Bauer,2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship **The Baker Illustrated Guide to Everyday Life in Bible Times** John A. Beck,2013-09-15 The authors of the Bible routinely employed mention of manners and customs from the ancient world in their inspired writing fully intending that the Lord would change readers with these images But modern readers often miss the full literal and figurative meaning of biblical imagery due to the distance in time and experience between the world of today and the world of the Bible This fully illustrated guide aims to restore clarity and vitality to these portions of God s Word in order to help readers grasp the full meaning of Scripture For example the entry on anointing defines the nature of this act and the connotations associated with it before illustrating how the biblical authors use the act of anointing in their communication with us communication that reaches its full maturity in Jesus the Anointed One Understanding manners and customs like anointing enriches our experience of reading the Bible and even helps us correctly interpret it This colorful guide clearly and succinctly introduces modern readers to daily life in Bible times The cultural practices of the past are

fascinating on their own but even more so as they help us grasp the full meaning of Scripture *Commentary on Judges*
Gregory T. K. Wong, 2019-10-01 Comprehensive accessible and fully illustrated this commentary on Judges is a must have resource You want a deeper understanding of the Scriptures but the notes in your study Bible don't give you enough depth or insight This commentary was created with you in mind Each volume of The Baker Illustrated Bible Commentary is a nontechnical section by section commentary on one book or section of the Bible that provides reliable and readable interpretations of the Scriptures from leading evangelical scholars This information packed commentary will help you gain a deeper understanding of the Bible in your own personal study or in preparation for teaching It tackles problematic questions calls attention to the spiritual and personal aspects of the biblical message and brings out important points of biblical theology making it invaluable to anyone seeking to get the most out of their Bible study **Growing Your Faith by Giving It Away** R.
