## **Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive:**

The Soviet Conduct of Tactical Maneuver David M. Glantz, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company      **The Soviet Conduct of Tactical Maneuver** David Glantz, 2013-11-05 First Published in 1991 This book addresses a critical aspect of Soviet maneuver theory that has been almost totally neglected in Western analysis specifically Soviet concern for tactical maneuver Since the 1930s the Soviets have consistently argued that operational maneuver can be successful only if conducted in conjunction with equally successful tactical maneuver carried out primarily by forward detachments Forward detachments the primary tactical maneuver forces tasked with performing critical combat functions emerged in theory in the 1930s and flourished on the basis of virtually untested concepts until the initial phases of Operation Barbarossa when the Soviet mobile force structure was destroyed in a matter of weeks Forward detachments again emerged after the Stalin grad Operation in 1943 when the Soviet General Staff required their use to spearhead all operations by mobile forces After mid 1943 forward detachments led the operations of all tank armies and tank and mechanized corps particularly during exploitation operations By war s end all forces mobile and rifle alike employed forward detachments to lead their operations during the exploitation stage of operations Forward detachments preempted enemy defenses and collectively formed a coordinated network of forward mobile units which provided coherence to the vast array of advancing Soviet mobile and rifle forces In the late 1960s the forward detachment received renewed attention as a critical element which could assist in the conduct of operational maneuver Today the Soviets believe that forward detachment operations are the key to conducting successful operations on a battlefield increasingly threatened by deadly high precision weaponry Tailored flexible battalion size forward detachments along with their operational counterparts corps and brigades may in fact be the model upon which the future Soviet force structure will be based This volume surveys in detail the conceptual and organizational evolution of the forward detachment as the premier Soviet tactical maneuver force It vividly demonstrates why forward detachments are suited by their versatile nature to be a precursor of future restructured Soviet units in general      **The bear went over the mountain Soviet combat tactics in Afghanistan ,      The Bear Went Over The Mountain: Soviet Combat Tactics In Afghanistan [Illustrated Edition]** Lester K. Grau, 2014-08-15 Illustrated with 52 maps and diagrams Sixteen years after its commencement and six years after its cessation the Soviet Afghan War remains an enigma for Westerners Set against the backdrop of earlier successful Soviet military interventions in East Germany 1953 Hungary 1956 and Czechoslovakia 1968 and occasional Soviet military pressure on Poland the stark military power of the Soviet state seemed to be an irresistible tool of indefatigable Soviet political power More than a few strategic pundits and military planners envisioned a bold Soviet strategic thrust from southern Afghanistan to the shores of the Persian Gulf to challenge Western strategic interests and disrupt Western access to critical Middle Eastern oil Despite these fears and dire warnings the Soviet Afghan military effort soon languished as the British experience began to repeat

itself Although appearing to have entered Afghanistan in seemingly surgical fashion and with overwhelming force the Soviet military commitment was in reality quite limited and the immense and stark territory of Afghanistan swallowed the invaders up Across the largely barren landscape guerrilla fighters multiplied and within months the hitherto curious word mujahideen took on new meaning To this day the Western view of the Afghan War has been clouded in mystery and shadows Soviet writers have presented Westerners with a mixture of political diatribe military fable allegory and analogy set against the backdrop of few facts Westerners have recounted the war based on this Soviet material sketchy mujahideen accounts the reports of the occasional Western war correspondents in Afghanistan and pure supposition This volume the first factual material to shed real light on the conflict represents a unique first step in setting the Afghan record straight *The Russian Military into the 21st Century* Stephen J. Cimbala, 2013-10-23 This work attempts to clarify the major problems facing Russia's armed forces in the present and immediate future It covers threats from terrorists break away republics and threats from outside Russia's borders The book also includes political and economic problems facing the military *The Bear Went Over the Mountain* Lester W. Grau, 1996 counterinsurgency punctuated by moments of heady excitement and terror Colonel Grau the editor and translator has added his own commentary to produce a useful guide for commanders to meet the challenges of this kind of war and to help keep his fellow soldiers alive This book will also be of interest to the historian and general reader who will discover that advances in technology have had little impact on this kind of war and that many of the same tactics the British Army used on the Northwest Frontier still apply today **If War Comes Tomorrow?** General Makhmut Akhmetovich Gareev, 2013-11-05 Military affairs have been affected by major changes in recent years The bipolar world of two superpowers has gone The Cold War and the global military confrontation that accompanied it have ended A new military and political order has emerged in the world but the world has not become more stable indeed wars and armed conflict have become much more common Forecasting the contours of future armed conflict is no easy task at such times but this is the primary objective of *If War Comes Tomorrow* Focusing on the impact of new technologies General Gareev considers whether war is still a continuation of politics by other means or whether the political ideological and technical transformation have broken that connection He explores the linkage between threats to Russian national interests and war as an instrument of policy in great detail and concludes that there is very little prospect either of nuclear war or widespread conventional war However he does see local armed conflicts and local wars increasing with greater emphasis on subversion He argues that coming decades will see a shift towards a reliance upon indirect means to accomplish limited political ends and analyses both information warfare and the revolution in military affairs from this perspective *The Military Strategy of the Soviet Union* David M. Glantz, 2019-10-01 Armed revolution and civil war gave birth to the Soviet Union world War II propelled it to global pre eminence and the Cold War contributed to the Soviet Union's demise Given Marxism Leninism's ideological preoccupation with war and threats of war it is understandable that the spectre of war should play a vital role in

the life and fate of the Soviet state This study of Soviet military strategy is based upon the twin pillars of Soviet political military actions and Soviet writings on the subject of military strategy Thanks to the policy of glasnost it incorporates Soviet materials hitherto unavailable in the West It aims to be not simply a retrospective account of what was but to form part of the context for what will be in the future

