieved ace

status all are named here with details of their careers and aerial victories Forewords are by twice hero of the Soviet Union V I Popkov himself an ace with 41 kills in World War II and three more in Korea and Gntner Rall number three ace of all time with 275 aerial victories 470 b w photographs [Air Aces of World War II](#) Robert Jackson,2003 The conflict in the skies above the combat zones of World War II bred a new legion of heroes Boys became men in weeks and many became commanders and leaders before the age of twenty five These young pilots were flying for their lives on every dangerous sortie and in every type of aircraft From the heavy bomber struggling to its target in the German Ruhr to the shipboard fighter fired into combat by a carrier s catapult in the vast expanse of the Pacific Ocean every pilot honed his skills to take on the enemy and survive They were all brave men but some have become legends Pilots like Guy Gibson leader of the famous Dam Buster s raid Don Gentile an ace in the Mustang fighter defending allied heavy bombers deep over enemy Europe John Cat s Eyes Cunningham top scoring night fighter ace or Leon W Johnson leader of the low level raid on Ploesti oil refinery complex in Romania These are some of the hundred heroes included in this compact reference to the history and record of allied and enemy aces of World War II **Red Army Order of Battle in WWII, January to March 1942** Maximino Argüelles Martínez,2019-02-26 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were knowned The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army from January to March 1942 This work is part of a global montly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1941 and the works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units **Yakovlev Aces of World War 2** George Mellinger,2012-10-20 This book focuses on the Soviet aces who scored all or most of their victories in the Yak drawing information from official unit histories and memoirs of the Soviet pilots themselves The Yak 1 entered Soviet service in 1941 one of three modern types of aircraft accepted for production just prior to the German invasion of the USSR Despite initial shortcomings it soon proved to be the thoroughbred of the Soviet Airforce Indeed it remained in production until the end of the war modernized but fundamentally recognizable By VE day about 33 100 Yakovlev fighters had been built Virtually all Soviet fighter regiments flew at least one variety of Yak for a time including those which gained their fame identified with other aircraft and consequently many pilots known as Airacobra or Lavochkin aces also scored victories with the Yak Many other famous aces were exclusively Yak patriots including the French Normandie pilots [Red Army Order of Battle in WWII, April to June 1942](#) Maximino Argüelles Martínez,2019-05-15 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were knowned The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army from January to March 1942 This work is part of a

global monthly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1941 and the works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units

Fiat CR.42 Aces of World War 2 Håkan Gustavsson,Ludovico Slongo,2013-02-20 A study of the exploits of the Fiat CR 42 Aces in World War II The Fiat CR 42 a logical development of the Fiat CR 32 was the last single seat fighter biplane to be produced It entered service with the Italian Regia Aeronautica in May 1939 before being exported to Belgium Hungary and Sweden Its combat debut came when the Belgian air force threw its fleet into action during the German invasion of the Low Countries on 10th May 1940 Despite being quickly overwhelmed the Belgian pilots managed to make a number of aerial claims The CR 42 became heavily involved in the fighting in North Africa and although it was gradually replaced by more modern fighters it continued in a point defence and ground support role until the end of the war Drawing on research from a range of sources this book examines the extensive employment of the Italian fighter plane during the course of World War II

MiG-3 Aces of World War 2 Dmitriy Khazanov,Aleksander Medved,2013-05-20 The complete story of the pilots who made ace while flying the original MiG fighters The MiG 1 3 family of fighters was built to satisfy a Soviet Air Force requirement for an advanced fast high altitude fighter Entering service in the spring of 1941 the problematic MiG 1 had its handling issues rectified with the hasty production of the MiG 3 Many of these were destroyed on the ground when the Germans launched Operation Barbarossa Nevertheless enough examples survived to allow pilots such as Stepan Suprun and Aleksandr Pokryshkin to claim a number of victories in the type This book tells the complete story of the men who made ace in the first examples of the famous MiG fighter

Rumanian Aces of World War 2 Dénes Bérnad,2012-11-20 An illustrated account of how the Royal Rumanian Air Force claimed their kills against the Soviets First seeing action in the wake of the German invasion of the USSR in June 1941 the Royal Rumanian Air Force had been allied to the Luftwaffe since the Romanian government signed a Tripartite Pact with Germany and Italy in November 1940 This book reveals how despite suffering heavy losses to the numerically superior Russian forces the Rumanians inflicted even greater casualties on the communists Locked in bitter conflict with the Soviets until September 1944 when the Red Army poured across the Rumanian frontier and forced an armistice the modest fighter force claimed 1500 kills using primarily Bf 109 s E s

FRONTOVIK 01 Red Army June 22, 1941 Maximino Argüelles Martínez,2018-01-04 On the basis of original soviet files and numerous secondary sources this work presents a monthly study of the structure and deployment of the Soviet Red Army during the Second World War in this book the situation at June 22 1941

LaGG & Lavochkin Aces of World War 2 George Mellinger,2012-10-20 This book examines the LaGG family of fighters that were amongst the first modern piston engined interceptors made available to the Red Air Forces in early 1941 and proved far better fighters than their radial engined

predecessors Despite technical maladies and political interference from Moscow the LaGG 3 matured into an effective fighter when flown to its strengths at low level Many early Soviet aces were weaned on the LaGG 3 and if they survived the early massacres of 1941-42 they went on to fly the Lavochkin family of fighters Indeed as this book demonstrates the Lavochkin La 3, 5 and 7 were the fighters of choice for Heroes of the Soviet Union such as Ivan Kozhedub who claimed 62 kills **Aces** Bill Yenne, 2020 Aces is an illustrated history of the brave World War II fighter pilots who earned the title of ace with archival and modern photos of their aircraft **International Warbirds** John C. Fredriksen, 2001-08-01 In depth descriptions and photographs of the aircraft of 21 nations presented with a unique human dimension that goes behind the machines to the people involved Invaluable for specialists accessible to enthusiasts International Warbirds An Illustrated Guide to World Military Aircraft 1914-2000 puts the most legendary fighter aircraft of the 20th century developed outside the United States on vivid display It offers 336 illustrated biographies of the most significant warplanes used in squadron service from World War I to the Balkan conflict including numerous models from Great Britain France Russia and Japan as well as notable machines from Israel Canada China India Brazil and other nations Entries span the history and scope of military aircraft from bombers and fighters to transports trainers reconnaissance craft sea planes and helicopters with each capsule history combining nuts and bolts technical data with the story of that model's evolution and use Together these portraits offer an exciting well researched tribute to visionary designers and builders as well as courageous pilots and crews across the globe and tell a vivid tale of how air power became such a decisive factor in modern warfare Air Force and Space Digest, 1958 Fighters and Bombers of World War II,

Soviet Aces Of World War II Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Aces Of World War II has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Aces Of World War II has opened up a world of possibilities. Downloading Soviet Aces Of World War II provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Aces Of World War II has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Aces Of World War II. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Aces Of World War II. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Aces Of World War II, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Aces Of World War II has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soviet Aces Of World War II Books

1. Where can I buy Soviet Aces Of World War II books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
