Sort Of Sisters:

Sort of Sisters , **African Systems of Kinship and Marriage** A. R. Radcliffe-Brown, Daryll Forde, 2015-06-03 First published in 1950 and this edition in 1987 this book is one of the most wide ranging and respected surveys on kinship and marriage in African social life In his introduction Radcliff Brown provides a masterly analysis of the main features of African kinship systems and the theoretical problems arising from the study of them The contributions range from examinations of kinship systems among the Swazi the Tswana the Zulu the Nuer and the Ashanti to double descent among the Yak and dual descent in the Nuba groups of the Sudan The contributors themselves are still viewed as giants in their field Evans Pritchard Meyer Fortes Max Gluckman Hilda Kuper Naderl A I Richards Schapera and Monica Wilson My Sister, My Enemy Dr. Pamela Renee Applewhite PhD, 2021-06-07 What is a sister What should a sister be How do you relate to your sister in childhood adult hood and throughout life What are the characteristics and traits of sisters What are the personalities of sisters Are there particular types of sister groups In My Sister My Enemy author Dr Pamela Renee Applewhite journeys through sisterhood using various sister examples traits personalities interactions relationships thoughts whims notions and more A total reflection of sisterhood she shares various examples of sisters to demonstrate how we have been how we have not been and what we need to do to get it right Filled with an array of touching and real life sister stories My Sister My Enemy addresses a host of situations sisters face Applewhite seeks to encourage sisters to find healing or triumphant victories Geared for sisters old young and in between she not only chronicles her personal story but that of others who have experienced the joys pains happiness trials tribulations sadness loneliness death of a sister and revivals of sisterhood It s about getting back to love to closeness and to sharing **The Social Anthropology of Radcliffe-Brown** Adam Kuper, 2013-11-05 This is the first collection of Radcliffe Brown s work chosen to represent his books as well as his essays It includes some classic pieces and also one or two lesser known items Radcliffe Brown was a pioneer who established structural sociological anthropology in the face of the entrenched traditions of ethnology and social evolutionism First published in 1977 **White Lives** Bridget Byrne, 2006-04-18 This revealing book explores the processes of racialization class and gender and examines how these processes play out in the everyday lives of white women living in London with young children Bridget Byrne analyzes the flexibility of racialized discourse in everyday life whilst simultaneously arguing for a radical deconstruction of the notions of race these discourses create Byrne focuses on the experience of white mothers and their children as a key site in the reproduction of class race and gender subjectivities offering a compelling account of both the experience of motherhood and ideas of white identity Byrne s research is unique in its approach of exploring whiteness in the context of practices of mothering She adopts a broad perspective and her approach provides a suggestive framework for analyzing the racialization of everyday life The book s multi layered analysis shifts expertly from intimate acts to those which engage with local and national discourses in more public spaces Reconsidering white identities through white experiences of

race White Lives encompasses many disciplines making valuable reading for those studying sociology anthropology race and ethnicity and cultural studies Winner of the BSA Philip Abrams Memorial Prize 2007 Zuleika Dobson Sir Max Beerbohm,1911 Zuleika Dobson; Or, An Oxford Love Story Max Sir Beerbohm,2019-11-19 Max Beerbohm s novel Zuleika Dobson Or An Oxford Love Story is a brilliant satirical exploration of turn of the century British culture particularly focused on the social dynamics of Oxford University Through the lens of the captivating titular character Zuleika a beautiful and enchanting woman who disrupts the lives of the male undergraduates Beerbohm articulates themes of love obsession and the absurdity of social conventions His prose is characterized by its wit elegance and a keenly observed sense of humor often invoking the spirit of the Edwardian era where decadence and irony collide in a narrative that gracefully critiques both romantic idealism and academic elitism Max Beerbohm a prominent Bloomsbury Group member and renowned caricaturist infused his literary work with the same sharp observational skills that defined his illustrations His experiences within the upper echelons of society coupled with a sophisticated understanding of the Oxford setting informed his portrayal of the absurdities of university life Zuleika Dobson serves not only as a love story but as a commentary on the transient nature of youth and beauty reflecting Beerbohm s own interactions within the literary and artistic circles of his time This novel is highly recommended for readers who appreciate a blend of comedy and tragedy as well as those who seek a deeper understanding of societal norms during a pivotal moment in British history Beerbohm s exquisite storytelling and profound insights into human relationships render this work a timeless classic inviting reflection on the nature of love longing and the impermanence of life s pleasures **Zuleika Dobson** Max Beerbohm,2021-01-01 The passage of time has conferred a dark power upon Beerbohm s ostensibly light and witty Edwardian satire *Zuleika Dobson* Max Beerbohm,2017-05-03T00:13:38Z Max Beerbohm earned his fame as a caricaturist and essayist and Zuleika Dobson is his only novel Despite that Zuleika has earned no small measure of fame with the Modern Library ranking it 59th in its 100 Best English Language Novels of the 20th Century Beerbohm s essays were famous for their sharp wit and humor and Zuleika follows in that tradition Beerbohm himself called the novel the work of a leisurely essayist amusing himself with a narrative idea The novel follows Zuleika Dobson a rather talentless woman of middling looks who nonetheless holds an almost mystical power of attraction over the men she comes in contact with When she begins attending Oxford she catches the eye of not just the Duke of Dorset but of the entire male class Zuleika is both an easy comedy and a biting satire of Edwardian social mores and of the male dominated Oxford student culture Beerbohm also seems to forecast with eerie accuracy the cultural obsession with talentless celebrity that came to dominate the turn of the 21st century This book is part of the Standard Ebooks project which produces free public domain ebooks **Elegant Extracts, Or, Useful and Entertaining Passages in Prose** Vicesimus Knox,1808 An anthology of prose passages primarily from Greek Roman and English authors **The Record of Nicholas Freydon** A. J. Dawson,2020-03-16 The Record of Nicholas Freydon by A J Dawson Published by Good

Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format [In Anwar's Care](#)

Veronica Purcell,2023-08-16 This must be dying Cheating death on a riverbank is the beginning of an epic adventure for a teenage girl called Neven No memory of where she came from or her identity She s fished out of a river to be surrendered to an underground mining city called The Zone As pieces of her memory surface strange events happen She begins to believe that her amnesia is intentional Especially when she finds herself on trial where she faces a corrupt guardian called the herensuge **Catholic World** ,1924 [The Devil of the Second Stairs](#) George Herman,1967 [The Cambridge Handbook of Formal Semantics](#) Maria Aloni,Paul Dekker,2016-07-07 Formal semantics the scientific study of meaning in natural language is one of the most fundamental and long established areas of linguistics This Handbook offers a comprehensive yet compact guide to the field bringing together research from a wide range of world leading experts Chapters include coverage of the historical context and foundation of contemporary formal semantics a survey of the variety of formal logical approaches to linguistic meaning and an overview of the major areas of research within current semantic theory broadly conceived The Handbook also explores the interfaces between semantics and neighbouring disciplines including research in cognition and computation This work will be essential reading for students and researchers working in linguistics philosophy psychology and computer science *The Original, a weekly miscellany of humour, literature [&c., ed. by W.J. Thoms].* William John Thoms,1832 **Yesterday Once More** Dr. Jaskiran Chopra, Nostalgia is a wonderful way to pay our tribute to the past The writings in this volume sensitively evoke the past and create a beautiful canvas of memories a canvas we can all identify with Personal memories play hide and seek with nostalgia for a shared world a world that is fast vanishing A slow paced and calm world a world of greater human interaction a world of truer values The book will take us on an enriching inward journey that traces the innocent paths of childhood the sensitive lanes of adolescence and even the difficult roads that one travels later The faded beauty of the Doon valley is a theme that runs through a good part of this book and regret jostles with rapid change The Dehra Dun of bubbling canals of litchi and mango orchards of tongas and leisurely cyclists is a place one can no longer find except in fading photographs or fading memories And it is these memories that I have tried to capture and put together a bouquet dedicated to parents teachers alma mater homes and other things that live forever in the landscape of my heart The nostalgia goes beyond the valley and its surroundings The book talks of old cinemas charismatic film stars the warmth of book shops the charm of Doordarshan days of audio cassettes old style melas and cosy restaurants in the hills The effort is to bring back yesterday once more The pleasures and joys of simple living and importance of emotions in life are highlighted in the book Although these are personal memories of my yesterdays they will resonate in each sensitive

and sentimental reader's heart as the feelings are universal and the moments captured are timeless. These are part of our collective memories and will hopefully evoke emotions that have inspired me to create this work. Nostalgia is indeed a strong emotion that brings us a strange pain mixed with joy. However, it is on the whole a satisfying feeling and many of us simply love to go on a trip down memory lane. I sincerely hope Yesterday Once More will be one such delightful trip.

Dr. Jaskiran Chopra The Works of Mary Russell Mitford Mary Russell Mitford, 1846 *The Original*, 1832 **Reputation** Elinor Mordaunt, 1924
