Bowker's Guide to Characters in Fiction 2007 ,2008-02 **Pinpoint: How GPS is Changing Technology, Culture, and Our Minds** Greg Milner,2016-05-03 One of the most mesmerizing and exhilarating yet alarming modern technology books an extraordinary tale Gillian Tett Financial Times Pinpoint tells the fascinating story of a hidden system that touches nearly every aspect of modern life Tracking the development of GPS from its origins as a bomb guidance system to its present ubiquity Greg Milner examines the technology s double edged effect on the way we live work and travel Savvy and original this sweeping scientific history offers startling insight into how humans understand their place in the world *The Call of the Wild (with Audio & Text)* Jack London,2021-05-31 The Call of the Wild is an adventure novel by Jack London published in 1903 and set in Yukon Canada during the 1890s Klondike Gold Rush when strong sled dogs were in high demand London spent almost a year in the Yukon and his observations form much of the material for the book The central character of the novel is a dog named Buck The story opens at a ranch in Santa Clara Valley California when Buck is stolen from his home and sold into service as a sled dog in Alaska He becomes progressively primitive and wild in the harsh environment where he is forced to fight to survive and dominate other dogs By the end he sheds the veneer of civilization and relies on primordial instinct and learned experience to emerge as a leader in the wild The book s great popularity and success made a reputation for London As early as 1923 the story was adapted to film and it has since seen several more cinematic adaptations Game Sound Karen Collins,2008 A distinguishing feature of video games is their interactivity and sound plays an important role in this a player s actions can trigger dialogue sound effects ambient sound and music This book introduces readers to the various aspects of game audio from its development in early games to theoretical discussions of immersion and realism MP3 Jonathan Sterne,2012-07-17 Jonathan Sterne shows that understanding the historical meaning of the MP3 the world s most common format for recorded audio involves rethinking the place of digital technologies in the broader universe of twentieth century communication history **Books Out Loud** ,2007 Audio App Daily Devotion Mearl La Gene Martin III,2015-10-09 Audio App Daily Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day s portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through your time with our Lord I felt it important to make each day s readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily *Book Review Index* ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Gutter Auteur** Rob Craig,2012-12-01 Grindhouse filmmaker Andy

Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan s gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan s films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction **The Sarah Siddons Audio Files** Judith Pascoe, 2011-06-14 Winner of the Barnard Hewitt Award and a Joe A Callaway Award Honorable Mention
