Studies In Proverbs Wise Words In A Wicked World:

Studies in Proverbs Charles W. Turner, 1977 Proverbs has often been called truth in street clothes And Charles Turner puts that truth in today s street clothes Turner s expositions of the wise words from Proverbs offer just what today s Christians need to cope with contemporary problems The discussion questions focus on practical implications of a Christian s convictions and specific ways that Christians can put their faith into action Back cover Wise Words in a Wicked World Charles W. Turner, 1976-01-01 I have sought to reflect on some of the oft repeated topics of Proverbs yet have touched but a few We will deal with units of thought rather than sections and outlines that break the book into segments Proverbs is just like life a single day is like a single chapter In each there is included many varied incidents and happenings to challenge our thoughts Where are we going We are going to learn a lesson about life and about wisdom When it is all over I trust you will see God is real and that He wants to live in your world because it really is not yours it is His Introduction **Catalog of Copyright Entries. you the immense value of studying the Bible literarily that is according to the literary style presented in a particular book chapter or passage In Literarily Kristie will take you through these eight distinct genres Law History Prophecy Poetry Gospels Epistles Wisdom Apocalyptic The Bible is an epic story that God has revealed to us through diverse genres and literary features Its message and method are both meant to transform our hearts Our goal as interpreters isn t to meld the Scriptures into a bland conglomerate but to recognize the multiple forms in which God s Word comes to us In so doing we ll encounter the ongoing story of Jesus s redemption and learn how He calls His people to live in our complex world today
