The Exes

The Ex's Daddy

The Exes:

The Exes' Revenge Jo Jakeman, 2018-09-11 A wickedly dark debut thriller about three women who've all been involved with the same man and realize the one thing they have in common is that they all want revenge against him. Divorces are often messy and Imogen's is no exception. Phillip Rochester is controlling, abusive, and determined to make things as difficult as possible. When he shows up without warning demanding that Imogen move out of their house by the end of the month or he'll sue for sole custody of their young son, Imogen is ready to snap. In a moment of madness, Imogen does something unthinkable, something that puts her in control for the first time in years. She's desperate to protect her son and to claim authority over her own life. But she wasn't expecting both Phillip's ex-wife and new girlfriend to get tangled up in her plans. These three very different women and unlikely allies reluctantly team up to take revenge against a man who has wronged them all.

The Ex's and the Next's Frank A. Throneberry, 2022-03-07 Well, all righty then. This book basically starts out about one young teenager named Joel. Joel takes care of his younger siblings for his mother Joyce. Joel's only fifteen years old and he cares for his siblings while his mother works tirelessly as a CNA at the nearby hospital taking care of patients. Joyce is a widow who is forced into working long hours to provide for her family. Joyce's eldest son Joel helps out quite a bit around the house. His best friend Ralph knows that Joel wants his mother to get out and start dating again. So as a surprise for Joel, Ralph asks his uncle Torri, who is a retired New York Giants player, to take Joel's mother out on a date and he agrees as a favor for his nephew. Regardless of all of life's ups and downs and uncertainties, that decision would end up being the begging of a wonderful life together. This book is full of excitement, adventure, things that surprisingly are not expected and things that are but unfortunately never happen. The author would say more, but he does not want to give it all away. However, this is the first of a trilogy, which means there's more to come.

The Alcalde, 1992-07 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries, artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate, the nickname of the governor who signed UT into existence was The Old Alcalde.

The Letter Killers Club Sigizmund Krzhizhanovsky, 2011-12-06 A New York Review Books Original. The Letter Killers Club is a secret society of self-described conceivers who, to preserve the purity of their conceptions, will commit nothing to paper. What after all is your run-of-the-mill scribbler of stories if not an accomplished corruptor of conceptions? The logic of the club is strict and uncompromising. Every Saturday members meet in a firelit room filled with empty black bookshelves where they strive to top one another by developing ever unlikelier, ever more perfect conceptions: a rehearsal of Hamlet hijacked by an actor who vanishes with the role; the double life of a merry medieval cleric derailed by a costume change; a machine-run world that imprisons men's minds.

while conscripting their bodies a dead Roman scribe stranded this side of the River Acheron But in this book set in an ominous Soviet Moscow of the 1920s the members of the club are strangely mistrustful of one another while all are under the spell of its despotic President and there is no telling in the end just how lethal the purely conceptual or for that matter letters may be

The Ex's Daddy The Ex's Daddy,2021-04-07 Professor Hot Stuff is going to be mine Yes Drew Richards is everything you would want in a man enigmatic alpha hard powerful compassionate The perfect man to lose my V card to The problem He s twice my age and my teacher Yet I am addicted to him Everything s going perfect until the day I walk into his kitchen wearing nothing but a towel And I m introduced to his son His son my ex Umm Did I tell you I m carrying Professor McS xy s baby

The Spike Damien Broderick,2001-02-10 The rate at which technology is changing our world not just on a global level like space travel and instant worldwide communications but on the level of what we choose to wear where we live and what we eat is staggeringly fast and getting faster all the time The rate of change has become so fast that a concept that started off sounding like science fiction has become a widely expected outcome in the near future a singularity referred to as The Spike At that point of singularity the cumulative changes on all fronts will affect the existence of humanity as a species and cause a leap of evolution into a new state of being On the other side of that divide intelligence will be freed from the constraints of the flesh machines will achieve a level of intelligence in excess of our own and boundless in its ultimate potential engineering will take place at the level of molecular reconstruction

which will allow everything from food to building materials to be assembled as needed from microscopic components rather than grown or manufactured we ll all become effectively immortal by either digitizing and uploading our minds into organic machines or by transforming our bodies into illness free undecaying exemplars of permanent health and vitality The results of all these changes will be unimaginable social dislocation a complete restructuring of human society and a great leap forward into a dazzlingly transcendent future that even SF writers have been too timid to imagine At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
