The Epistles Of Paul To The Colossians And To Philemon

Herbert M. Carson

The Epistles Of Paul To The Colossians And To Philemon:

The Epistles of Paul to the Colossians and to Philemon Charles Rosenbury Erdman,1933 Two brief letters which have come to us across the distant centuries are strikingly contrasted by inseparably united One sets for the most profound of religious truths the other relates merely to the welfare of a fugitive slave Yet both come from the same author and both have definite messages for the present age One embodies the very essence of the Christian faith the other shows how belief transforms and transfigures human life Upon all the chief problems in the spheres of morality and religion these epistles shed their penetrating light Foreword **The Epistles of Paul to the Colossians and Philemon** Herbert M. Carson,1960

The Epistles of Paul the Apostle to the Colossians and the Philemon Arthur Lukyn Williams,1928 **The Epistles to the Colossians and to Philemon** James D. G. Dunn,2014-10-16 Paul s Epistle to the Colossians merits detailed study for at least two reasons First it provides an unexpectedly interesting window into the character of Christianity in Asia Minor in the second half of the first century With the information it gives about the religious tensions within which emergent Christianity was caught up not least those between Christianity and diaspora Judaism we begin to gain more insight into the influences and factors that shaped the transition from apostolic to subapostolic Christianity in the region Second Colossians represents a crucial stage in the development of Pauline theology itself Whether it was written at the end of Paul s life or soon after his death it indicates how Pauline theology retained its own vital character and did not die with Paul In this volume in the celebrated New International Greek Testament Commentary James D G Dunn author of numerous well received works on the historical origin and theological interpretation of the New Testament provides detailed expositions of the text of Paul s letters to the Colossians and to Philemon Dunn examines each of these letters within the context of the Jewish and Hellenistic cultures in the first century and discusses the place of Colossians and Philemon in the relationship between the Pauline mission and the early churches that received these letters Particular stress is also placed on the role of faith in Jesus Christ within and over against Judaism and on the counsel of these two important letters with regard to the shaping of human relationships in the community of faith ~**These epistles of Paul to the Colossians and to Philemon** N. T. Wright,1991

St. Paul's Epistles to the Colossians & to Philemon Paulus (Apostel, Heiliger),1875 The Epistles of Paul to the Colossians and to Philemon Nicholas Thomas Wright,1988 Wright s work on the Books of Colossians and Philemon constitutes a volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue reliance on scholarly technicalities **The Epistles of Paul to the Colossians and to Philemon** N.T. Wright,1993 **Saint Paul's Epistles to the Colossians and to Philemon** Joseph Barber Lightfoot,1892 **The Epistles of Paul to the Colossians and to Philemon** Charles R. Erdman,1983
