Poems, and Miscellaneous Writings associated with George Villiers, Second Duke of Buckingham Robert D.
Hume, Harold Love, 2007-03-22 George Villiers Second Duke of Buckingham 1628 1687 was one of the most scandalous and
controversial figures of the Restoration period He was the principal author of *The Rehearsal* 1671 an enormously successful
burlesque play that ridiculed John Dryden and the rhymed heroic drama Historians remember Buckingham as an opponent
who helped topple Clarendon from power in 1667 as a member of the Cabal government in the early 1670s and as an ally of
the Earl of Shaftesbury in the political crisis of 1678 1683 The duke was prominent among the court wits Rochester Etherege
Sedley Dorset Wycherley and their circle he was closely associated with such writers as Butler and Cowley he was a
conspicuous champion of religious toleration and a friend of William Penn No edition of Buckingham has been published
since 1775 partly because his work presents horrendous attribution problems He was probably adapter or co author of six
plays two of them vastly successful for more than a century including one in French that appears here in English for the first
time He is also associated with nine topical pieces variously political religious and satiric and some twenty poems of wildly
varying type The Buckingham commonplace book has previously been published only in fragmentary form Almost all of these
works present major difficulties in both attribution and annotation here seriously addressed for the first time This edition is a
companion venture to Harold Love's important edition of Rochester OUP 1999
