The Faith Once for All Jack Cottrell, 2002 *The Holy Spirit* Jack Cottrell, 2006 *Bible Doctrine, Second Edition* Wayne A. Grudem, 2022-04-05 Explore Answers to Life's Most Important Theological Questions Over 175 000 Copies Sold How do we know the Bible is God's Word What is sin and where did it come from How is Jesus fully God and fully man What are spiritual gifts When and how will Christ return If you've asked questions like these then systematic theology is no abstract term It's an approach to finding answers every Christian needs to know The second edition of Bible Doctrine takes a widely used upper level textbook on systematic theology and makes it accessible Abridged from the second edition of Wayne Grudem's award winning Systematic Theology Bible Doctrine covers the same essentials of the faith giving you a firm grasp on seven key topics The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future You don't need to have had several years of Bible college or seminary training to reap the benefits of Bible Doctrine It's easy to understand and packed with biblical answers to your most pressing theological questions This new edition is 144 pages longer than the first edition and now includes New thoughtful critiques of open theism the new perspective on Paul Molinism or middle knowledge Free Grace theology and the preterist view of Christ's second coming Completely revised stronger chapter on the clarity of Scripture Completely revised stronger chapter on creation and evolution New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism with extensive interaction with the Catechism of the Roman Catholic Church Protestant liberalism and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as only begotten rather than merely only An extensive discussion on the eternal submission of the Son to the Father A discussion of recent criticisms of the penal substitutionary view of the atonement Numerous other updates and corrections that have been prompted by letters and emails from people around the world and by interaction with the students Wayne has taught over the last 26 years both at Trinity Evangelical Divinity School and at Phoenix Seminary Slipping Through the Cracks Zachary Breitenbach, 2021-04-02 Would a good God allow some people to be lost to hell due to the bad luck of their circumstances such as never hearing the Christian gospel Do some who are lost slip through the cracks i.e. they would have freely chosen to be saved if only God had placed them into different circumstances After surveying and responding to other significant objections within the so-called soteriological problem of evil this groundbreaking new work identifies the above as the most difficult soteriological challenge for Christian theism and explores it in great depth Finding William Lane Craig's famous solution to this problem insightful but ultimately inadequate the book proposes an alternative solution that upholds Christian exclusivism the view that one must hear and respond to the gospel to be saved and is both biblically consistent and philosophically plausible It offers an intriguing possibility for how God

might ensure that all people have an opportunity to be saved and that none who are lost slip through the cracks in a way that is inconsistent with God's goodness. Additionally, the book reveals how its response to this soteriological problem has much value for addressing key aspects of the broader problem of evil.

Great Is the Lord Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition *Great Is the Lord* sets out the doctrine of God in a way that illumines the mind, moves the heart, and stirs the soul to praise the triune God. Ron Highfield introduces students, ministers, and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century. God is triune, loving, merciful, gracious, patient, wise, one, simple, omnipotent, omniscient, eternal, omnipresent, immutable, impassible, and glorious. Irenically challenging open theism and process theology, Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do. This traditional doctrine, Highfield argues, grounds our dignity and freedom in the center of reality, the trinitarian life of God. Highfield's work maintains the highest intellectual standards throughout, even as it offers a true theology for the praise of God.

Loving God through the Truth, Second Edition Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline, only reserved for the professional clergy and seminary professors. Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church. In an attempt to address this concern, Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson. The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large. In this second edition of the work, there is included an extra chapter on the doctrine of the Christian life. As pointed out in the first edition of

the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world **The Naked Christ** Dan Le,2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture **hand in Hand** Randy Alcorn,2014-10-14 A careful guide through Scripture hand in Hand shows us why God s sovereignty and meaningful human choice work together in a beautiful way If God is sovereign how can I be free to choose But if God is not sovereign how can he be God Is it possible to reconcile God s sovereignty with human choice This is one of the most perplexing theological questions It s also one of the most personal In hand in Hand Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes Instead of making a one sided argument from select verses Alcorn examines the question in light of all Scripture By exploring what the whole Bible says about divine sovereignty and human choice hand in Hand helps us Carefully and honestly examine the different views on this issue Gain a deeper understanding of God Appreciate God s design in providing us the freedom of meaningful choice See the value in better understanding what we cannot fully understand Learn how to communicate about the issue in clear and compassionate ways More fully experience the unity Christ intends for his Church Includes small group discussion questions Traditional Worship in Russian-speaking Churches Leonid Mikhovich,2025-02-28 There is an acute lack of a theology of worship in Baptist Russian speaking contexts with the ramifications of the Tsarist and later Soviet persecution limiting its development even to this day While there is now opportunity to do so developing a theology of worship in the local context is imperative Filling this gap Dr Leonid Mikhovich considers the historical religious and political contexts that have influenced Russian speaking worship Drawing examples from the Baptist movement in Belarus Dr Mikhovich analyzes its various influences and explores conflict arising between local and foreign traditions within the process of adopting some Western structures for the Eastern situation The results prompt reflection on the different expressions of worship and the underlying convictions present in respective cultural contexts while also offering counsel for dealing with tensions between liturgical practices and authoritative voices in the Baptist tradition As the first of its kind worship and church history scholars will find this comprehensive study into traditional Russian speaking worship invaluable for understanding its historical theological and cultural perspectives and essential for mapping its future