Origins of the North Korean Garrison State Youngjun Kim, 2017-08-09 This book investigates the origins of the North Korean garrison state by examining the development of the Korean People's Army and the legacies of the Korean War Despite its significance there are very few books on the Korean People's Army with North Korean primary sources being difficult to access This book however draws on North Korean documents and North Korean veterans testimonies and demonstrates how the Korean People's Army and the Korean War shaped North Korea into a closed militarized and xenophobic garrison state and made North Korea seek Juche Self Reliance ideology and weapons of mass destruction This book maintains that the youth and lower classes in North Korea considered the Korean People's Army as a positive opportunity for upward social mobility As a result the North Korean regime secured its legitimacy by establishing a new class of social elites wherein they offered career advancements for persons who had little standing and few opportunities under the preceding Japanese dominated regime These new elites from poor working and peasant families became the core supporters of the North Korean regime today In addition this book argues that in the aftermath of the Korean War a culture of victimization was established among North Koreans which allowed Kim Il Sung to use this culture of fear to build and maintain the garrison state Thus this work illustrates how the North Korean regime has garnered popular support for the continuation of a militarized state despite the great hardships the people are suffering This book will be of much interest to students of North Korea the Korean War Asian politics Cold War Studies military and strategic studies and international history

*Air University Library Index to Military Periodicals*, 1992

**A History of Soviet Airborne Forces** David M. Glantz, 2019-11-12 For almost 70 years Soviet and Russian military theorists have been fascinated with the concept of airborne operations Now Russian theorists tackle the problems posed to such operations by high precision weaponry This work using newly released and formerly classified Soviet and East German archives provides a detailed record of the performance of Soviet airborne forces during peace and war

**Parameters**, 1997

Fallen Soviet Generals Aleksander A. Maslov, 2016-01-20 No war has caused greater human suffering than the Second World War on Germany's Eastern Front Victory in the war cost the Red Army over 29 million casualties whose collective fate is only now being properly documented Among the many millions of soldiers who made up that gruesome toll were an unprecedented number of Red Army general officers Many of these perished on the battlefield or in prison camps at the hands of their German tormentors Others fell victim to equally terrifying Stalinist repression Together these generals personify the faceless nature of the war of the Eastern Front the legions of forgotten souls who perished in the war Covered up for decades the saga of these victims of war can now be told and in this volume A A Maslov begins the difficult process of memorializing these warrior casualties Using

formerly secret Soviet archival materials and personal interviews with the families of the officers he painstakingly documents the fate of Red Army generals who fell victim to wartime enemy action The Military History of the Soviet Union F. Kagan, R. Higham, 2016-04-30 The Military History of the Soviet Union and The Military History of Tsarist Russia treat Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The two volumes will cover Russia's land forces extensively but will also cover the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine which are frequently neglected in general writings The historical analysis will address the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics **The Soviet Invasion of Finland, 1939-40** Carl Van Dyke, 2013-01-11 Western accounts of the Soviet Finnish war have been reliant on Western sources Using Russian archival and previously classified secondary sources to document the experience of the Red Army in conflict with Finland Carl Van Dyke offers a reassessment of the conflict *The Evolution of Soviet Operational Art, 1927-1991* David M. Glantz, Harold S. Orenstein, 2013-04-03 This collection of texts has been taken from formerly classified material in the official Red Army General Staff journal Military Thought The results are two volumes of great scope based on archival evidence They stand as a compulsory reference point for anyone with an interest in the operational endeavours of the Soviet Army from the 1920s onward *The Initial Period of War on the Eastern Front, 22 June - August 1941* David M. Glantz, 2012-11-12 Beginning with Operation Barbarossa the German invasion of the Soviet Union in June 1941 this volume draws upon eye witness German accounts supplemented with German archival and detailed Soviet materials Formerly classified Soviet archival materials has been incorporated **The Evolution of Soviet Operational Art, 1927-1991: Operational art, 1927-1964** David M. Glantz, 1995 Soviet military theoretical theories are revealed in the words of those who created them in peacetime and applied them in war This collection of texts has been taken from formerly classified material in the official Red Army General staff journal *The Evolution of Soviet Operational Art, 1927-1991: Operational art, 1965-1991*, 1995 Soviet military theoretical theories are revealed in the words of those who created them in peacetime and applied them in war This collection of texts has been taken from formerly classified material in the official Red Army General staff journal **The Defense Policies of Nations** Douglas J. Murray, Paul R. Viotti, 1994 Now in its third edition The Defense Policies of Nations has been thoroughly updated to take into account the dramatic developments of recent years the dissolution of the Soviet Union the resurgence of East Asian powers the emergence of newly independent nations in Eastern Europe the continuing instability of the Middle East and the growing importance of third world nations in global security matters For those dealing with national defense issues on a daily basis or even for those interested in the subject because of its current relevance The Defense Policy of Nations is must reading Gen Theodore J Conway Military Review American Academy of Political and Social Science

### **Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive is one of the best book in our library for free trial. We provide copy of Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive. Where to download Soviet Conduct Of Tactical Maneuver Spearhead Of The Offensive online for free? Are you looking for Soviet Conduct Of Tactical

Maneuver Spearhead Of The Offensive PDF? This is definitely going to save you time and cash in something you should think about.
