Out Katherine Brewer Ball,2024-03-15 Katherine Brewer Ball argues that escape is a key site for exploring American conceptions of freedom and constraint showing how Black and queer escape are forms of radical practice *Folktales and Fairy Tales* Anne E. Duggan Ph.D.,Donald Haase Ph.D.,Helen J. Callow,2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and

lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource *Keiji*

Inafune Andrew Schartmann,2025-01-09 This book explores Keiji Inafune s unique and controversial approach to video game design by breaking down his prolific output into seven key concepts Keiji Inafune is a polarizing figure in the video game community While some view his work on Capcom s Mega Man series as a pivotal contribution to the gaming industry others question his very claim to the title of game designer No matter one s stance however Inafune s work inspires passionate discussions about video game design and its history In this book Andrew Schartmann explores seven core principles that permeate Inafune s output and constitute his creative voice He also draws on Inafune s controversial persona to probe the very definition of video game designer a term problematized by the collaborative aspect of game design and the industry s Wonka esque obsession with secrecy With high profile games like Mega Man Street Fighter and Resident Evil Inafune s repertoire provides an ideal lens through which to explore the nuts and bolts of game design and the many forces that shape it
