The Faith Of A Methodist:

The Faith of a Methodist Eric Baker, 2014-10-15 This Fernley Hartley Lecture represents an avowed attempt by Eric Baker a leading Methodist scholar and statesman to reach the ordinary man in the pew and the street This does not mean that scholarly precision in this important lecture is in any way lacking but simply that the distinguished author has taken pains to express himself as is his wont with clarity and simplicity Baker virtually claims as did John Wesley himself that the faith of a Methodist is just plain Christianity But Wesley was led to emphasize certain aspects of the gospel that had become obscure in the cold and formal eighteenth century salvation by faith conviction the assurance of a new relationship with God the need for holiness in heart and life and the great importance of fellowship and sharing among like minded followers of God Baker sees Wesley s doctrine of Christian Perfection as the central and moving theme of the new evangelical movement and he writes clearly and lucidly upon this doctrine He then examines several of the great doctrines of the faith in the light of this particular emphasis This God given message of the Wesleys is then the theme of Dr Baker s book presented by him in the light of all the tests afforded by the passing two hundred years and in the light of the growth of the world s largest Protestant communion The book cannot fail to be of prime importance both to scholars and to all thinking people *The Faith of a*

Methodist Eric W. Baker, 1958 **Faith Working through Love** Council of Bishops of the Umc, 2022-05-10 For in Christ Jesus the only thing that counts is faith working through love Galatians 5:6 NRSV Faith Working Through Love invites us to revisit and reclaim essential Christian beliefs and practices as United Methodists In an easy to follow question and answer format the study recaps basic teachings and practices of Christian faith and underscores the core convictions of United Methodists Why Read This Book People are struggling to cope with everyday life and our societies are divided and broken Some wonder if lifting up the core doctrines of Christian faith divide us and cause further disagreements But to the contrary it is in times of uncertainty that we yearn to find our spiritual bearings by recalling our history and enduring teachings This book helps us know who God is what God is doing in the world and how God includes us in making the world more loving and just The Methodist tradition springs from forbears in the faith who prayed learned and served their neighbors together to increase their knowledge of God and actively shared God s love in word and deed in all the places they lived struggled and loved The teachings you ll encounter in these pages are already making a difference in the lives of United Methodists around the world We pray that through study and conversation with others you too will encounter the Spirit of God who heals strengthens empowers and transforms us The questions and answers offered in this volume will challenge and embolden you as you grow in grace and love and to serve Christ Faith Working Through Love bids you to take up the contents of this volume and read it discuss it and reflect upon it and may God use it to bless you and to make you a blessing in the world David N Field Ecumenical Staff Officer for Faith and Order Faith Working Through Love has been crafted as a foundational United Methodist teaching resource by the Committee on Faith and Order of The United Methodist Church and received and

commended to the church by the United Methodist Council of Bishops **How United Methodists Share Their Faith**

Rodney E. Carder, 2009-10-01

You can believe anything and be a Methodist just so long as you are sincere Such a misperception has deep historical and cultural roots Explore a basic explanation of the beliefs and practices of the United Methodist Church as defined in Part II of The Book of Discipline Uncover a deeper understanding and experience of Christian faith as you embrace the United Methodist way Beliefs are to be lived doctrine is to be practiced writes Carder in this updated edition of his 1996 bestseller The authenticity of beliefs lie in their ability to shape people and communities into the image of Christ and to promote holiness and happiness The important test of the validity of doctrines and beliefs for United Methodists is the kind of character they produce in individuals and communities and the actions they inspire in the world Living Our Beliefs is essential reading for new members confirmation classes and small group studies As one reviewer says Bishop Carder invites us to both understand and live our beliefs With deep understanding of Wesley's teaching he inspires us to practice what we preach That is the United Methodist way The Leader's Guide for this course Living Our United Methodist Beliefs by George Hovaness Donigan may be purchased here Have You Faith in Christ?
