The Eskimos Their Environment And Folkways:

The Eskimos: Their Environment and Folkways Edward Moffat Weyer, 1932 **Becoming Half Hidden** Daniel Merkur, 2014-03-18 First Published in 1993 This study seeks to analyze shamanism and initiation from the perspective of shamans rather than from the laity's point of view One of the aims of this research has been to get behind the shamans language in order to understand their experiences **The Eskimos** Ernest S. Burch, 1988 Describes the culture religion and daily life of the Eskimos explains their family and community relationships and looks at tools masks clothings and carvings

Colonialism and Capitalism: Canada's Origins 1500-1890 BRYAN D. PALMER, 2024-09-17 In the past decade Canadian history has become a hotly contested subject Iconic figures notably Sir John A Macdonald are no longer unquestioned nation builders The narrative of two founding peoples has been set aside in favour of recognition of Indigenous nations whose lands were taken up by the incoming settlers An authoritative and widely respected Truth and Reconciliation Commission together with an honoured Chief Justice of the Supreme Court have both described long standing government policies and practices as cultural genocide Historians have researched and published a wide range of new research documenting the many complex threads comprising the Canadian experience As a leading historian of labour and social movements Bryan Palmer has been a major contributor to this literature In this first volume of a major new survey history of Canada he offers a narrative which is based on the recent and often specialized research and writing of his historian colleagues One major theme in this book is the colonial practices of the authorities as they pushed aside the original peoples of this country While the methods varied the result was opening up Canada's rich resources for exploitation by the incoming European settlers The second major theme is the role of capitalism in determining how those resources were exploited and who would reap the enormous power and wealth that accrued The first volume of this challenging and illuminating new survey history covers the period that concludes in the 1890s after the creation out of Britain's northern colonies of the semi autonomous federal Canadian state Volume II to be published in spring 2025 takes the narrative to the present

Questions of Competence Richard Jenkins, 1998 This book offers a conceptualisation of intellectual disability emphasising its cultural variability and social construction Perspectives on the North American Indians Mark Nagler, 1972-01-01 The Road to Nunavut Ronald Quinn Duffy, 1988 A description of the transformation of the Inuit of the eastern Canadian arctic from a hunting and trapping society to a sedentary population tied to the economy of southern Canada and striving for self government Landscapes of Fear Yi-Fu Tuan, 2013-04-01 To be human is to experience fear but what is it exactly that makes us fearful Landscapes of Fear written immediately after his classic Space and Place is renowned geographer Yi Fu Tuan's influential exploration of the spaces of fear and of how these landscapes shift during our lives and vary throughout history In a series of linked essays that journey broadly across place time and cultures Tuan examines the diverse manifestations and causes of fear in individuals and societies he describes the horror created by

epidemic disease and supernatural visions of witches and ghosts violence and fear in the country and the city fears of drought flood famine and disease and the ways in which authorities devise landscapes of terror to instill fear and subservience in their own populations In this groundbreaking work now with a new preface by the author Yi Fu Tuan reaches back into our prehistory to discover what is universal and what is particular in our inheritance of fear Tuan emphasizes that human fear is a constant it causes us to draw what he calls our circles of safety and at the same time acts as a foundational impetus behind curiosity growth and adventure **Race Relations in World Perspective** Andrew W. Lind, 2021-05-25 No detailed description available for Race Relations in World Perspective *Encyclopedia of Goddesses and Heroines* Patricia Monaghan, 2009-12-18 This two volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations the Encyclopedia of Goddesses and Heroines provides a comprehensive introduction to the ways goddess figures have been viewed through the ages This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the world The two volume set is organized by culture and religion exploring the role of women in each culture s religious life and introducing readers to the background of each pantheon as well as the individual figures who peopled it Alternative names for important divinities are offered as are lists of minor goddesses and their attributes Interest in women s spirituality has grown significantly over the last 30 years both among those who remain in traditional religions and those who explore spirituality outside those confines This work speaks to them all
