Channing, 1870 William Ellery Channing, 1888 Elysium's Passage N.G. Meyers, 2017-06-14 The Summit is the first book in the Elysiums Passage series involving a British philosopher from London named Dr James Philips who has a near fatal fall while climbing to the summit of a remote mountain in the Andes While his body remains in a coma he awakens into an altered state of consciousness before encountering two mysterious beings with very different perspectives on the nature of reality Before returning to his body in London he is challenged to re examine his understanding of lifes meaning and purpose far beyond anything he previously believed or could believe An engaging and surreal adventure with intimations of romance exploring the most important questions regarding the Passage that leads beyond this life towards our ultimate destiny The Plains of Elysium is described by Homer Hesiod Virgil and many other poets as the paradisiacal afterlife reserved for heroes The Summit is not just about a hero or a mountain expedition but a fall into the mysterium of the unknown universe **Imperial** Intimacies Hazel V. Carby, 2021-10-12 Winner of the British Academy s Nayef Al Rodhan Prize for Global Cultural Understanding 2020 Highly commended for PEN Hessell Tiltman Prize 2020 A haunting and evocative history of British empire told through one woman's family story. Where are you from was the question hounding Hazel Carby as a girl in post war London One of the so called brown babies of the Windrush generation born to a Jamaican father and Welsh mother Carby s place in her home her neighbourhood and her country of birth was always in doubt Emerging from this setting Carby untangles the threads connecting members of her family in a web woven by the British Empire across the Atlantic We meet Carby's working class grandmother Beatrice a seamstress challenged by poverty and disease In England she was thrilled by the cosmopolitan fantasies of empire by cities built with slave trade profits and by street peddlers selling fashionable Jamaican delicacies In Jamaica we follow the lives of both the white Carbys and the black Carbys including Mary Ivey a free woman of colour whose children are fathered by Lilly Carby a British soldier who arrived in Jamaica in 1789 to be absorbed into the plantation aristocracy And we discover the hidden stories of Bridget and Nancy two women owned by Lilly who survived the Middle Passage from Africa to the Caribbean Moving between Jamaican plantations the hills of Devon the port cities of Bristol Cardiff and Kingston and the working class estates of South London Carby's family story is at once an intimate personal history and a sweeping summation of the violent entanglement of two islands In charting British empire s interweaving of capital and bodies public language and private feeling Carby will find herself reckoning with what she can tell what she can remember and what she can bear to know The Works of William E. A Defence of Southern Slavery Iveson L. Brookes,1851 This pamphlet contains a review of Mr Clay's Letter on emancipation and strictures on Mr Campbell's Tract for the people of Kentucky These enemies of the South threw their mischievous productions betore the country during the canvass in Kentucky for a Convention to alter the Constitution of that state Their professed object was to effect the abolition of slavery in Kentucky The author answered them because he conceived that while each pretended to write for the people of Kentucky and in reference to slavery in that state both made a general attack upon the institution of slavery everywhere but more especially as existing in the Southern States of this confederacy He now presents these answers to the public in pamphlet form because he desires to cast the mite of his influence into the scale of Southern rights at this crisis and hopes this humble tract will assist Southerners to form correct views of their rights and of the rectitude of their institution as appointed of God and sustained by the Bible The letter on emancipation fell into my hands in the spring of 1849 and the Review was written and published in the Augusta Constitutionalist in May and was copied and circulated in Kentucky during their Convention canvass To the reader
