The Epistle to Rheginos Malcolm Lee Peel,1969 **The Epistle to Rheginos** Malcolm Lee Peel,1969 The Resurrection of the Body in Western Christianity, 200-1336 Caroline Walker Bynum,2017-11-21 A classic of medieval studies The Resurrection of the Body in Western Christianity 200 1336 traces ideas of death and resurrection in early and medieval Christianity Caroline Walker Bynum explores problems of the body and identity in devotional and theological literature suggesting that medieval attitudes toward the body still shape modern notions of the individual This expanded edition includes her 1995 article Why All the Fuss About the Body A Medievalist s Perspective which takes a broader perspective on the book s themes It also includes a new introduction that explores the context in which the book and article were written as well as why the Middle Ages matter for how we think about the body and life after death today Resurrection as Salvation Thomas D. McGlothlin,2018-08-02 This book shows how Paul s tight link between resurrection and salvation both raised problems for and profoundly shaped Early Christian theology Nag Hammadi Codex I (The Jung Codex) Harold Attridge,2020-10-26 Preliminary Material Harold W Attridge Foreword James M Robinson Preface Harold W Attridge Table of Tractates in the Coptic Gnostic Library Harold W Attridge Abbreviations and Short Titles Harold W Attridge Introduction Harold W Attridge The Prayer of the Apostle Paul Dieter Mueller The Apocryphon of James Francis E Williams The Gospel of Truth Harold W Attridge and S J George W MacRae The Treatise on the Resurrection Malcolm L Peel The Tripartite Tractate Harold W Attridge and Elaine H Pagels Indices Harold W Attridge *The Intertextuality of Paul's Apocalyptic Discourse* Doosuk Kim,2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent resurrection afterlife the origins of sin and two ages within his cultural context *Valentinian Christianity* ,2020-07-21 Valentinus an Egyptian Christian who traveled to Rome to teach his unique brand of theology and his followers the Valentinians formed one of the largest and most influential sects of Christianity in the second and third centuries But by the fourth century their writings had all but disappeared suddenly and mysteriously from the historical record as the newly

consolidated imperial Christian Church condemned as heretical all forms of what has come to be known as Gnosticism Only in 1945 were their extensive original works finally rediscovered and the resurrected Gnostic Gospels soon rooted themselves in both the scholarly and popular imagination Valentinian Christianity Texts and Translations brings together for the first time all the extant texts composed by Valentinus and his followers With accessible introductions and fresh translations based on new transcriptions of the original Greek and Coptic manuscripts on facing pages Geoffrey S Smith provides an illuminating balanced overview of Valentinian Christianity and its formative place in Christian history Essays on the Nag Hammadi Texts in Honour of Pahor Labib Martin Krause,2020-10-26 *The Naked State of Human Being* Luis Ivan Martinez-Toledo,2016-04-21 This book explains the image of nakedness gymnos taken by Paul in the Corinthian correspondence to refer to the state of human being during death Through an academic approach but simple language the author explains the biblical monist understanding of human being He takes the biblical experience of death and resurrection to point out his arguments This book uncovers the ancient problem of the continuation of personal identity from life prior to death on to resurrection It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience *Trajectories through Early Christianity* James M.
