**An Expression of Love** Dave Rouhier,2019-10-08 This is a book of love and life What is love I have explained it in these poems love for your mate or sweetheart love for your parents and siblings love for humanity love for nature and most of all love for God Along with these are poems about life situations They will open your mind and touch your heart The topics include poems of honesty kindness and peace of mind to name a few Love and peace of mind come from the deep stillness within yourself Love is a facet of your Being inseparable from whom you are Inside this stillness is The Christ within and the truth that God is True Love True Love can be defined as the expression of the oneness of yourself with all of creation the knowing that when you meet someone or something you are meeting yourself This place within is where wisdom knowing and truth are also found There is a very deep abiding peace flowing from it It has no shape no form but is who you are at your deepest level This place contains infinite love because it is God within It is eternal and never changes It is consciousness itself Your greatest source of Love Joy and Peace is always within yourself Peace is not found by rearranging things in your life but by discovering who you are at your deepest level These poems are cause to invoke emotions Let them take you to that place deep within yourself where True Love and Peace reside My greatest wish for you is that you too will experience the Love Joy and Peace that dwell within you drawn out by these poems      **Expressions of the Heart** Flora

Emmanuel-Joseph,2012-04 If you have had any affiliation to any individual this book is definitely for you Expressions of the Heart is a collection of poems which emanated from the heart of the author expressly for readers like you It sets out to serve as a comfort and inspiration to all readers It embraces real life issues in a manner that gives meaning to some of the experiences that are buried deep inside us as well as those we encounter in our daily living The use of figurative language sets to present you with novel ways of unfolding those feelings Expressions of the Heart allows you to reflect on your situations and encourages you to personalize the experiences of others so that the poems do not become just words on paper but something that you can relate to or imagine something captivating something REAL It also presents life experiences from a Caribbean culture which can be quite different from that of other cultures around the world For example common law unions are often frowned upon especially in times of death and people make judgements about the souls of those who died in those unions Such issues are addressed in the book so as to allow the voices of those caught in the seat of judgement to be heard and understood No matter what your interests are you will enjoy moments of joy and laughter coupled with feelings of sadness for unfulfilled love You will experience something There is something for everyone      *In the Shadow of Aldersgate*

**Precious Heart-Broken Heart** Dr. M.G. Maness,2003-01-09 I chronicle the nature of grief peculiar to divorce in a personal manner through the lens of my experience and clinical understanding I begin with love and end with love In Part One I begin with the fantasy that turned into tragedy and I use the analogy of a clock s mechanism to show the general nature and course of healthy grief especially in divorce I start with an analogy of the mechanical nature of something totally non mechanical and fully metaphysical A mainspring fulcrum lever and pendulums show how inward and outward expressions of grief facilitate or impede healing In Part Two the Black Forest Pathway How Expression Unfolds chapters III through XII a few other analogies are used to chronicle the journey through grief like the Bay of Heartbrokenness the Bridge of Finality and the Wasteland With these analogies and some liberty I take the reader on a walk through the Black Forest observing the various trees that make up grief in the various stages of a divorce In Part Three the Black Forest What Helps Expression chapters XIII and XV I step back and view the Black Forest as a whole that is in comparison with and without diminishing the grief of death I show the peculiar and greater pain of divorce All analogies have some weaknesses and there is no pretension to having chronicled every aspect Even these are but scribbles But perhaps the pictures and journey will help a little If anything I hope for an increase in sensitivity toward those going through a divorce for it can be the most traumatic and painful event in a person s life indeed life changing For more information go to [www.preciousheart.net](http://www.preciousheart.net)
