The Expanded Campus Current Issues In Higher Education:

The Expanded Campus American Association for Higher Education, 1972 About higher education in the United States in 1972 *The New Majority* Duncan Campbell, 1984 No description **Power and Empowerment in Higher Education** D. B. Robertson, 2014-07-15 The tangled relationship of power and higher education is a fascinating one Where power centers arise on campus they influence and are influenced by sources of power outside Students faculty and administration compete for authority within the academic community citizens whose education has placed them in a position to obtain social political and economic power outside the university walls frequently use it in a way that deeply affects the direction and nature of academic development This collection of thought provoking essays is dedicated to Professor Louis Smith who has long been a student of higher education in this country and abroad Considering matters as varied as the place of the department head in the academic hierarchy and the image of political leadership promulgated by the academic world distinguished scholars present here a rich harvest of insights on a significant topic *Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare* United States. Congress. Senate. Committee on Labor and Public Welfare, 1975 **Planning For Higher Education** Allan O. Pfnister, 2019-06-10 This book focuses on some of the last decade s more significant writing about developments in higher education planning organizing the wide ranging commentaries and studies to show the administrator the faculty member and the informed layman what the current status of higher education appears to be

Lifetime Learning Act, 1975 United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Education, 1976 **Contemporary Issues in Higher Education** Marybeth Gasman, Andrés Castro Samayoa, 2018-12-12 The latest text in the Core Concepts in Higher Education series this volume speaks to the complex dimensions that higher education scholars and educators need to understand about the shifting role of postsecondary education in the United States Chapter authors clarify current issues affecting the field and offer fresh perspectives articulating how policy demographic and institutional changes influence the everyday practices of those who work in higher education This book explores macro perspectives affecting institutional decision making and processes as well as students perspectives on campus from colleges credentialing procedures to the current demographic changes in students enrollments to students social identities Guiding questions at the end of each chapter offer readers an opportunity to frame discussions in which they can engage and invite readers to consider avenues for future research and exploration This is a valuable resource for graduate students administrators and researchers who seek to understand and improve the policies and contexts of higher education today
